of New Coast Mark Miss Mary K. Browne, former national tenais champion, broke the course record at the Brenwood Country club at Los Angeles in winning the qualifying medal of the California golf championship. A score of 78 was two points lower than the best previous women's mark for the course. The former queen of the courts, already regarded as one of the strongest woman golfers in the country, is said to be playing the best game of her career this season,

## EX-TEXAS LEAGUERS GAINING PROMINENCE

\*\*\*\*\*\*\*\*\*\*\*\*\*\*\*

## Former Players From Lone Star State Are Active.

Former Texas league baseball players are rapidly coming to the front in the major circuits. Just the other day several ex-Texas leaguers figured prominently in the final scores of different games.

Ray Blades, former Houston outfielder, smacked out a home run, put his team, the Cardinals, out in front, and then in the ninth inning, in the midst of a Cub rally, dropped an easy fly that let in the winning run.

Lil Stoner pitched and won his second game of the season for Detroit. Cleveland was the victim on this occasion. Topper Rigney, also a former Panther, played what is believed to be a record game at short for the Tigers. He played up to the ninth inning without a fielding chance. Then Homer Summa, a former Wichita Falls outfielder, now playing for Tris Speaker, hit the only ball of the day that went to short-and Rigney muffed it. Glenn Myatt, former Buff, caught the game for Cleveland and knicked Stoner for

Ike Boone hit another home run for the Boston Red Sox and maintained his place at the top of the batting average list. Ike weighted down right field for San Antonio last year. 'Dutch Sperber, who played in a Houston uniform last season, played a less prominent part in the Phillies-Braves

Joe Martina, Texas league veteran, twirled his second victory of the season for the Washington Senators. He subdued Connie Mack's Athletics, 4 to 3. Lester Bell hit a double that figured in the St. Louis scoring, although the game was dropped to the Cubs as aforementioned on Blades' untimely error, Adams, former Spudder, played at short for the Cubs, made two hits and scored one run. Jim Bottomley went hitless and Gene Bailey played a few uneventful innings for the Brooklyn Trolley Dodgers.

# Athletics Aid Beauty

Miss Lillian Duncan, holds the New England record for the 60-yard run. Athletic activity is a help to beauty, judging from Miss Duncan's charm.

### New Cricket Record Is Set in Australian Game

A new record for cricket in Australia was established recently in the match between Victoria and Queensland at Melbourne, when W. H. Pensford and E. R. Mayne, batting for the Victorians, scored 456 points at the first wicket. The best previous wicket partnership was made by Hobbes and Rhodes in 1911, when they batted in

Ponsford made 248 runs and was at the wicket nearly seven hours. Mayne scored 208 and was at the wicket nearly seven and one-half shours. The fielding of the Queensland players is said to have been unusually good and they used no less than seven bowlers in an attempt to break the winning streak of the formidable Victorian pair. Victoria won the match, which was for the interstate championship.

# No Longer Dearth of

Eight-Oared Crews Not so many years ago, one could count on the fingers of one hand all the really formidable eight-oared shell crews in the country. It's not that way any more. This rowing season looks like the best one in history. At least a dozen crews consider themselves good enough to enter the Olympic tryouts at which America's representatives at the great international games will be picked. The entrants to date include Yale, Harvard, Princeton, Pennsylvania, Syracuse, Washington, Duluth Union Boat club, Bachelors' Barge club and West Philadelphia Boat club. There will be several
