The State road between Centre Hall and Rebersburg is in very good condition since being oiled. Travel over it is pleasant. This road is what was known as the "Brush Valley" road for many years, and passes through a rich agricultural district. Travel over it is increasing rapidly. Prior to this year autoists avoided this road, the route to Rebersburg having long been by way of Millheim and through the narrows.

The carpenter work on Sunset club house, in Seven Mountains, is about completed, the building now being ready for the stucco, which work will be done by D. H. Segal, of Spring Mills. The Housman force of carpenters were much delayed by the rains, but made good use of the days during which outside work could be done. The fire-place and large chimney were built by the Garis stone masons, and is a fine piece of work.

The State Highway department has furnished Yeagertown with a blue print containing curb line, elevations, etc., to be conformed with in building side walks. It appears a number of residents have already taken steps to build walks. The construction of walks through Millroy, Yeagertown and Burnham would greatly add to the safety of its residents against auto travel, which during some hours of the day is anything but pleasant for the automobile driver, no matter how careful he may be.

The Junior ball team played a game with the Rebersburg juniors, Saturday afternoon, the score being 6 to 2 in favor of the Rebersburg team. KLANSMEN GUILTY OF UNLAWFUL ASSEMBLY

Cambria County Jury Finds Against Thirty-one Ku Klux Klan and Lilly Residents.

A verdict of not guilty of riot but guilty of affray and unlawful assembly was returned by a jury Thursday night of last week in Ebensburg, county seat of Cambria county, in the case of 31 alleged Ku Klux Klansmen and residents of Lilly, who were tried upon charges growing out of the riot April 5, between visiting Klansmen and the townspeople of Lilly. Counsel for the defense immediately filed a motion for a new trial.

The number of defendants was reduced to 31 alleged Ku Klux Klansmen and Lilly residents when Judge Thomas B. Finletter directed a verdict of acquittal on behalf of 11 alleged Klansmen and two of the Lilly defendants upon the grounds of insufficient evidence. Forty-four men were arraigned upon charges of riot and unlawful assembly in connection with the fatal riot April 5 at Lilly between villagers and visiting Klansmen. No disposition was made of the murder indictments returned against all of the defendants.

The Court's order for a directed verdict on behalf of the 13 defendants was made upon motion of the defense after the prosecution had rested. In supporting the motion the defense attorneys declared that not sufficient evidence had been presented to identify the defendants named as participants in the disorder.

Percy Allen Rose, chief counsel for the alleged Klansmen, asked the Court for a directed verdict for 16 of the alleged Klansmen but Judge Finletter reduced the number to 11. Philip M. Shettig, counsel for the Lilly defendants, confined his motion to two of the Lilly residents.

The trial began Monday when Judge Finletter denied a motion for separate trials for the 20 alleged Klansmen and 15 Lilly residents.
