W. C. T. U. will meet at the home of Mrs. G. O. Benner Saturday evening at 7:30.

Miss Fannie Hoffer, of Bellefonte, was in Centre Hall among friends during part of last and this week.

Miss Ella Moore, who had been at State College for a considerable length of time, is with friends in Centre Hall.

Elmer C. Hettlinger, of near Spring Mills, dealt his Chevrolet car to the Krader Motor company and secured a Maxwell touring car.

Miss Vienna Zettle, daughter of Mr. and Mrs. E. E. Zettle, was at her home here for a few days last week. She is taking a business course in a Williamsport commercial college.

Mrs. Thomas F. Fleisher, at Colyer, has been in very delicate health during the recent past. On Tuesday, one of her sons, William Fleisher, of Buffalo, came home to be with her.

Prof. W. O. Heckman became ill Saturday, but Monday was able to be at the school rooms and superintend the opening of the various schools, although he was not feeling anything like himself.

Residents of Woodland, Clearfield county, make the statement that a half inch of snow fell there Friday afternoon, followed by a severe hail storm. This is the earliest fall of snow ever reported in that county.

Mr. and Mrs. Malcolm Luse and Mrs. Carrie Heiber, of Johnstown, motored here Saturday and were over-Sunday guests of Mr. and Mrs. L. L. Smith. Mr. Luse's love for old Centre county causes him to make frequent trips here.

Miss Hazel L. Carson, daughter of Mr. and Mrs. P. A. Carson, of Potters Mills, is spending a number of weeks as a guest of her aunt, Mrs. P. P. Henshall, at Ventnor, N. J. Before returning home Miss Carson will be entertained by friends in Philadelphia.

Charles Stump reversed the order of things when he arrived in Centre Hall from Finneywood, Virginia, last week. He had been going South for the winter during the past few years, but failed to return the last two springs and now came up to spend the coming winter in the North.

Mrs. (Dr.) G. H. Widder and sister, Mrs. Kate Harpster Moore, have been guests at the Arney home west of town, and also visited their sister, Mrs. Ellen Barr, at Boalsburg. They will remain here until Dr. Widder comes for them in a car, which will likely be the latter part of this week.

Mr. and Mrs. C. S. Patton, of Norfolk, Virginia, were guests of Mr. and Mrs. George O. Benner, the ladies being relatives. Mrs. Patton is a native of Bald Eagle Valley, while Mr. Patton is a gentleman of southern birth. He is superintendent of motive power of the Seaboard Air Line Railway company and is not at all pessimistic as to the future of railroads.

Among those entering college from this locality is Miss Ellen Burkholder, daughter of Mr. and Mrs. M. A. Burkholder. She has selected as her work a teacher training course in the Liberal Arts school, Penn State. She is a graduate of the Centre Hall High school, and has always ranked among the highest in her class. During her latter school years she made several contributions to this paper on tion.

H. A. McClellan, of near Tusseyville, had the misfortune to have a \$200 mule, one of a team, die for him from spasmodic colic. Aside from farming, Mr. McClellan takes care of the State highway between Potters Mills and State College, and just now work is being done on the portion between Boalsburg and the college town. Next year, if the present program is carried out, the road will be oiled and chipped.

Rev. J. M. Rearick, formerly of the Lutheran church here and later at Elk Lick, Somerset county, is now serving a pastorate in Millintown, Juniata county, having just entered upon the new field. It is also learned that a daughter of Rev. Rearick, Miss Susan, was recently married to Rev. James Shannon, also a Lutheran minister, a son of Rev. Witmer Shannon, and a grandson of Rev. Samuel Shannon, deceased. The grandfather lived in Centre Hall many years ago.

Mr. and Mrs. W. J. Dillon, of Altoona, were guests of Mr. and Mrs. M. A. Burkholder, near town. Their friendship was formed when the Burkholders lived in Altoona and the men were P. R. R. employees. Other guests at the Burkholder home were Mr. and Mrs. Albert Treaster, and Mr. and Mrs. Charles Osborne, all of Lewis-town. The former lady is a sister and the latter a niece of Mrs. Burkholder. Miss Martha Geiss, of Bellefonte, a boon companion of Miss Ellen Burkholder, also shared the hospitality of the Burkholder home.

A letter to the Reporter from Frank O. Moyer, of Cleveland, Ohio, gives details of a trip made to that city by Rufus D. Rearick, of State College, and John T. Gramley, of Spring Mills, for the purpose of driving home two cars—a Chrysler-6 and a Maxwell. Owing to some misunderstanding in shipping the trio went to the factory in Detroit, and while there were shown through it by the president, and were entertained by him at his home. They also visited the Ford factories, and various other places of interest, among them being Bell Island, Detroit's resort, and viewed the home of Edison Ford, on Grosse Pointe. A trip to Windsor, on Canadian soil, was also made before returning to Cleveland by boat. The steamer carried 1315 passengers, and everyone was aiming to enjoy himself or herself. Cedar Point, a resort on the lake near Cleveland, was also "done" by the young men.

**EARLY CHRISTIANS IN JAPAN**

Treasures Carefully Put Away by Learned Statesman Found a Tor Three Hundred Years.

A large number of documents, books and personal effects relating to early Christian activities in Japan has been found by Marquis Tokujun Tokugawa, the Detroit News reports. Christian things were burned and believers persecuted during the time of Prince Mitsukuni Tokugawa, who died in 1651, and the shogun secured this collection from the things seized in all parts of the country. After using it as reference material for his "History of Great Japan," the prince carefully stored it away in sealed cabinets in a warehouse in Mito, and there, after 300 years' obscurity, it was recently found by Marquis Tokujun.

Among the books is a copy of the Bible written in Romanji, which represents the original sound of the Japanese language. This Bible is one of only two such copies of the Scriptures. Among the personal effects are peculiar religious garments which were worn by the Japanese Christians at the time of the Amakusa rebellion.

**Lovely Garden but Ugly Home.**  
The most beautiful garden in America, according to one of the most famous living art critics, is the masterpiece of John D. Rockefeller in the Pocantico hills near Tarrytown, N. Y. He calls it "Kilbuck," the old Dutch name. It contains some beautiful statuary, including the famous chocolate-colored Venus, believed to be the work of Praxiteles. It used to be the custom to paint statuary in Greece. In boiling the marble to remove the paint, the wrong chemicals were used and the statue assumed a dark brown hue. The oil king has published a beautiful booklet describing this garden. Ten years ago he published his "Random Reminiscences of Men and Events." The same critic who praises his garden calls Mr. Rockefeller's house one of the most atrocious examples of modern architecture.

BEECH-NUT chewers don't switch.

The next batch of BEECH-NUT Chewing Tobacco will be like the last—the same quality and quantity of pure, sweet, waxy tobacco—the same bully flavor—the same super money's worth.

Lorillard's have been making chewing tobacco for over a century—upholding standards and following blending recipes that still give their products the widest sale in the world.

No pipe scrap and factory hash in BEECH-NUT. Never cheapened and bulked by rancid, bitter ground leaves, disguised with heavy flavorings.

The same quality and the same weight in 1924 as in 1915, despite increased taxes, overhead, wages and tobacco prices.

10c swells its chest every time it buys a package.

Is it any wonder that over 250 million packages are sold in a single year?
