Hall's Catarrh Medicine
Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions. All Druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

One involuntarily associates the bank with protection to money, but our bank goes farther than that. In our specially designed bank vault are the hardened steel safety boxes rented out by us to our customers as a private depository for their valuables. These boxes are accessible only to the owner. They are pledges of secrecy, and middle-proof. Private documents stored in them remain undisturbed—away from prying, inquisitive eyes. Valuable papers contained in them cannot be tampered with or destroyed by fire.
If you want real protection—protection in a strong vault, bring your valuables to The First National Bank.
