**DEATHS.**

**CONLEY.**—Mrs. Catharine Conley died at her home at Sioux Falls, South Dakota, Tuesday, according to telegram received by D. K. Keller, a nephew, on Wednesday morning. Mrs. Conley had been in failing health for several months, yet nothing serious had been anticipated.

The deceased was the daughter of the late John H. Keller and was born May 10, 1846, on the Keller farm east of Centre Hall, making her age 84 years, 5 months, 10 days. Her husband, John Conley, died about 1911. There survives her one son, James, with whom the mother made her home since leaving Centre Hall about four years ago.

The body is expected to arrive here Saturday afternoon, at which time interment will be made in the family plot in the local cemetery.

The deceased was preceded in death by her eldest son, J. William, and an only brother, James A. Keller, but is survived by a large number of more distant relatives, and friends.

**WEAVER.**—John L. Weaver, a retired employee of the Pennsylvania railroad, was found dead in bed at his home in Altoona. He had been a sufferer with heart trouble for a number of years and his death was the result of that ailment.

He was the son of George and Magdalene Weaver and was born near Spring Mills, Centre county, on April 6th, 1856, hence was in his sixty-ninth year. He was married to Miss Jessie A. Sheets, of Aaronsburg, who survives with two sons, William C. and George E., both of Altoona. He also leaves four sisters, Mrs. Susan Smiley, of Nittany; Mrs. Mary Stover, of Millheim; Mrs. John Zeigler, of Howard, and Mrs. Rose Winkelman, of Altoona. He was a member of the Second Lutheran church, the Verandah lodge of Odd Fellows, Junior American Mechanics, the Red Men and the Lathe shop Aid society. Burial was made in the Rose Hill cemetery, Altoona.

**Sisters Guess Closest on Auto Run.**

Decker Brothers, Bellefonte, conducted a guessing contest last week on a 100-hour endurance run with a Chevrolet stock car. The speedometer was sealed, and first and second prizes were offered to those guessing closest to the number of miles run in the 100 hours, also gallons of gas and oil consumed. Two sisters, Alice Campbell and Margaret Campbell, of near Bellefonte, won first and second prize, respectively, \$15.00 and \$10.00, from among upwards of 200 "guessers."

The actual number of miles run was 2536; the girls guessed 2538 and 2545. Gallons of gas consumed were 105 2-3; the girls guessed 105 and 106, quarts of oil consumed were 6; the girls guessed 6 and 5 1/2. Very close guessing, all will agree.  
The car, of the touring type, averaged 24 3-20 miles on a gallon of gas and 422 2-3 miles on a quart of oil.

**Winner in Ton Litter Contest.**

The distinction of producing one ton of pork from a litter of pigs in 180 days was earned by Peters brothers, of Stormtown, according to County Agent R. C. Blaney. This honor makes them a member of the Keystone Ton Litter Club of Pennsylvania.

This litter is the product of a pure bred Poland China sow and contained 10 pigs. They were farrowed April 4th and were weighed on October 4, making a total weight of 2381.5 lbs., or an average of 238.1 lbs. per pig. During the feeding period they made an individual gain of 1.3 lbs. per day.
