COOLIDGE IS RE-ELECTED

Heavy Vote in East and Middle West Clinches Victory for Republicans.—La Follette Showing Poor.—Pennsylvania Gives 5 to 1 for Coolidge.

A late dispatch from New York sums up the result of yesterday's election by stating that President Coolidge will remain in the White House. While the detailed returns can not be given at this time, there will not be enough changes from the estimates to change the result.

The dispatch states that Coolidge has carried all the States normally Republican and may have made inroads into Democratic territory, but apparently to no such extent as he anticipated. However, the result is so decisive in the East, the New York center and the Middle West that it makes no difference what the delayed reports from the far West show.

The bugaboo of a House election has passed. In all probability when the Pacific Coast figures come in they will show the same complexion as the rest of the country, where La Follette hoped to be strong. La Follette's vote generally is a disappointment, not only in the Northwest, but in the size of the popular vote he looked for in the industrial centers in the East.

Coolidge will carry greater New York by a figure not far from 100,000. Harding got it by 400,000. Davis is running stronger than Cox did both in the big city and up-State. President Coolidge ought to carry the State by 900,000, whereas his predecessor got it by 1,100,000.

La Follette Party Looks Ahead. Encouraged by the vote polled by Senator La Follette in the East, Chicago headquarters of the La Follette-Wheeler movement announced that their political organization would be kept intact for another try in the Congressional election of 1926 and the Presidential contest of 1928.

In some parts of the country the drift to Coolidge was so overwhelming that it threatens to rival the Harding landslide of 1920. Mr. Harding's own voting precinct in Marion was carried by his successor by a larger majority than it gave its native son four years ago.

In his own home state, Massachusetts, Mr. Coolidge was leading Davis by a ratio of almost 4 to 1, and La Follette almost 14 to 1; in Maine, also, the Coolidge advantage over Davis was almost four to one; in Rhode Island more than two to one; in New Hampshire more than two to one; in Connecticut more than two to one.

Both in up-State New York and in New York City the President was a head of Mr. Davis, although the city gave the Democratic candidate a far greater proportion of its vote than did other sections of the State.

5 to 1 in Keystone State. On the face of the first returns from New Jersey a very early and small return, Coolidge was leading Davis almost four to one. In Ohio, with 170,000 votes counted, Coolidge had a lead of 60,000 over Davis and of 85,000 over La Follette. In Pennsylvania, one of the rock-ribbed Republican states, the President received five votes to one for Davis, with La Follette making a close race for second place.

Delaware's first reports gave Coolidge more than five to one over Davis. In Kansas the ratio stood at three for Coolidge to one for Davis. In Indiana, with about one-twentieth of the State counted, the Coolidge lead was 26,000. A tenth of the precincts in Illinois gave Coolidge 111,000; Davis, 45,000, and La Follette, 32,000. Charles S. Denen, Republican candidate for Senator in Illinois, was 25,000 ahead of his Democratic opponent.

With 16,000 votes counted in Oklahoma, Davis' lead over Coolidge was a little over 1000, and Walton was polling only about half as many votes as his Republican opponent.

With the State almost one-fourth complete, Kentucky gave Davis 92,400 and Coolidge 79,800. In Tennessee, with about a fifth of the State in, the count stood 21,000 for Davis to 12,500 for Coolidge.

Smith Elected Governor New York. Alfred E. Smith was again elected a Democratic governor of New York, over Theodore Roosevelt.

HOLMES LEADS NOLL BY 9000. L. Laird Holmes will represent Centre county in the next Legislature, having carried Centre county by a majority of about 3,000 over his Democratic opponent, William H. Noll.

Swope, Too, Elected. William I. Swope, Republican candidate for Congress in this district, was also re-elected by a large majority over Edward R. Benson, the Democratic candidate for that office.

Notice. During the past years, buildings on Grange Park have been broken into, property maliciously and wilfully destroyed, and should these depredations continue an appeal will be made to the proper authorities and the guilty persons dealt with according to law.
