SPRING MILLS

Mrs. Steffer and Mrs. Ripka returned to Bellefonte after a short visit here.

Quite a number of people attended the picture, "The Covered Wagon," at Millheim, last week, and pronounced it excellent.

Harry Allison moved to his new home at the post office last week.

The death of Mrs. Samuel Stitzer has saddened the community. She died of scarlet fever after a week's illness. She leaves her husband and the following children: Elnei, Wilma, Harry, Claud, Donald, Pauline and Dean, ranging in age from one to 16 years; also her father and mother, Mr. and Mrs. Wm. Sonnes, and one sister, Mrs. Aaron Stitzer, of Rochester, N. Y. The family are quarantined and miss the loving mother. They have the sympathy of the community.

Mr. and Mrs. William Rokey were visitors of Mrs. A. N. Finkle over Sunday.

Mr. and Mrs. Robert Maybin, of Mifflin county, spent Sunday at the William Sonnes home.

Mrs. Jesse Kreamer and daughter, of Millheim, were visitors at the R. G. Kennedy home on Sunday.

C. P. Long is having a pipeless furnace put in his store room.

Quite a number are sick with colds and sore throat.

REBERSBURG.

Mrs. Harry Bair and son Randall, of Altoona, were Sunday visitors at the William Bair home.

The entertainment in the Evangelical church Friday evening, which consisted of lantern slide pictures, etc., was well attended and appreciated.

Claud Small has found employment in the knitting mill at Millheim.

George Brechbill will leave for Pittsburgh where he will spend the winter at his father's home.

Mrs. Jerome Meyer is on the sick list.

Sidney Krumrine and wife are staying at the Adam Wolf home. Mrs. Krumrine is entirely helpless, caused by a paralytic stroke. Mr. Krumrine's health is such that it requires careful nursing, thus making it necessary for some one to take care of this elderly couple.

Clayton Weaver's sale on Saturday near Wolfs Store, of live stock and farming implements, was well attended. Mr. Weaver will move to this place into the new dwelling house which he built his summer.

Farmer J. D. Houser installed a radio in his home one day last week.

John Houser and his new bride, of Wolfs Chapel, spent the past week at the home of his father in this place.

The Rev. Warberton was luck enough the other day to shoot a wild turkey.

John Walte and family, of Wilkes-Barre, were over-night visitors at the home of his sister, Mrs. Carrie Beck.

Neglect the Best Dairy Feed.

Of the estimated sixty-odd millions of acres in tame hay this year, only a little over ten million acres are in alfalfa, although alfalfa will produce twice as much or more per acre than any other crop. While it takes a little more effort to grow alfalfa its requirements are not impossible, and only where some other legume can be grown with extreme ease and made to produce large yields is the omission of alfalfa from the crop scheme on the dairy farm justifiable.

Average farm prices per ton shows that alfalfa generally brings more than either clover, prairie hay or timothy and possesses a much greater value for dairycows. In spite of this and other advantages, however, many farmers have failed to take advantage of the possibilities of alfalfa.

The State Highway Department has advised division and district engineers and maintenance superintendents to dismiss truck drivers who exceed the speed limit of 24 and 26 miles an hour for the classes of vehicles used in their work. If this is done a lot of drivers now operating State Highway trucks will be looking for new jobs. State trucks, as well as all other heavy trucks, ought to be obliged to keep their place—the right—on the highways.

ALTOONA BOOSTER DOLLAR DAY NEXT WEDNESDAY

Altoona Booster Stores are going to stage another Big Bargain Dollar Day next week—Wednesday, November 13. The crowds of visitors attending these great sale events are becoming greater with each succeeding one, and Booster stores are taxed to their capacity to handle all customers. Special sales people have been engaged, however, for next Wednesday a big event, and your needs can be quickly supplied. But—COME EARLY!

Right at the beginning of the Christmas season thousands of articles suitable for gifts will be offered for the popular price of a dollar. There are good movies in town next week. See the Strand. Good places to eat and Community Rest Rooms on 15th Street near 11th Avenue have been established for visitors' comfort, and nothing is for sale. Join the thrifty throngs next Wednesday in Altoona.

Booster Stores' Dollar Day. Be sure to buy of Booster Members. This guarantees your purchase and the name of the Association is your protection. adv.

Walk between the white lines, children, please. It is safer there.

MILLHEIM.

(From the Journal.) Mrs. J. S. Gramley, of Coldwater, Michigan, has arrived in Millheim for a short visit with home friends.

Byron Musser, a clerk in the P. R. R. freight station at Sunbury, is enjoying a vacation in this, the home town. He is spending most of his time in the woods in quest of pheasants.

Mrs. J. L. Winegardner went to Williamsport to visit her brother-in-law and sister, Mr. and Mrs. Milton Barber, and Mr. Winegardner motored over on Sunday and brought her home.

Mr. and Mrs. Wm. P. Alexander, of Harrisburg, and Mr. and Mrs. Wm. Alexander, Jr., and two sons, Samuel and William, of Carlisle, were visitors at the home of Mr. and Mrs. E. B. McMullin.

Mr. and Mrs. Paul Boone, of Scotland, S. D., were arrivals in Millheim and are guests of Mr. Boone's mother, Mrs. Bertha Boone. The trip was made in a Ford car in seven days, a distance of approximately 2200 miles.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a tonic and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and assisting Nature in restoring normal conditions. All Druggists.
