LOCAL AND PERSONAL.

There was sufficient rain fall on Sunday to fill the empty cisterns on many farms throughout the valley. Springs and rivulets, long dry, have also commenced flowing.

Local Odd Fellows expect to visit the Odd Fellows lodge at Bellefonte this (Thursday) evening, when the local degree team will put on the first degree for a class of candidates.

A Holstein bull pretty badly used up William Brown, a farm hand employed on one day last week. The animal for some unknown reason became enraged and viciously attacked the man, and before help came two ribs were broken and numerous bruises inflicted.

Two car loads of potatoes were shipped last week, a part of the crop produced by Harvey H. Decker, tenant on the W. F. Colyer farm, east of Centre Hall. The tubers were shipped in sacks containing 150 pounds each. A large per cent of the 4,000 bushel crop was held during the winter in the farm barn and cellar, and the loss from freezing was very slight.

February court opens Monday morning with Judge Frank E. Reader, of Beaver county, presiding. During the second week of court, Judge Miles I. Potter, of the Union-Snyder judicial district, will sit to hear cases. A large number of cases, both criminal and civil, are booked to be heard. This is due largely to the fact that the term of regular court to have been held in December was dispensed with.

Pinchot declares the present legislature must spend \$136,000,000, while the anti-Pinchots would be satisfied with \$124,000,000, a queer state of affairs among Republican politicians. That man Fall, if consulted, might be able to offer a solution.

For Wilson Day.

Woodrow Wilson's birthday, December 28, would be set aside as a national holiday under a joint resolution offered by Senator Neely, Democrat, West Virginia. It was referred to the Judiciary Committee.

JOHN P. HARRIS

Bellefonte Banker for Sixty-three Years, Died Sunday Evening, at Ninety-three Years.

John P. Harris, one of Bellefonte's oldest citizens, died at his home at 5:30 o'clock Sunday evening after a short illness. He was in his ninety-third year and his death was due to a general breakdown incident to his advanced age.

On January 1, 1919, Mr. Harris retired after sixty-three years in the banking business. He was one of the organizers of the Bellefonte Trust company and for many years was cashier of that institution. He was a member of the borough school board for thirty-nine years.

Through his business connections and his activity as a public-spirited citizen Mr. Harris made himself one of Bellefonte's most valued men.

He retained his faculties up until the time of his brief illness which caused his death, and was able to be about town daily. He was an active member of the Presbyterian church.

Surviving him are two sons, J. Lynn Harris, of Lock Haven, and John P., Jr., of Newton Hamilton, and two daughters, Mrs. Frank Warfield and Mrs. Edith Schad, both of Bellefonte. Another son, Scott Harris, died several weeks ago at Pittsburgh, where he was a newspaperman.

DEATHS.

NEVELL.—Mrs. Emanuel Nevell, aged 65 years, died at her home at Edward, near Watsonstown. She was a sister of Mrs. John Bedyon, of Burnham, and Samuel Klinefelter, of Tusseyville, who attended the funeral on Sunday.

BENNER.—June Elizabeth, little daughter of Mr. and Mrs. W. M. Benner, of near Madisonburg, died at the age of 8 months and 6 days.

The child fell out of bed about a week before, breaking her collar bone and suffering injuries which caused her death. Besides the bereaved parents she is survived by several brothers and sisters.

BURD.—Mrs. Catharine Burd, relict of Dr. E. J. Burd, died at the home of her sister, Mrs. H. H. Royer, at Rebersburg, following a three-week illness of Bright's disease, aged 55 years, 5 months and 27 days.

Mrs. Burd, whose husband died 25 years ago at Snow Shoe, was a daughter of Thaddeus and Mary Stover, and since her husband's death lived with her mother until the death of the latter several years ago. Since then she made her home with Mr. and Mrs. Royer. She was a consistent member of the Rebersburg Lutheran church. Surviving her are two sisters, Mrs. H. H. Royer, of Rebersburg, and Mrs. Carrie Detwiler, of Smulton. Funeral services were conducted by Rev. Tyson; interment at Rebersburg.

LEITZELL.—James Leitzell, a former resident of Gregg township, died at his home in Union county, aged 69 years, 3 months and 10 days.

He is survived by his wife and two sons—Samuel and Paul, both of Chicago, Ill.; also the following brothers and sisters: Samuel and George, of Chicago; Mrs. Alda Craig and Mrs. Ella Babe, of Jersey Shore; Mrs. C. C. Bartges, of Spring Mills, and Mrs. Harrison Dukeman, of Clearfield.

Funeral services were held in the M. E. church at Millinburg, Rev. Stevens officiating. Interment was made in the Millinburg cemetery.

Valentine Party.

A Valentine party was given at the E. T. Jordan home, Tusseyville, on Friday evening, by Floyd Jordan, their son, who is teacher of Potters Mills Grammar school for the benefit of his pupils. A very enjoyable evening was spent. Games were played, music was furnished by John Bitner and Edward Foust, of Potters Mills, accompanied by Floyd and Emily Jordan.

Refreshments were served, such as sandwiches, pickles, cake, ice cream and candy. At a very late hour "Loose" was again bridled and the carriage took its departure. All declared they had an enjoyable time.

Motor Car for L. & T.

Railroad officials are said to have given out the information that on or about April 25, a motor car will supplant the morning train east and the evening train west of the Lewisburg and Tyrone branch, between Sunbury and Bellefonte.

The motor car is described as one of large proportions, with sufficient engine power to trail a freight car.

The motor cars are divided into several compartments—one for passengers, one for mail and baggage, another for express. The car to be put in use here, it is stated, will have the express feature eliminated, and will carry only passengers, baggage and mail. It is presumed that but a complement of three men will be needed to operate the car—a motorman and conductor, the third to handle the baggage and mail, the same as is done on the regular trains the new car is to take the place of.

The time for the beginning of the innovation is the time for the change of time schedules, but it is thought the motor car will operate on the old time schedule, yet one would think the time between the termini might be shortened.

Sign for 1925-26 Lyceum Course.

At the close of the last lyceum number, in Grange hall, last Wednesday evening, 111 pledges were received on a course for the 1925-26 season. A contract has already been entered into with the Antrim bureau for a better course than the one just ended. Prof. W. O. Heckman and his High school students, are sponsoring the movement, and a clause is attached to the new agreement whereby it becomes null and void if Mr. Heckman should decide to sever his connections with the High school teaching staff.

Financially the course just completed netted no gain to the High school. After all bills are paid, there will be practically no balance.

\$9,089,540 Gasoline Tax.

Gasoline tax collection for the last year showed that users of gasoline sold at retail in the State paid the Commonwealth \$9,089,540 at the two-cent tax rate. The counties received \$2,272,385 for road work, or one-fourth of the total collected. The tax represented the consumption of 42,447,702.100 gallons of gasoline.

In the last six months of the year \$5,147,859 was collected, of which \$791,702 came from Philadelphia. In addition \$70,979.69 was collected in the last six months as delinquent tax under the old one-cent rate.

May Abolish Speed Traps.

Many changes in the motor vehicle laws are being considered by state highway officials and organizations interested in highway legislation.

Amendments to the laws probably will be introduced in the general assembly soon. They include elimination of speed traps by placing the speed regulation under control of the state department, increasing the minimum and lessening the maximum speed limit, establishing through boulevard traffic, and transfer of the motor patrol to the state police as the motor traffic division.
