Keep the Mud Out

Little feet—and big ones, too—have a habit of forgetting the doormat.

The housewife appreciates the trimness and handiness of concrete sidewalks and also clothes poles connected by concrete paths. These and stationary tubs of concrete are a big help on washday.

The little jobs that mean so much in convenience are small in cost, for through the development of the rotary kiln, Atlas Portland Cement is actually cheaper today than it was thirty years ago.

A Few Little Smiles

HOLE IN THE FENCE

"You say," said the defending counsel, "that the fence is 14 feet high, and that you were standing on a ladder or anything?"

"I do," answered the witness. "Then," replied counsel triumphantly, "perhaps you can explain how you, a man of five feet four, could see over a fence 14 feet high, and watch the prisoner's action?"

"There's a bit of a hole in the fence," was the calm reply.

Perfectly Honest

A taxi-driver applied for a job. "Are you honest?" they asked him. "Oh, yes; quite."

"Perfectly honest?" "Perfectly."

"Suppose you found a pocketbook containing negotiable securities worth \$100,000 in your taxicab, what would you do?"

"Do?" said the taxicab driver. "I'd do nothing. I'd live on my income."

Cheap Clothing

"It must cost less to clothe a woman than it used to," suggested the bachelor.

"How do you dope that out?" demanded the married man.

"Well," explained the bachelor, "there was a time when a woman would put everything she had on her back and now she puts nothing on it but a little powder."

Thousands Have Kidney Trouble and Never Suspect It

Applicants for Insurance Often Rejected

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease. Dr. Kilmer's Swamp-Root is on sale at all drug stores in bottles of two sizes, medium and large. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention this paper.
