EVANGELICAL, SPRING MILLS

(Rev. E. E. Haney, Pastor.)

LOCAL AND PERSONAL.

Mr. and Mrs. Harvey Sayre, of West Windfield, Butler county, were guests of Mrs. Alice Durst, this week. Mr. Sayre was formerly a resident of Bellefonte.

Centre Hall and Boalsburg ball teams are scheduled to play on Grange ark this (Thursday) evening, at six o'clock. A game is also scheduled with another team for Saturday afternoon.

Mrs. Annie Homan, of Centre Hall, offers her farm for sale in this issue. This farm is often referred to as the farm without a stone on its 127 acres. Mrs. Homan feels the burden of looking after the farm too onerous, and after due deliberation has decided to dispose of it. There are already a number of prospective purchasers.

Two weeks ago on Monday Foster V. Jodon was seriously injured by having his clothing caught in the revolving parts of a hay baler he was operating, and when released was thought to be dead. Today he is able to be about the place and do "tinkering" on the farm, although suffering more or less from the numerous cuts and bruises.

Mr. and Mrs. Ralph E. Dinges motored to Altoona, Friday, where they visited Mrs. Dinges' brother, William Musser, and sister, Miss Gertrude Musser. On Saturday, Mr. Dinges found his way to the big race track out from Altoona where the 250-mile auto speed classic was run, and there "ran into" a number of his friends from Centre Hall.

Invitations have been issued for the marriage of Miss Mildred Irene Shultz and Floyd Theodore Delbert, which will take place June 24th, in the Evangelical church at Lehigh, Carbon county, the home of both the bride and bridegroom. The bride is a daughter of Rev. and Mrs. Ward K. Shultz, Mrs. Shultz being a sister of Miss Tillie P. Keller, of Centre Hall.

An electric storm in passing over Nippenose Valley did much damage, Monday afternoon. A barn belonging to Mrs. George Shuler was struck by lightning and burned. Many fruit trees in various sections of the valley were blown over and much damage was done to crops. Considerable damage was also done by a storm at the same time in the rural districts about Lock Haven.

FOR SALE—A 1 1/2 horse-power water motor in good condition, is offered for sale. Motor was in use in Reporter office until electric motor was installed. Apply at this office.

DEATHS.

BREON.—John H. Breon died Tuesday night from the effects of a paralytic stroke received Sunday afternoon, which left him entirely helpless and unable to speak. Fourteen months previous he was stricken with paralysis but after suffering for a long time recovered to a large extent, but never again acquired the use of one of his lower limbs. His condition just previous to his death was thought to have been very favorable, and on Friday without any prearrangement he had the pleasure of having with him all of his children, except two—George E. and Edgar E.

The funeral will take place Saturday afternoon, 2:00 o'clock; interment at Centre Hall. Rev. C. E. Hazen, of the Methodist church, will officiate. Mr. Breon was born in Gregg township, but lived the greater part of his life in Spring township in the vicinity of Axe Mann. He was aged 75 years, 9 months and 16 days. He was engaged in farming until moving to Centre Hall seven years ago. His widow, who before marriage was Miss Mary Sheekler, survives him, as do also nine children, namely: Jane, wife of J. W. Benner, Bellefonte; William, Irwin; Annie, wife of J. Cloyd Brooks, Centre Hall; George E., Reading; Sarah, wife of John Brooks, Barberton, Ohio; Edgar E., St. Paul, Minn.; Helen, wife of Lynn Platt, State College; Margaret, wife of Marion Keyser, Cuyahoga, Ohio.

SHAFFER.—Mrs. Blanche Shaffer, wife of Ira Shaffer, died at her home at Tylersville, following a few hours' illness with dropsy and heart trouble. She was 37 years of age, and is survived by her father, Adam Shaffer, residing at the home of George Shultz, in Nittany Valley, her husband and 11 children, the youngest being only three weeks old. Funeral services were conducted at the Tylersville Lutheran church.

STAMM.—Mrs. Mary T. Stamm, who was recently removed from her home at Lewisburg to the Geisinger Memorial Hospital at Danville, died in that institution of chronic endocarditis. She was 66 years old and had been ailing for a long time. The deceased was born December 7, 1859. She was formerly a resident of Northumberland. She is survived by her husband and one daughter, Mrs. Henry Erdley, of Spring Mills. The funeral services were held at her home; interment in the Lewisburg cemetery.

LOCAL AND PERSONAL

Mrs. Abraham Lukenbaugh, of Lewistown, is visiting her sister, Mrs. Eliza Meyer, in Centre Hall.

Mr. and Mrs. A. H. Spayd and Mr. and Mrs. Roy Dutrow and baby returned Tuesday evening from their motor trip to Ohio, which extended over a period of two weeks.

Two Centre county girls—Miss Minnie Bechdel, of Blanchard, and Miss Margaret Confer, of Howard—were among a class of four graduating last week from the Lock Haven Hospital Training school.

The Elks are entertaining the kiddies on Hecla Park today (Thursday). The annual event is being enjoyed by many children throughout Penn's Valley as well as from Bellefonte and other points on the north side of the county.

The Elizabeth Runkle property bought by Max Herr some time ago, has been very much improved and is now a credit to its section of town. A new porch has been erected to the front and the whole structure painted. It looks as though Max might go to Elkton or somewhere where the same class of ceremony may be performed.

Austin Stiles and Miss Pauline Finchbaugh, both of Dallastown, the former a theological student at Gettysburg seminary and the latter a graduate of Penn. State, class of 1925, and one to achieve first honors in her class, for a few days this week were guests of Rev. and Mrs. S. F. Greenhoe at the Lutheran parsonage. The young people are former parishioners of Rev. Greenhoe.

In the construction of the State road over Nittany Mountains, the big fill on the south slope of the mountain has been completed, and the shovel is now removing portions of the bank farther up the mountain to widen the road. A second shovel came a week ago, and Tuesday the unloading of it began. The shovel and cab in were dismantled and the handling of it without hoisting devices was a difficult matter.

Mr. and Mrs. Robert D. Schlegel and daughter, Miss Edith W., and the latter's fiancée, Austin M. Schaeffer, and Mrs. George Knoll, all of Fleetwood, Berks county, were an auto party who came to Centre Hall the latter part of last week and remained until Tuesday with Rev. and Mrs. Delas R. Keener. Mr. and Mrs. Schlegel are the parents of Mrs. Keener. Mr. Schaeffer is a high school teacher. While in this section they attended some of the exercises incident to commencement at Penn State and visited other places of interest.

MILK SALE BROUGHT UNDER SUPERVISION

New Law Effective in August Aimed at Crookedness on Part of Buyers from Producers.

The new milk sales law which goes into effect August 4, 1925, places the sale of milk by producers throughout the State under the supervision of the Pennsylvania Department of Agriculture. This law was passed in order to insure producers who sell milk and cream that these products are weighed correctly, that the sample for butterfat test is taken properly and finally that the test is accurately reported. This law will effect at least 4,000 milk dealers in the State. All milk stations, cheese factories, creameries, condenseries or persons receiving and paying for milk or cream must take out a permit at \$5.00, the revenue from such fees and permits to be used by the Department of Agriculture to see that producers are protected.

The law provides that milk weighers, samplers and testers must be examined by the Pennsylvania State College and certified to by the Department of Agriculture before a license is issued.

These regulations will put an end to abuses which have existed in the past in the weighing and testing of milk and cream. State officials assert. Such abuses were due either to carelessness, ignorance of testers or wilful crookedness on the part of buyers. Producers in the past have been beaten due to all three causes. A severe penalty is provided by law for the under-reading, over-reading or other manipulation of the butterfat test.

MARRIAGE LICENSES.

C. C. League Baseball Scores.

Games played in the Centre County Baseball League during the past week resulted as follows:
 Thursday—Hecla Park, 7; State College, 2; Bellefonte, 2; Millheim, 9.
 Saturday—Millheim, 8; Hecla Park, 2.

Tuesday (twilight game)—Bellefonte, 2; State College, 1.
 Bellefonte leads the league with a clean record of victories since the opening of the league on Memorial day.

BOALSBURG.

Mr. and Mrs. Charles Corl and Mrs. Jane Cose spent Monday at State College helping Mrs. Cose's daughter move into their home which they recently bought.

Sunday morning Rev. Meyer took a class of eleven into the Reformed church by confirmation, and at the same service a new hymn board was presented to the church by the class. Sunday evening the Lutheran S. S. rendered their Children's day service. The church was nicely decorated with flowers, and the music and exercises well rendered.

Mrs. Jennie Fortney and her daughter, Benlah, entertained Mrs. Fortney's brother and family, Mr. Danley, of Ohio, on Sunday, to dinner.

Mr. and Mrs. John Derner and son Paul visited Mrs. Derner's sister and family at Meyerstown, leaving home Friday morning and returning Monday evening. On Sunday afternoon they visited at the Bethany Orphan's home at Womelsburg.

On Wednesday, morning S. E. Weber and sister Anna, and Miss Anne Lehn, together with George E. Meyer and wife, motored to Huntingdon and took dinner at the Peter Weber home. In the afternoon they went to Altoona and had supper with W. E. Gettitz and family, driving home in the evening.

On Sunday evening the Reformed Sunday-school will have their Children's day service, beginning at 7:45. The service will consist of music, recitations, and exercises. All are invited to the service.

Alvie Reitz, son of Mr. and Mrs. Samuel Reitz, suffered an attack of appendicitis on Sunday; at this time he is much improved.

After spending two weeks at Washington, D. C., with their daughter and her husband, Mr. and Mrs. Alvin Ketchum, Edward Lucas, wife and two children returned home Saturday evening.

When Eggs Grow Fewer Cull the Laying Flock. Says County Agent.

When egg production falls cull the flock. If it drops below 50 per cent. the laying flock should be culled regularly once a month. All birds which show the characteristics of non-producers should be removed from the laying pen.

The characteristics are: pale, dry, shriveled comb, covered with whitish scale; dry puckered, and yellow vent; yellow pigment in beak and bill, or yellow returning; molting over neck and body, also wing molt; shallow body; pelvic bones one finger width apart, and hard dry skin.

Birds which show the following characteristics typical of good producers should be retained: red, full soft combs; large white moist vent; pale beaks; not molting; deep body conformation; pelvic spread two to three fingers apart, and soft pliable skin.

If these suggestions are followed these percentages of the flock will be culled out: 6 per cent. in June; 9 per cent. in July; 11 per cent. in August; 15 per cent. in September and 16 per cent. in October.

The public soon forgets unless you remind it—advertise!

NIEMAN'S

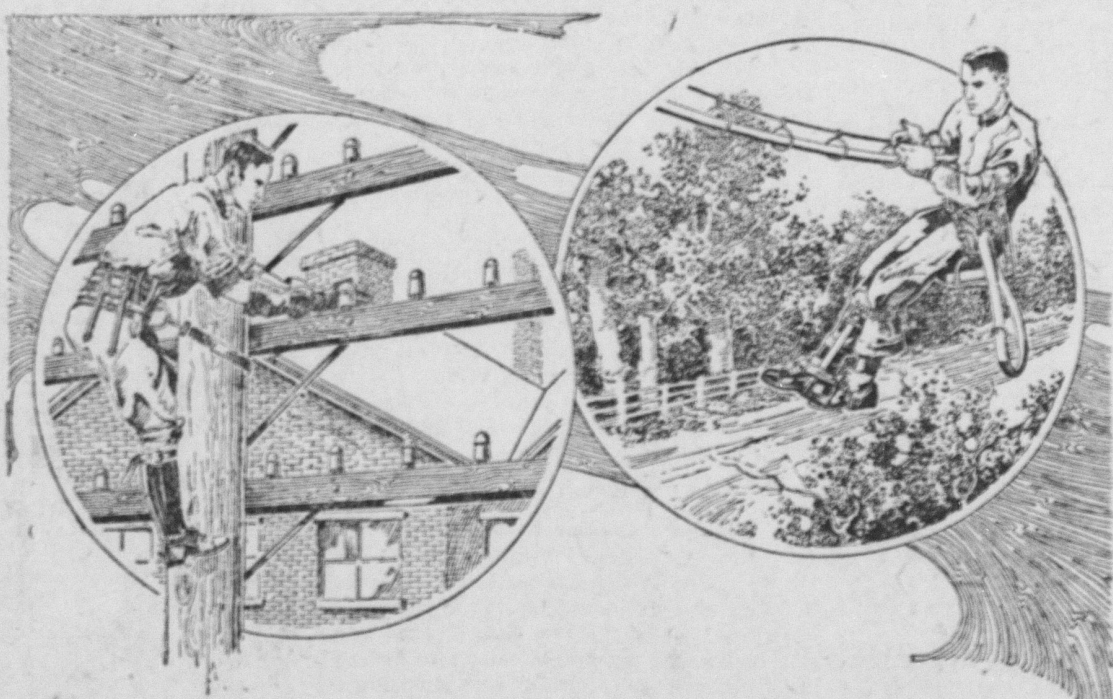

Big Business Is the Result of Always Being Reliable—ALWAYS!

We have built up one of the largest retail businesses in Centre County. The people of this community have come to know that year in and year out they can depend on our Store to give them an honest dollar's worth for every dollar spent. CROSS-TOWN SERVICE, PLUS

WE ARE now operating close to a million telephones in Pennsylvania. Outside there are fifteen million.

Our Pennsylvania toll-service network totals 350,000 miles of wire—three-quarters of it in cables. Tying the cities and towns of the United States together, and with Canada and Cuba, are over five million miles of Bell System wire.

This vast telephone plant rounds out the true complement of your telephone service.

Important as is your cross-town communication, it is not all-important. Your more than fifty million toll calls over this company's lines last year, not including the more distant connections, is impressive evidence.

That this service should be kept reliable is of first importance. There are occasional storms, both winter and summer, which the best of telephone plant along the turnpikes cannot withstand. When it goes down, the whole Plant Department force goes into emergency action—by the hundreds or by the thousands, as need be. And their record is one of yeoman service.

Even if the trouble is north, south or west beyond our boundaries, the same force is ready. Only last winter a call for help came from the Middle West, and in twenty-four hours a battalion, with its equipment, was on the train.

All-around reliable telephone service, across the street or the State or the Nation, is the standard service of today.

THE BELL TELEPHONE COMPANY OF PENNSYLVANIA
