STATE PEN BIRDS

STEAL TWO CARS.

Dodge Roadster Belonging to Samuel On Way to Lewistown-Thrown From Hall, on the local branch, would be Hoy Taken from Delaney Barn and Ford Roadster from Frank Phillips' Garage.

The theft of two cars, one from Samuel Hoy and the other from Samuel Hoy and the other from truck of church his just forther from the church his pen birds who escaped from the Rockview institution.

The Hoy car was a Dodge roadster The theft was committed the night Private before the Fourth. The next heard properly negotiate a right-angle turn into the barn of the farm on the hill. in McVeytown. The car was followed closely for several miles between Lewcrash came the banker looked over the wreck. The men in the car asked whether there was a garage in the given to the injured men by Major town, and after being directed to one, left ostensibly for the purpose of securing a wheel. Instead they went out the main road for about a mile, ately placed on the operating table entered a garage and brought out a and everything possible attempted to Buick-Six. The man and his wife who save his life. owned the Buick heard a commotion about the place and saw the strangers push the car along the house, but supposed it was someone who had had affection and esteem of his comrades engine trouble. Later the man grew suspicious and upon investigating found he had watched the men make a getaway with his own car.

Previous to getting the Buick, Ford had been run out of a garage, but since it only had a bit of gas in the tank it was not thought a good proposition and was let stand.

It was Monday night, the 6th inst. that the Ford roadster was taken from the Phillips garage at Potters Mills. Three canes were left at the garage, indicating that there were at least three men in the mix. The canes were such as are cut by persons traveling through wooded sections.

On Sunday night previous to this incident, five prisoners had escaped Immediately after the services in the from Rockview, and it is presumed barracks the body was borne on the that either three, or perhaps all of same truck which had been through them, hid in the Seven Mountains un the accident, escorted by a firing til after midnight and then came out squad from the troop. Immediately to find some speedy way of traveling. The Ford had a box on the rear which as led with empty saddle and crossel would have accommodated the group stirrups. A large number of people of five.

The escaped prisoners are as fol-
