LOCAL AND PERSONAL

Mrs. Clarence Helm and children, of Harrisburg, are guests of Mr. and Mrs. W. F. Colyer, in Centre Hall. On their return home they will take with them Eugene and Russell Colyer for a week's stay in the capital city.

Mr. and Mrs. John Eckenrod, of Greensburg, are guests of Mr. and Mrs. William Garis, in Centre Hall. Mrs. Eckenrod just left the hospital and came here to recover her health. Mr. Eckenrod is a city mail carrier and is on his annual vacation.

Tuesday afternoon two prisoners at Rockview pen cut through the wire enclosure, hopped into a coupe belonging to one of the pen guards and beat it, succeeding in getting two hours lead on pursuers. In the coupe was a rifle and a ready supply of ammunition.

The freight train going west on Tuesday evening was too long and heavy to be handled at the Oak Hill and Lemont stations while shifting was being done, so the train was taken on to Dale Summit and the engine was run back to the stations to shift and haul out the loaded cars.

Prof. Hugh Brown, of Urbana, Illinois, was a guest of Mr. and Mrs. Harry W. Potter, in Centre Hall, last week. He is a relative of Mr. Potter, and also visited relatives in Mifflin and Clinton counties. Prof. Brown is connected with the University of Illinois, in the electrical engineering department. Miss Esther Neldigh, of State College, is now a guest of Mr. and Mrs. Potter, having come here on Tuesday.

The case of James E. Frohm versus former Merchant C. M. Smith, of Millheim, is being heard before Squire Woodring, in Bellefonte. The case was first heard more than a month ago, and was continued until Monday of this week. At that time the hearing was postponed until Wednesday morning of this week. Mr. Frohm charges that Mr. Smith signed his (Frohm's) name to a check without permission.

GRANGE LEADERSHIP CONFERENCE AT CENTRE HALL

Will Be Held on Grange Park, Opening August 18—Men and Women of National Prominence Coming.

The Grange Leadership Conference, which will open on Grange Park, Tuesday, August 18, under the auspices of Penna. State Grange, promises to be a big affair. State leaders and officials of the Grange, realizing the importance of the work done last year, have spared no effort to assure its success and are bringing men and women of national fame as leaders and lecturers to the conference, and each day—Tuesday, Wednesday, Thursday and Friday—a rich intellectual feast will be offered. The National Master, L. J. Taber, of Ohio; Charles Gardner, of Mass.; Harry Caton, of Ohio, whom every reader of the Stockman knows; Dora Stockman, of Michigan, and many others. In addition, the entire list of State Grange officials will be present. Already 75 students, representatives from Granges over the State, have registered, and will camp during the conference, on Grange Park. The lectures will be in the auditorium and free to all.

Swabb-Thompson.

A very pretty wedding was solemnized at the home of Mr. and Mrs. W. R. Thompson, at Sharon, when their daughter, Miss Stella Adaline, became the bride of Joseph J. B. Swabb, son of J. B. Swabb, Sr., of Spring Mills, August 1st, at 12:00. The bride's pastor of the Presbyterian church performed the ceremony. The bride was attired in beautiful crepe de chine dress, carrying a large bouquet of pink and white roses. The bride's brother, Francis, was best man while his wife was bridesmaid. The young couple started immediately for the groom's home at Spring Mills, returned to Sharon the next day where they began housekeeping. Mr. Swabb, after taking a course at Penn State college, has been connected with the State department in testing cows for advanced registry.

Pomona Grange Meeting.

The meeting of Centre County Pomona Grange, held at Rebersburg, on Saturday, was of unusual interest both in attendance from neighboring Granges and work accomplished. The members went on record as opposed to Sunday baseball in Centre county. An additional member was added to the Encampment committee in the person of G. W. Raiston, of Centre Hall.

MARRIAGE LICENSES.

Joseph W. Behers, Bellefonte
Verna E. Shank, Bellefonte
H. C. McElwain, Marenzo
Mildred Guthridge, Lewistown
W. Fred Tice, Unionville
Emily R. Hall, Unionville
Samuel D. Watts, Port Matilda
Ethel E. Wark, Port Matilda
Frederick Doerfer, Pittsburgh
Ada Athalia Ward, Pine Grove Mills

Uniform Speed Limit Urged.

A uniform speed limit, which every section of the country will be asked to adopt, was decided upon at Atlantic City a few days ago by the committee on uniformity of laws of the National Conference on Street and Highway Safety. The speed limits decided upon are: 35 miles an hour in the open country, 20 miles an hour in residence districts, 15 miles an hour in business districts, 10 miles an hour in passing schools and crossing railroad intersections, 4 miles an hour crossing sidewalks to or from alleys or private driveways. This committee and two others in conference are formulating standard traffic laws and regulations with special view to eliminate the rapidly increasing number of automobile accidents. The work is under the direction of Secretary Hoover.

Superintendents Will Meet.

Plans are rapidly being completed by the summer session authorities for the annual conference of county and district superintendents and supervising principals which will be held at State College on the 11th, 12th and 13th of August.

City, district and county superintendents, together with their assistants, and supervising principals from all parts of the state have been invited to Penn State to discuss the problems confronting the superintendent. Representatives of the State Department of Public Instruction and other authorities will be present to speak and conduct discussions on current school problems. Interpretations of recent legislation, new rulings and plans of the department, and the training and supervision of teachers in service will be among the matters considered. One program at least will be given over to a combined meeting of the vocational educational conference group and the superintendents' conference group.

SUNDAY-SCHOOL RALLY AT CAMP KANASSETAKE

Sunday-Schools in Centre County Invited to Visit Tri-County Camp on Sunday.

Arrangements have been made to have a rally of the Sunday Schools of Centre county at the camp at Spruce Creek, on Sunday afternoon, August 9. A cordial invitation is extended by the County Association to all the schools to be largely represented. We want everybody to see the Camp and realize the work that is being done. As one of the three counties vitally interested in the Camp we should be familiar with its workings and largely responsible for its future. There is no greater service than this in our Christian work.

It is hoped that the visitors will come early. There will be a brief program. Basket lunches should be brought along and it should be made a pleasant and profitable occasion. Don't forget the date, August 9, in the afternoon. To reach the camp go by way of Seven Stars to left through Franklinville to white bridge, then turn left. HARRY A. ROSSMAN.

BOALSBURG.

The civic club meets on Friday evening at the home of Mrs. Kimpfort. The I. O. O. F. building is being repainted the work being done by Weber & Porter of State College.

The Boalsburg garage is installing a gasoline pump on the curb. The town is well supplied with gas stations.

The School Board found that at the end of the school year their funds were not enough to meet all expenses, and therefore raised the millage this year to 18 mills and \$5.00 per capita tax.

On Sunday, Shelly Peters and family, of Kansas City, Mo., spent the day in town. Mr. Peters was a boy in this community and went to Missouri when yet a boy. He has two girls that are school teachers and are attending the summer sessions at State.

C. W. Corl and wife, and H. M. Hosterman and wife motored to Williamsport Saturday and returned home on Sunday evening. On their way down they stopped and took dinner with Mr. and Mrs. George Hosterman, at Milton. While in Williamsport they visited at the M. E. Kuhn home.

On Sunday afternoon there will be a rally of the Sunday Schools of Centre county at the S. S. camp Kanasetake, near Spruce Creek. There will be a brief program. Take a basket lunch along and stay and enjoy eating supper there. If you have not seen the camp, do not miss going at this time. Mr. and Mrs. Irvin Johnson motored in from Pittsburgh last Thursday to Mrs. Johnson's mother, Mrs. D. Woods, and on their way they stopped at Berry and brought Mrs. James Bryson and daughter Helen along. The Johnsons returned home Sunday and on Monday Prof. Bryson came in a car and after a short stay here the family will motor to Watsonstown to visit Prof. Bryson's mother.

TUSSEYVILLE.

The traffic on the state road through here has been greatly increased since it is so difficult to cross Nittany Mt.

New gasoline lighting fixtures have recently been installed in the Union and Evangelical churches here.

Mr. and Mrs. William Rockey and little daughter, of Altoona, spent the week-end with Mr. Rockey's parents, Mr. and Mrs. W. F. Rockey.

Mrs. Ralph Trezler and son Stanley were taken to the Centre County hospital last week where they are being treated for typhoid fever.

Mrs. Annie Kinsinger, who had been spending a few months as a nurse at the Van Jodon home at Bellefonte, returned home recently.

Greely Jordan, of this place, and George Jordan, of Colyer, returned Monday from Pottsville where they had been spending a little time among the members of the Pottsville hunting crew.

Mrs. Rebecca Wolfe and sons Robert and James of Juniata, and Miss Anna Dunkle, of Punksutawney, are spending some time with their aunt and uncle, Miss Anna and J. B. Fortney.

Card of Thanks.

The I. A. Sweetwood family takes this means to extend their thanks for sympathy and kindness shown in their late bereavement.

Three wells were completed in the vicinity of Axemann by Edward Riter and A. P. Krape, who are operating the drilling outfit of Wayne Snyder, of Lewistown. The first well was drilled on the Frank Donovan farm, depth 275 feet; the second for Harvey Hoy, where water was found at a depth of 160 feet. The last well was drilled for Manna Kline, where at the depth of 133 feet water in sufficient quantity was found.

August appears to be warming up a bit. The weather throughout July was unusually cool.
