## IT TAKES STEPS TO GET ACROSS

If you wish to go across the street it takes the FIRST step to start and the last step to get you there. But the steps in be-

tween are just as important. No one should det their bank account become dormant, Every one should have a definite plan for accumultating money, and just as regularly as the days, weeks or months roll around, should come in and make their deposits.

The savings habit once formed is the easiest habit to follow; because as the balance to your credit increases, you will realize the benefit of having money in the bank take delight in seeing the amount you have on deposit grow.

IT was a surprise party for Annabel. Two of her girl friends "organized" it the day before her birthday.

Annabel enjoyed it, but she was a bit disappointed because Norman wasn't there.

She couldn't imagine why he had not been invited—until one of the girls told her they could not get in touch with him because he had no telephone.

Norman was disappointed, too.
