SPRING MILLS

William Smith, who has been suffering from pneumonia, is not improving very rapidly. Elias Ripka had an accident on Monday morning, coming to town. His car skidded on the ice and landed in Bright Blitzer's field. Mrs. H. F. Rossman has been ill for a week or more. Mrs. Sarah Guise, of Penn Hall, has gone to Centre Hall to spend the winter with her daughter, Mrs. John G. Dauberman. On account of the bad weather the entertainment given by Theresa Davault, on Thursday evening, was not attended by a large audience. The Legion boys will hold a box social in the Grange hall on Friday evening, February 5th. Bruce Meyer has taken over his father's store. He moved his restaurant into the store building.

BOALSBURG.

Saturday afternoon Nevin Meyer and family, Charles Corl and his wife, Mrs. Madie Ishler and Elizabeth Brouse motored to Bellefonte in Mr. Meyer's Hudson. The mission was to call on Frank Milward, a member of the local I. O. O. F., who is in the Centre County hospital, having undergone an operation for an abscess at the end of his spine caused by a fall some time ago. The Ladies Civic Club will meet at the home of Mrs. Hazel Meyer on Friday evening at 8 o'clock. George Fisher and Mrs. S. E. Weber, Miss Annie Weber and Miss Annie Lohr motored to Huntingdon Saturday afternoon, the Fishers to see their son Harold, who is located there, and the Webers and Miss Lohr visiting with the Peter Weber family. They returned home that evening. The Rebelehs are putting on the degree this Wednesday evening. The candidate is Miss Elizabeth Thorp of Lemont. Frank Roberts, who had taken pneumonia at the hotel where he was working, was taken to the Centre County Hospital on Saturday morning. Mrs. Belle Kimpfort on Tuesday evening had a few invited friends to supper. The High school students are arranging for a roast chicken supper to be given on the 29th of this month in the Malta Temple. The price will be 50c, ice cream and cake not included with the supper, but will be on sale all evening. The D. Schultz 1926 wall paper sample books are on hand at the George E. Meyer home. You are invited to call and see them.

LEMONT.

A party was held at the home of Frank Whitehill Friday of last week, by their daughter Margaret. The evening was delightfully spent in a social way and at a late hour refreshments consisting of cake, coffee, sandwiches, and pickles were served. The following were present: Geraldine Shuey, Hulda Davis, Elizabeth Tharp, Madeline Williams, Gregg Thompson, Paul Wasson, Floyd Cole, Kenneth Mayes, Reuben Houtz, Wm. Houtz, David Reese, James Reese, Irvin Rishel, Clifford Warner, Edward Reed, John Barnes, Jr., William Mulberger, Mr. and Mrs. Harry Meyer, Mr. and Mrs. William Houtz, Mr. and Mrs. Edward Spotts, Mr. and Mrs. James Tharp, Mrs. Grant Meyer, Mrs. Dale Shuey, Frank Whitehill, Margaret, Hazel, Fred, Harold and Walter Whitehill.

FARM CALENDAR

Timely Reminders from The Pennsylvania State College

Test Garden Seed—Have you tested for germination the seed that you are planting in the hotbed? This is a safe and wise practice advised by Pennsylvania State College specialists, and will avoid the waste of space and the disappointments that come from thin planting seed of low viability. Avoid Freezing Milk—Don't let the milk and cream freeze. The creaming ability of milk is injured by freezing and it is difficult to get a good test with frozen milk. It is also difficult to accurately test cream which has been frozen. It makes poorer butter because of the partial destruction of fat globules. There is also considerable loss in weight when milk freezes due to not being able to get all of it out of the can. Order Scenery Early—Order early the trees, shrubs, vines, and perennials that you desire to plant next spring. Give the nurseryman a definite date to make shipment so that plants will arrive at the exact time when you can best care for them. When to Buy Chicks—If you have a single pure-bred breed which has been culled throughout the year so that the best egg-producing birds are left for breeders, it is advisable to hatch your own chicks. If these conditions do not exist, buying chicks from a reliable breeder or hatchery is better.

These astonishing new figures represent more than a price reduction. They represent a price sensation. At one stroke they eliminate the necessity for compromise in the purchase of a motor car. They mean that henceforth NO ONE need be forced by economy to invest in less than Dodge Brothers quality. They mean that a car world-renowned for its long life and dependability is now well within the reach of every income. They are made possible by a \$10,000,000 expansion program, vastly increasing production, and introducing the latest and most advanced efficiency processes into motor car manufacture. They apply to the finest line of motor cars Dodge Brothers have ever produced—Graceful and stylish new body lines. Rich and attractive new colors. Absolute smoothness of engine operation—with new snap, power and silence. Perfected steel body construction, affording among other things, complete vision from every angle, greater safety, greater beauty and longer car life.
