**Scenic & Moose Theatre**  
BELLEFONTE

AT THE SCENIC.  
THURSDAY, MARCH 11

"Wives at Auction"—A true story magazine picture with Gaston Glass and Edna Murphy. A story of simplicity woven with threads of ingenious technique. It depicts one of myriads of girls who, on account of another woman's unscrupulousness and selfishness, becomes the recipient of the most brutal and painful experience. Also PATHE NEWS AND REVIEWS.

FRIDAY, MARCH 12

"Kidin' the Wind"—with Fred Thompson and his wonder horse, "Silver King." Here is an other crashing big western show crammed with thrills, with heart interest and some of the most prodigious fun ever crowded on the celluloid. Also, 9th Chapter of "THE GREEN ARCHER," the big serial.

AT MOOSE TEMPLE THEATRE  
FRI. & SAT., MARCH 12 and 13

"Havoc"—with Madge Bellamy, George O'Brien, Walter McGrail and Margaret Livingstone. The background of this picture is the western front in France. The unfolding of the plot has more to do with the devastation wrought by one designing woman than with that done by shell fire and bayonet.

**More than just building materials**

Almost any lumber dealer can supply you with the building materials you need for a specific job—so many feet of lumber—bundles of shingles—pounds of nails—or even the genuine Beaver Board.

That's really a small part of the job. When you buy your materials from us you receive our building advice that has been gathered from years of actual experience. That item doesn't show on your bill but it's a mighty important one—one that will mean a saving for you.

And we have tried to buy only the very best materials for our stocks. We are sure that you will appreciate our service as much as the speedy delivery of materials. You should at least consult us before you place an order for building materials.
