Bower-Rishel.
The home of Mr. and Mrs. C. M. Bower, west of Blaine, was the scene of a pretty wedding, Friday evening, when their son, L. Miles Bower, and Miss Sara I. Rishel, daughter of Wm. F. and Mrs. Rishel, of near Centre Hall, became man and wife. The ceremony was performed by the Rev. G. W. Foulke. The attendants were Miss Jean Rishel, the bride's sister, of Centre Hall, and Ben B. Bower, the groom's brother, of Blaine.

To the strains of the wedding march from Lohengrin, beautifully rendered by Mrs. Ben B. Bower, the contracting parties presented themselves before the officiating clergyman at 7 p. m., who tied the nuptial knot. The bride was attractively dressed in a garment of Ashes of Roses and wore a corsage bouquet of sweet peas. She presented the appearance of a charming and pretty bride. The wedding supper was served at 5:30 o'clock, preceding the marriage. The guests included Mr. and Mrs. William Rishel, parents of the bride, Hon. and Mrs. C. M. Bower, parents of the groom, Mr. and Mrs. Ben B. Bower and children, Dale and Claude, Mr. and Mrs. Lynn J. McMillen and children, Carrie and Neil, Mr. and Mrs. E. L. Holman and children, Miss Jean Rishel, Miss Blaine Hagan, Miss Sarah Rhoads, the Rev. and Mrs. G. W. Foulke, Prof. and Mrs. W. C. Koons.

The bride is a graduate of State College in the course of Domestic Science, class of '25. She has taught in that capacity in the Blaine Vocational school the past year. She has been successful. She is of an admirable and pleasant disposition and has won many friends in that vicinity.

The bridegroom was born and reared in that community and is well known to be an industrious gentleman. He has followed the school teaching profession for several years and has made a success of it. He is well known all over the county and adjoining counties in baseball circles, being catcher for the Blaine League team and is at present secretary of the Perry-Juniata League.

At 8:20 o'clock, the same evening, a linen shower was tendered the bride and groom at the parsonage of the Lutheran church in Blaine, the hostesses being Mrs. Foulke and Mrs. Koons. There were seventy-five guests present. The parlors were prettily decorated for the occasion, the color scheme being pink and white.

A contest, a romance in flowers, was won by Mrs. H. W. Woods and C. B. Anderson. Advice to the bride was given by each member of the party to the amusement as well as consternation of the groom, for the advice from the better portion of the guests called for very exacting conduct on the groom's part. "How to Cook a Husband" was then read by Mrs. G. W. Foulke, and proved enlightening with its wealth of marital information. An old negro mammy was espied bearing a large basket of wash, which was presented to the bride. Upon examination this basket proved to contain many beautiful gifts for the bride.

Refreshments were then served, consisting of rolls, chicken salad, coffee, cakes, mints and cigars. A program of music and speeches followed: A talk by L. P. Rothrock and one by Prof. D. A. Kline gave pointed advice to the bridegroom. Miss Leslie Wentzel sang "Pale Moon." Remarks were made by Wm. Rishel, C. M. Bower, Mrs. L. M. Kern, and Roy N. Johnson. D. B. Stambaugh and E. R. Book sang "Then I Will Be Happy," and "Show Me the Way to Go Home."

*A Record Made
a Verdict
Rendered*

Here is a record to make you pause:

70,599 Dodge Brothers Motor Cars and Graham Brothers Trucks sold in the United States from January 2nd to April 3rd, 1926!

The greatest quarter in the company's history.

37 per cent greater than the same period last year, when 51,318 units were sold.

This record was a foregone conclusion. Since the first of the year demand increased week by week. Each period showed greater sales than the one preceding and greater than the same period of 1925.

During the last week recorded, ending April 3rd, 9104 units were sold, against 6530 for the best week last year—a gain of 39 per cent.

Sales figures are an index to the buyer's preference.

Buyer's preference, these days, springs from clean-cut convictions on quality and comparative worth, penny for penny.

Although the peak of the selling season has not yet been reached, the verdict has already been rendered.

POWER

IF THERE IS A CAR of any make, at any list price, a standard model of which can outclimb a standard model STAR, we want to stage a hill-climbing contest, to determine the relative power of the two cars. Maybe one of us is mistaken, but until we have proof of the contrary we will continue to claim for the STAR car SUPREMACY IN CLIMBING HILLS. The same leadership power that makes our car the star hill-climber also yields superior ability to pull through mud and sand, and to get you there and back. We will gladly demonstrate the powerful STAR to any interested prospective buyer.
