"HONESTY THE BEST POLICY"

With Pauline Starke and Johnnie Walker. Pauline Starke has found a new avenue for release of her spirit of adventure. The girl who made herself first while she was playing leads in the thrilling picture "Tom Mix in the Best Policy." Fox films new sensational crook drama.

Hanging onto the cable of an elevator to elude the police, invading a masked ball in a mansion of fashion, in the disguise of a pirate to steal a diamond necklace, shooting one of the maskers, escaping in a speedy roadster and dashing about hairpin turns on desert and mountain roads, mark the opening scenes of this film, which, you'll admit, is a bit exciting.

Also, a Mack Sennet first run two-reel Comedy, "A Love Sundae."

DAILY, Niagara Falls delivers hundreds of thousands of horsepower to nearby plants. Yet this is but a small fraction of the enormous reserve power of this giant cataract. Star Cars, like Niagara, have great power in reserve. They mount with ease, hills so steep, as to force most cars to crawl up in reduced gear.

That's one reason why Star owners love to drive.
