DEATHS

STEPHENS.—James C. Stephens passed away on Saturday night at the home of his daughter, Mrs. T. L. Smith, in Centre Hall, where he was cared for since May. He had been an invalid for twenty-five years, suffering from gangrene, but the immediate cause of his death was due to pneumonia. Mr. Stephens was born at Warriors Mark, a son of William and Catherine Stephens. His wife, who survives him before marriage was Miss Sarah Fulton. The family for a long time lived in State College, and it was from there the couple came to Centre Hall. He was a Civil War veteran, having been a member of Company B, 49th Regiment. He had reached his 86th year on July 14th. Beside the wife there survives the deceased three daughters: Mrs. Foster Charles, Boalsburg; Mrs. T. L. Smith, Centre Hall, and Mrs. Herbert Steffert, of Philadelphia. Interment was made on Tuesday at Pine Hall, after services had been held at the home of the daughter here, by Rev. S. F. Greenhoe, of the Lutheran church. The pastor of the State College Methodist church, of which church Mr. Stephens was a member, officiated at the grave.

McCLENANAHAN.—Jesse Ray, aged three months and three days, son of Mr. and Mrs. Jesse C. McClenahan, died at their home in Hollidaysburg, on October 3rd, of cholera infantum. The little body was taken to Millroy for interment in Woodlawn cemetery. Beside the parents there survive one sister, Mildred, and two brothers, Clifford and Stanley. Services at Millroy were held at the home of Mrs. John B. McNitt, sister of Mrs. McClenahan. Rev. Dice of the Congregational church was the officiating minister.

REEL.—Samuel Thompson Reel, respected citizen, sincere Christian gentleman, and a soldier of the Rebellion, dropped dead at the home of his daughter, Mrs. Charles F. Bateman, of Tyrone, on Monday morning of heart disease.

Mr. Reel, who for several years had been rooming at the Young Men's Christian association, had gone to make his home with the Bateman family, taking up his residence there last Saturday a week ago. Monday morning, after eating a hearty breakfast, he went to the kitchen to talk to his daughter, when he was suddenly stricken and passed into the eternal life in a few minutes.

Samuel Thompson Reel was a son of the late Mr. and Mrs. Jerry Reel, and was born at Manor Hill, Huntingdon county, January 7, 1846. Shortly afterwards the family located in Boalsburg, where Mr. Reel grew to young manhood.

When the call to volunteers was made, Samuel Reel enlisted in Company G, 148th Pennsylvania Volunteer Infantry, under the command of Captain George A. Bayard, and served faithfully until honorably discharged on June 17, 1865. Mr. Reel was painfully injured at Reams Station, Virginia, when he received gunshot wounds in his thighs, crippling him for life. He was also a prisoner of war, and suffered the pangs of hunger in southern pens. His record as a soldier of the Civil war is one that any one should feel proud to possess. He gave the best he had to his country, even to sacrificing his life. After the war, Samuel Reel was united in marriage with Mary Etta Jacobs, who preceded him to the grave in 1882. Surviving his death are three sons and daughters: William L., Ida May, Sarah J., all of Tyrone; Harry C., of Lena, Ill.; Margaret, of South Ardmore; Ella E., of Newark, New Jersey. One sister, Mrs. Jane Fortney, of Altoona, also survives.

The body was interred at Boalsburg Wednesday of last week.

HEADINGS.—Oliver Smith Headings, long a merchant and grain dealer at Millroy, died at the Geisinger Memorial hospital at Danville, where he was a medical patient for five weeks.

Mr. Headings leaves his wife whose maiden name was Miss Margaret McNitt, of Millroy, and one son, Oliver J. Headings at his parental home.

These seven brothers survive the deceased: Robert Headings, Millroy; Samuel L. Headings, near McVeytown; Dr. I. G. Headings, McAllisterville, a practicing physician; Marshall P. Headings, Mt. Union; James E. Headings, Reedsville; P. M. Headings, Lewistown, and Harry M. Headings, Reedsville.

Mrs. W. J. (Amy) McNitt, of Millroy, and Mrs. Daniel (Rhoda) Smith, of Williamsport, are the two surviving sisters of the deceased.

SHUEY.—William W. Shuey, a well-known retired farmer of State College, died at the Centre County hospital, as a result of blood poisoning, which developed in his hands several weeks ago, when he became entangled in a harrow as the team ran away. Mr. Shuey was born at Pleasant Gap and was a son of John and Mary Rockey, now deceased, and would have been 69 years of age on the 11th of this month. He was married to Ida Oeman, who died seventeen years ago. Surviving, however, are these children:—Howard, and Mrs. Merle Lyons, of Bellefonte; Irvin, Mrs. Hester Stone, and Mrs. Earl Ishler, of State College, and Philip, of the Panama Canal Zone. These brothers also survive: Jared and Ira, of Talmadge, Kansas; Henry and Daniel, of Pleasant Gap, and Harvey, of Lemont. Mr. Shuey was a member of the I. O. O. F. at State College and of the Episcopal church. Interment was made in Myer's cemetery.

The Ladies' Aid Society of the Methodist church have on sale a new supply of "Cleanse," the popular washing powder, which they have been selling for years. Any one desiring same can get it from Mrs. T. L. Moore or Mrs. T. L. Smith.

COURT NOTES

In the case of Sebring vs. Niles Brkck Co., verdict was rendered late in favor of the defendant.

The two cases of Herbert Myers Walker and Robert Myers vs. Charles N. Decker, grew out of an automobile collision in the village of Hubbersburg on the evening of August 22, 1924, where in the plaintiffs allege that the defendant came out of a side road from the left of the plaintiff who was coming west on the State Highway and hit the plaintiff's car at or near Geo. F. Moy's store. The defendant averred that while he did come out of the side road, that when he did so he was a car coming from the east some 350 feet from where he came onto the State highway and that the defendant had completed the turn and was properly on the State highway when the operator of plaintiff's automobile attempted to pass on the defendant's right instead of the left, and that the plaintiff's car hit the defendant's car and broke off his right front wheel and that the plaintiff then smashed into a tree which ruined his, the plaintiff's, automobile. The plaintiff, however, contending that the defendant had hit the plaintiff's automobile in coming out of the side road which caused the operator of plaintiff's automobile to lose control thereof and causing him to smash into the tree, whereby Robert Myers Walker, the operator of the plaintiff's automobile, was injured by his mouth striking some part of the steering wheel and his upper jaw broken in three places, and produced in Court part of the jaw containing two teeth. He was taken into a house in Hubbersburg and received first aid, after which he and his two companions were taken back to Flemington to his home. The suit of Robert Myers being for the automobile which the plaintiff claimed was a total wreck. The defendant and his witnesses contending that the accident was the fault of Mr. Walker and that he had been driving too fast and in attempting to go to the defendant's right had struck the beam of the scale in front of the store which veered him left and caused the plaintiff's automobile to strike the defendant's automobile. The defendant producing witnesses who testified that the plaintiff's automobile had first struck the defendant's automobile and that the fault was with the plaintiff, which, however, was strenuously denied by the plaintiffs and that the fault lay with the defendant. A large number of witnesses were called and examined and the case went to the jury on Friday afternoon and after the defendant had raised the legal question of contributory negligence. Verdict on Friday evening in favor of Robert Myers Walker of \$225.00 and in favor of Robert Myers for \$225.00, or a total of \$450.00.

This completed the September term of Court with the exception of forfeiting recognizances which are to be attended to on Saturday morning.

Another potato grower of note in Potter township not previously mentioned is Edward Zechy, who lives on and owns what is known as the Wagner farm, back of the McClellan farm, at Tussey Sink. Mr. Zechy planted twenty acres to potatoes last spring, but is anticipating a very light yield owing to the fact that he failed to get anything like a fair set of plants. His crops heretofore attracted attention, the yields being heavy and tubers large and clean.

The W. H. and F. Missionary Society of the Susquehanna Synod of Central Pennsylvania is in session at Hazleton and is being attended by Mrs. S. F. Greenhoe and Mrs. H. L. Ebricht, of town.

The "Phillies" of the National League defeated Phillipsburg, on Scott field, last Wednesday afternoon, by the score of 8 to 0. The Phillipsburg fans appeared nervous before the big leaguers.

Richelieu Theatre One Year Old.

On the 19th of October, last year, the Richelieu Theatre was opened to the public. Before opening they promised the public a \$100,000 theatre, with a mighty Wurlitzer organ, comfortable seats, good ventilation, lighting and heating, and the pick of the pictures at reasonable prices, and there is no doubt but what all promises were fulfilled, and as a result that theatre today is doing a wonderful business, even more than Manager Richelieu anticipated. Only week before last on Saturday, all records for attendance were again smashed, and business has again gradually built up to such a point that the Richelieu can show the pick of the pictures at prices below those of the largest cities and show the pictures even ahead of Philadelphia and Pittsburgh.

During the winter the Richelieu will install a refrigeration system whereby the temperature on the hottest summer day can be brought down to as low as 50 degrees; this will also do away with the strong air currents through the front doors, which by the old system is necessary.

County Hospital Meeting.

The annual meeting of the directors of the Centre County Hospital was held Monday evening, at which time Calvin Troup, W. J. Emerick and E. R. Owen, of Bellefonte district; J. Laird Holmes and Thomas Gravatte, of State College district, were re-elected.

The total received from the Serve Centre's Sick Fund campaign was \$71,841.06. To this is added interest, special bequests, etc., also \$5,000 borrowed, making a grand total of \$78,713.11. There was paid out on the new building, to the general fund and interest, \$78,602.22, leaving a balance of \$109.89. There is a balance due on pledges of \$19,725.95.

The board borrowed \$5,500 and has unpaid bills of \$9,000.

Unseen Sources of Long Life

The basic sources of automobile value are not always apparent to the eye.

A motor car, like a house, may LOOK a great deal more substantial than it really is.

Because of this difficulty, more and more thousands are turning to Dodge Brothers product for insurance against disappointment.

The years have proved, and each year proves anew, that Dodge Brothers are as deeply concerned with the UNSEEN goodness of their motor car as with the seen.

The mileage it will deliver, the safety it will provide, the expense and trouble it will save the owner over a period of years, are quite as important to Dodge Brothers as the more obvious details of equipment and style.

Table with 2 columns: Car Model and Price. Includes TOURING CAR, ROADSTER, COUPE, and SEDAN.

NASH Leads the World in Motor Car Value

Greatest September Sales

in Nash History

—and if it had been possible to build all the cars ordered September would have smashed all Nash records for a single month's business.

OCTOBER! At this writing it is a practical certainty that October sales and production will surpass by more than 50% the largest previous October on our books.

Announcement of new models—all powered with 7-bearing crankshaft motors, the world's smoothest type—

sent Nash demand racing toward new heights.

September clicked the 25th consecutive month and October will register the 26th—with three exceptions—that Nash sales have exceeded the record set by the same month of the previous year.

The 16 models in the three new Nash series range in price from \$865 to \$2090 f. o. b. factory.
