Attracted to Oldsmobile, perhaps by some one outstanding feature, they discover, as the months and miles roll by, an overflowing measure of all those qualities which contribute to enduring satisfaction.

A Big Statement
Our Bank is prepared to render some service to everybody. No matter who you are, we can help you if given the chance. That is a big statement, but it is true.
Some people have the mistaken idea that a bank is only for the rich people. Really, the SIZE of your bank account is not so important to us. We want your account, large or small, and know we can be of service to you. We have helped many people who had no bank account at all. In fact, helped them make a bank account.
