W. R. Hosterman announces a 20 per cent tire reduction in this issue.

William B. Wilson, former secretary of labor and recent Democratic candidate for U. S. Senator, has been ill since Armistice Day at the home of his sister, at Allport, Clearfield county.

DEATHS

RUNKLE.—Mrs. Sarah Frances Runkle, widow of the late John L. Runkle, died at the home of a son, Wilbur Runkle, near Tusseyville, Saturday morning. She was aged seventy-two years and 28 days.

Mrs. Runkle was a daughter of William Emerick, and when a girl lived with her parents in Centre Hall, where she became a member of the Lutheran church under the pastorate of Rev. J. K. Miller, in 1870. She was the last survivor of the Emerick family. The two surviving sons of the deceased are Lawrence E. Runkle, of Centre Hall, and the son previously mentioned.

Interment was made Tuesday afternoon in the Tusseyville cemetery, Rev. S. F. Greenhoe, of the Lutheran church, officiating.

MORROW.—Dr. B. R. Morrow died at his home in Oakland, California, on Friday, according to a telegram received here by his nephew, Dr. Hugh Morrow. The body will be shipped to New York City, and will be accompanied by the bereaved widow and a daughter. Dr. Morrow was a specialist and practiced in New York City for many years, retiring a few years ago and locating in California. The deceased visited his nephew here during last summer. Dr. and Mrs. Morrow expect to attend the funeral in New York.

BARGER.—Henry L. Barger, a mechanic, died Thursday of last week at his home at Moshannon. Interment was made on Sunday afternoon in the Askey cemetery, Snow Shoe. The funeral was very largely attended. There survive the deceased two children—Emory, at Dubois, and Miss Alice, who kept house for her father. A brother, Roland Barger, and sister, Mrs. Kate Culver, both of Moshannon, also survive the deceased. Mrs. Barger, was Miss Nancy Walker, a sister of William Walker, of Centre Hall, died about twelve years ago. He was aged 56 years, 3 months, 11 days.

WOLFE.—Lowell B. Wolfe, aged 23, died in the Lock Haven hospital after several months' illness of chronic appendicitis. Mr. Wolfe resided on the T. B. Briggins farm, along the Flemington road. He was a member of the Lutheran church.

Surviving are his wife, two small children and his mother, Mrs. Israel Wance, of Rebersburg.

Short funeral services were held at the home Wednesday afternoon by the Rev. W. E. Harr, after which the body was taken to Rebersburg, where services were held in the church, after which burial was made at Rebersburg.

WEBER.—Abram Weber, one of the best known citizens of Howard, died at his home Friday morning at 8:30 o'clock. He was aged seventy-four years and in May, 1921, suffered a stroke. He had been in failing health since.

Funeral services were held Monday afternoon at 2 o'clock with the Rev. J. F. Smith, pastor of the Methodist church. Interment was made in the Shenck cemetery.

Mr. Weber was born in Howard and lived there all his life. He was president of the Howard National bank, served three years as burgess, was president of the borough council six years, and was one of the organizers of the Howard National bank. He was a graduate of Iron City College at Pittsburgh.

Mr. Weber was a member of the Bellefonte lodge, No. 268, F. and A. M.; Williamsport consistory; Thirtieth Degree Masons, Jaffa Shrine of Altoona; Tick Run lodge, No. 311, I. O. O. F. and Bellefonte lodge, No. 1094, B. P. O. E.

Surviving Mr. Weber are his wife, three daughters and one son: Mrs. Clyde Long of Howard; Mrs. Paul Cheeseman, of Terre Haute; Edith and Balsar, at home; one brother, William, and one sister, Mrs. Mary Muffley, both of Howard.

Bank at McClure Robbed.
Robbers blew up the vault and interior safe of the First National bank of McClure, Snyder county, Monday night. Officials of the institution have not made a statement as to loss but declared the bank is fully protected by insurance.

The robbers worked without the use of explosives. They burned an 18-inch hole in the door, but in doing so set off a load of tear gas inside the vault. They merely waited until these fumes had been dissipated and then resumed their job. The vault door was unlocked by reaching through the hole and then swung ajar.

A hole then was burned in the steel safe of the inner vault. Approximately \$20,000 worth of securities were believed to have been taken therefrom, but the yeggs did not get about \$10,000 in money in the lower part of the safe. Their cash loot was about \$1000 from a tray on a vault shelf. However, they burned and chiseled their way into about 100 safe deposit boxes and negotiable securities they are believed to have taken therefrom are estimated to have been worth more than \$30,000.

Have you eaten your share of peanuts this year? There are grown annually about 750,000,000 pounds.

STATE COLLEGE P. O. ROBBED.

Cash and Registered Letters Carried Away—Door of Safe Blown Off.

No clues have been found as to the identity of the robbers who gained their way into the State College post office early Tuesday morning, cracked the safe and made away with between \$500 and \$1000 in cash and registered letters. Postal authorities arrived early, and until a check-up is made of the senders of registered mail the loss cannot be determined definitely.

Finger prints have been found and will be photographed. Meanwhile the safe and its door, blown completely off its hinges, have not been disturbed. Seen through the lowered registered letter window in the lobby of the building, the safe drew attention throughout the day.

An employee arrived for work at the office at 3:45 o'clock Tuesday morning, but the burglary, in another part of the building, was not discovered until a janitor arrived and made his rounds at 7 o'clock. It is said to be the first major burglary in that town in 22 years. The job had all the earmarks of having been performed by professional cracksmen. It probably was done about 3 A. M.

Held Thank Offering Service.

The annual thank-offering services were held in the Centre Hall Presbyterian church on Sabbath evening. The program consisted of five instrumental numbers, three of which were solos, one duet, and one trio. Those taking part on the instrumental part of the program were: Misses Luella and Florence Rearek, Myla Spyster, and Mrs. Kirkpatrick.

The vocal music consisted of hymns by the choir and congregation, an anthem by the choir and a duet by Mrs. F. V. Goodhart and Mrs. Harry Potter. Two plays were presented: "The Honor Roll" was played by Misses Lorraine and Thelma Brungart, Catherine Goodhart and Grace Wible. The second play was given by Misses Evelyn Bradford, Margaret Delaney, Helen Odenkirk, Isabel Bradford and Sarah, Florence and Luella Rearek. The girls all knew their parts well and are to be commended for their fine presentation of two such vital factors of Christianity: "Thanksgiving and Missions." Both scenes were touching and the climax was reached as Isabel Bradford marched to the stage singing, "I am Coming to the Cross." She finished singing as she reached the cross.

The program committee and the trainers, Miss Boal and Mrs. Kirkpatrick, wish to thank all who were so kind in giving assistance on this program. The thank offering amounted to \$34.00, with other thank-offering envelopes still to come.

LOCAL AND PERSONAL

A new Chevrolet sedan was sold to Lawrence E. Runkle, a local carpenter, by the W. A. Homan garage agency.

Mrs. W. A. Ferree, of Oak Hall Station, was in town between trains on Tuesday.

Jacob Zong, of Oak Hall Station, and A. L. Slutterbeck, of Tusseyville, were business callers at the Reporter office on Tuesday.

EGGS, EGGS, EGGS.

Now is the time to get plenty of eggs. You must supply wholesome, properly prepared meat if you want to get every dollar profit there is in your birds. We have the meat—69 per cent, protein, and where can you equal the price?—\$2.65 per 100 lbs. Don't compare this produce with tankage—horses and cattle that have died of disease. Every ounce, is from butcher shops gathered daily, roasted and sterilized, and the excess fat extracted. Price will increase.—KERR-LIN POULTRY FARM.

NASH

Leads the World in Motor Car Value

The illustration at the right shows how Nash encloses the entire front wheel brake mechanism, thus excluding all water, ice, and dirt.

No Extra Cost Standard Equipment

Safest - Smoothest - Simplest 4 Wheel Brakes

This brake system is exclusive to Nash and was engineered to embody the finest features developed by foreign and American 4-wheel brake authorities as well as the superiorities worked out by Nash over an extended period of 4-wheel brake experience.

Among its chief advantages is the fact that the smoothly powerful performance of these brakes is never impaired by climatic changes. And being of the mechanical type they operate with invariable regularity at all temperatures.

They possess perfect automatic equalization, right to left, front and rear.

Thus Nash eliminates the possibility of the side-sway or skidding on wet or icy roads under rapid brake application which occurs with rear wheel brakes or partially-equalized 4-wheel brakes.
