POLITICAL ANNOUNCEMENTS

FOR SHERIFF

We are authorized to announce that H. E. SHRECKENGAST, of Centre Hall Borough, is a candidate for the nomination of Sheriff of Centre county, subject to the decision of the voters of the Democratic party, as expressed at the Primary election.

LOCAL AND PERSONAL

J. W. Evans, of Spring Mills, was a Reporter caller on Monday.

Mrs. John Ripka, of Spring Mills, visited her father-in-law, Mrs. John L. Tressler, in Centre Hall.

John H. Waddy, of Lemont, one of the P. R. R. company's retired track foremen, was a pleasant caller on Tuesday.

Mrs. Elizabeth Jacobs, who has been ill during the past week, is gradually recovering. She suffered from a complaint frequently experienced in the past few years.

Mr. and Mrs. Guy L. Corman, of Spring Mills, were in Centre Hall on Monday and while in town the former called at this office. He is associated with his father-in-law, William Smith, in the furniture business.

Two aged ladies at Lemont had the misfortune to fall and suffer injuries. Mrs. Eiters, while on the street, fell and broke a bone in her arm, and Mrs. Williams, while going up a stairway, tripped and fell. No bones were broken, but she suffered considerably from bruises. She is about eighty years of age, and is the mother of Frank Williams, of Centre Hall.

Over one mile of snow fence was erected at various points along the Brush Valley road, east of Centre Hall, on the portion of road now being taken by Samuel Stump. This is the first time this form of protection against drifting snow has been used on this road. East of Rebersburg the snow plows have had considerable trouble to take care of the light snows that continuously drift into the road.

Miss Miriam Shook, daughter of Ralph Shook, of Spring Mills, was taken to the Black private hospital, Lewistown, a few days ago, and later will undergo an operation for a torn ligament at the knee cap. About six weeks ago, Miss Long, a Gregg Township Vocational School pupil, while playing basket ball, fell and sustained the injury. Previous to this it was found her limb was weak. She is a girl of fourteen years. Miss Shook was accompanied to the hospital by Miss Mary Corman, also of Spring Mills. More than a year ago she stepped into a hole while playing ball and injured one of her legs. She will be treated by Dr. Black. Miss Corman had been to New York and hospitals in other cities for treatment, but not with any great success. She is now teaching school in Gregg township, having been assigned the Cross Church school in Georges Valley.

A STATEMENT

By the President of Dodge Brothers, Inc.

Within a few months, Dodge Brothers, Inc., will introduce a new line of motor cars, in no way conflicting with the market for Dodge Brothers present types, but occupying a considerably higher price field and produced in limited quantities.

Combining Dodge Brothers well known dependability with exceptional performance and striking beauty of appointment and design, these distinguished vehicles, we believe, will instantly set a new and higher standard in fine car practice.

Dodge Brothers will continue to produce their present line in maximum quantities to meet a demand which, during the year just ended, was very much the largest in their history, reaching the record total of 335,000 cars.

CAR SKIDS AT HUBLERSBURG. LOCK HAVEN PARTIES HURT

Returning from a meeting of Kiwanis executives and trustees at Pittsburg, on Monday, Dr. and Mrs. G. D. Mervine, Mr. and Mrs. R. J. Moquin, and Mr. and Mrs. C. E. Wright, all of Lock Haven, were injured about 12 o'clock Monday night.

Dr. Mervine was driving and while coming along the State highway between Lock Haven and Bellefonte, about a mile on the other side of Hublersburg, the rear wheels of the machine skidded, causing the right wheels to strike a barn along the roadside. The road was so icy that the force of the impact turned the machine completely around in the opposite direction.

Dr. Teah, of Lock Haven, was summoned, and it was found that Dr. Mervine had escaped with cuts and bruises about the head and face. Mrs. Mervine suffered a fracture of the right arm near the shoulder and injuries about the hip, while Mrs. Wright escaped with slight bruises. Mr. and Mrs. Moquin were both cut about the face.

Mr. and Mrs. Moquin, Mrs. Morvine and Mrs. Wright are all patients at the Lock Haven Private hospital.

Broadcasting from the Moose Temple Theatre in Bellefonte proved successful and the announcements, music, etc., were picked up in good form by local sets. Bellefonte talent was given an opportunity to go out "over the waves." Harry Hubler, of Lock Haven, formerly of this place, was also on the air. His work, always good, was easily recognized.
