What Lincoln Would Have Said

By DOUGLAS MALLOCH

THERE is that blasphemy that speaks, Of heaven with the hectic cheeks Of dissipation. There can be Another sort of blasphemy. A sacrilege another kind: When men assume to speak the mind Of Lincoln, when they dare to say What he would think upon this day. What he would say if he had pow'r Upon some question of the hour.

What Lincoln would have said he said: Now let the record stand. The dead Have rights as well as living men. Who dares to speak for Lincoln then? His great heart sleeps. Who shall assume to stand beside the martyr's tomb And answer now for Lincoln's heart? What base ventriloquist art With Lincoln's voice today recites? Remember that the dead have rights.

Hide not behind the honest name Of Lincoln, seek to cloak your shame In his white robes. For only ghosts Rob great men's graves, and only fools Put on the garments they lay down. The jester in the monarch's crown. Play demagogue. If play you must. But keep your hands off dead men's dust. Nor rob the great defenseless dead And say "what Lincoln would have said."

SAWS

By Viola Brothers Shore

FOR THE GOOSE— IF YOU think the thing you're about to do might be wrong, listen to your mother and don't do it. If you know it's right, listen to your mother, but go ahead.

FOR THE GANDER— Educatin' a fool is as much use as givin' a blind man a birthday present of a mirror.

Even a traffic cop'll talk gentle when there's no motors in sight. If people hate you, it's often on account of some'n inside themselves. But if they despise you—look into it.

GIRLIGAGS

"When a young fellow determines to get ahead," says Sagacious Sarah, "it is a pretty fair indication he already has one."

How It Started

THE MINSTREL SHOW

THAT the once popular minstrel show was an institution of American conception is to be assumed, for the negro as a character in, of course, the product of America. But that the impersonations which sang and laughed their way to popularity all over the world were the outgrowth of a man's sentimental fancy, years before the Civil War, is not generally known, nor the peculiar circumstances of its beginning.

WAYS WITH BACON

THE fat from the breakfast bacon should be carefully saved. It may be used to fry potatoes, as shortening for biscuits, and as fat to bind soups, provided the family likes the flavor. It may be used in spice cake for shortening, saving butter.

Spanish Rice. Brown four slices of thinly cut bacon and remove them when well browned and crisp. To the fat in the pan add one-half a green pepper finely shredded, a tablespoonful of chopped onion and fry until the onion is a light brown. Add one cupful of boiled rice and one cupful of stewed tomato. Season with salt and pepper and add a little sugar. Cook about fifteen minutes or until thick and the liquid is absorbed, then add a tablespoonful of butter, place the bacon on top and serve from a chafing dish.

Bacon Salad Dressing. Cut four or five thin slices of bacon into squares and fry until crisp. Mix one-fourth teaspoonful of mustard and one teaspoonful of sugar with one egg slightly beaten, add one-third of a cupful of vinegar (diluted if too strong) and pour into the pan containing the bacon. Stir and cook until the egg thickens to the degree of cream. Serve over lettuce salad.

Scallop of Bacon and Cheese. Sprinkle the bottom of a baking dish with a thin layer of bread crumbs, put in a layer of thinly sliced bacon, cover with a layer of grated or thinly sliced cheese, add another layer of crumbs, bacon and cheese, then cover with a thick layer of buttered crumbs and bake until the crumbs are brown. Bacon fat poured over lettuce, sprinkled with seasoning, add a little vinegar after the fat has been poured out, and when hot, add to the lettuce. With minced onion or green peppers this makes a most tasty salad.
