

LOCAL AND PERSONAL

Miss Stella Hosterman spent Sunday with relatives and friends in Co-burn.

A class play by the 1927 class of the Centre Hall High school is planned for two nights—April 1 and 2.

Miss Laura Runkle is spending the week among relatives in Sunbury, Shantokin, and other points.

George Goodhart, son of Mr. and Mrs. J. C. Goodhart, has gone to Williamsport to enroll in a business school.

Fourteen members of the former Camp of P. O. S. of A. at State College, have made application for membership in the Centre Hall Camp.

Rev. Elmer Williams, of Chicago, Illinois, attended the funeral of his sister-in-law, Mrs. Williams, wife of Edward Williams, postmaster at State College.

The pipe organ in the local Reformed church was examined recently by an expert from the factory in Pittsburgh, and reported the needs to put it into condition.

In Centre county it is estimated that on the farms there are 1,895 automobiles and 295 trucks, out of a total of 170,462 automobiles and 33,365 trucks on farms in the State.

Russel Wolf, of Homestead, was a guest of his aunt, Mrs. W. F. Keller, in Centre Hall, on Monday. He is a son of Rev. and Mrs. David Wolf, and is engaged as a confectionery salesman.

J. Frank Bible, of Aaronsburg, was one of a number of men from that locality who came to Centre Hall on Monday to attend the horse sale. Mr. Bible formerly tilled Potter township farms.

The Woman's Missionary Society of the Evangelical church met at the home of Mrs. S. P. Hennigh to hold their monthly meeting. Refreshments were served and all enjoyed the time spent.

Mrs. John H. Runkle, east of Centre Hall, has been suffering from a nervous throat trouble the greater part of the winter, and while her condition at times shows improvement, it nevertheless is giving grave concern to her immediate family.

Daniel Daup dealt his two-door Oakland car on a new four-door sedan of the same make, and Samuel Bitter traded in his Ford coupe on a new two-door Pontiac. The deals were made by both parties with the Weiser Motor company, State College.

Mrs. Isabella Stump is seriously ill at her home in Millheim, due largely to advanced age, which in a few days will be 83 or 84 years. Mrs. Stump is the mother of Mrs. J. S. Rowe, in Centre Hall, who has been with her for a part of the time during her illness.

The following spent Sunday at the home of F. V. Jodon, west of Centre Hall: Mr. and Mrs. Lee R. Rhoads and children, George Foster, Billy and Grace; Mr. and Mrs. Albert Emery and daughter Isabel; Mr. and Mrs. Edgar Jodon, Mr. and Mrs. Clarence Confer.

Rev. and Mrs. J. M. Kirkpatrick and little son Jack, are back from their auto trip to Miami and other points south. It was a wonderful trip and everything ran smoothly. He speaks highly of the climate, etc., but tops it is mighty good in all respects. Off by saying the old Keystone State.

Patricia Booser, little daughter of Mr. and Mrs. J. Shannon Booser, underwent a minor operation in the State College hospital on Saturday evening, Dr. J. V. Foster being the operating surgeon. There had developed in one of her ears the first stages of the formation of mastoids and it was to correct this that the operation was performed. Her condition since the operation has been very favorable.

Miss Cora Homan, daughter of Mrs. Annie Homan, of Centre Hall, is at Johns Hopkins Hospital, Baltimore, under observation. She was taken there Friday by Dr. Hugh Morrow, the family physician. Miss Homan has been in delicate health for a number of years, and although given treatment by a number of physicians her condition has not permanently improved. Dr. Morrow returned home on Monday.

The report that Sears and Roebuck were about to purchase the Lyons stock in Bellefonte is wholly a matter of conjecture. The Lyons holdings which consist of the Lyons store room and the meat market next to it, on the first floor, with apartments above, it appears, is on the market and is in the hands of Mrs. Graner's son, located in Philadelphia. Mr. Graner, by the way, is a hospital patient at present.

Lenora Foust, a member of the senior class in the Centre Hall High school, has been accepted as a student in the school for nurses connected with the Methodist Hospital, located on South Broad Street at Wolf Street, Philadelphia, and expects to enter there between April and September. That is reaching the goal the girl long sought, and while making preparation for it in her high school work did not enjoy the opportunities of many of her companions.

Since the meeting of the fire company called by the council, some time ago, one hears a number of statements involving misuses by individuals of equipments, belonging to the borough fire department; through thoughtlessness or carelessness obstructions having been placed that hinder speed in getting the hose carts to the seat of fire, and so on. There is no desire here to do other than to aim to impress all citizens that every possible precaution should be used to avoid unnecessary delay in reaching the fire-fighting equipment and that every piece should be in its place at all times. A chapter of another character may later be given to our readers. A son was born to Mr. and Mrs. Ralph Luse early Sunday morning. The lad has not yet been named.

LOCAL AND PERSONAL

W. C. T. U. will meet at the home of Mrs. F. M. Fisher, Saturday afternoon, 2:30.

The Knisely restaurant, Bellefonte, was closed on Saturday as a result of financial difficulties.

G. O. Benner, last Thursday, went to Pittsburgh, on a business and pleasure trip, and expects to return today (Thursday).

Oscar Gray, the Bellefonte insurance agent, after suffering an infection of the jaw bone for more than ten days, is improving, but at least up to Wednesday was confined to bed.

Mrs. Joh n Burkholder, Mrs. James Brooks, Miss Mary Durst, and Mrs. James E. Frohm, at the Frohm home, east of town, on last Tuesday, gathered for a quilling and by night had completed five pieces.

The civil service examination for rural carrier from the Centre Hall post office, will be held Saturday. The examination can be taken only by those who previously applied for blanks and qualified under the rules.

On Tuesday evening Rev. Arnold, pastor of the Bellefonte Lutheran church, addressed about forty men of the Centre Hall Lutheran church. He spoke of the men's great problems in the church and that religion was not effeminate.

Mention is made elsewhere in this issue of an operation performed on Patricia Booser. Tuesday it was discovered that an operation was necessary on the second ear and it was done. Mrs. Booser, who was with her little daughter in the hospital, in the meantime developed a case of grip.

Rev. W. E. Smith is back from the Evangelical Conference held at York. He was returned to Centre Hall where he has been the pastor since Rev. J. P. Binman was sent to New Cumberland. The only change of pastors in the county is at Howard, to which place Rev. Huster was sent from a New York State appointment.

Hay and Straw. We have a supply of nice, bright hay and straw for retailing purposes. McClenahan's Grain House, Centre Hall.

HOUSE FOR SALE CHEAP.—Consists of three rooms and pantry, newly built, but must be torn down, and moved in sections. Also a few hundred feet of new lumber and several bundles plastering lath. \$200 buys it all. For further information phone 6R32 or call at O. E. Aukerman's, Spring Mills (Georges Valley).

"I had a much better yield of matured corn this year and I credit it to the use of 'AA Quality' Fertilizer. I firmly believe they will grow and mature a much finer grade of corn than many other fertilizers.

"My yield was 50 bushels to the acre."
—Wyndham Farms
By Ross B. Miller, Mgr.

York, Penna., July 17, 1926

"I have been using 'AA Quality' Fertilizers for 20 years and have been so well satisfied with the results obtained as well as the drilling condition in which the material arrives, that I would not think of making a change. I would recommend 'AA Quality' Fertilizers to all truck growers who want to get their crops matured for early market. The past season I obtained a yield of 90 crates, 32 quarts to the crate, of fine-quality strawberries, on a patch of one-quarter acre."
—Harry Marley

Fertilizers have to be made exactly right to produce good crops consistently!

WHAT'S the use of sweating to prepare your land, only to have the fertilizers fall down on their job? Why not use old, reliable, time-tested fertilizers in the first place?

"AA Quality" Fertilizers never shirk. Farmers of three generations have used them with outstanding success. And these same farmers have told us that whenever they switched to less reliable fertilizers — they had a bad year!

Because "AA Quality" Fertilizers are made for specific crops, they produce unusually heavy, high-quality yields.

The accuracy of their formulas has been tested, year after year, by famous soil and crop experts. Their plant food elements give the young crop a good stand, steady, even growth, and early maturity.

The materials used in "AA Quality" Fertilizers are carefully selected, scientifically prepared, completely mixed, cured and thoroughly remilled. Their mechanical condition is uniformly perfect. They have proven dependable through sixty years of record crops. You can rely on them, year in and year out!

"AA QUALITY" FERTILIZERS
