*Stationed at the central of the telephone plant.
In touch with every circuit, every station, every toll line.
Testing continuously for service troubles inside and out.

Like the Chinese doctor, his job is to keep your service "well."*

BUT when a break occurs, and you call the Trouble Clerk, the job of this watchman of your service is to see that *your* telephone — *your* service — is again working in the shortest possible space of time.

To him it is not just one telephone "out." To him, *you* are without service — and he is personally responsible for seeing that it is restored.

The aim of our maintenance and repair forces is to give this close, individual attention — continuously.
