**LOCAL AND PERSONAL.**

A genuine 30x3 1/2 FIRESTONE Tire and Tube for only \$7.50, at Boozer's Garage, Centre Hall.

The Harry W. Dinges home just east of the borough line, was wired for electric light a short time ago, and last week the service was installed.

A bolt of lightning, during one of the rain storms last week, struck the Robert Bloom farm house, west of town. The damage done was slight, but all those in the house at the time cared to experience.

A small party of local residents picked about three bushels of huckleberries on the mountain near Livonia, some distance below Rebersburg, one day last week. The berries are reported quite plentiful in spots.

Mr. and Mrs. D. A. Boozer, Miss Edith Boozer, Mr. and Mrs. S. W. Smith and Isabel Bradford, together with the four fresh air children being entertained by the two families, are at Sunset club house for the week, giving the youngsters the greatest opportunity to benefit from living in the open.

Early Wednesday morning of last week, Mr. and Mrs. I. Y. Moyer of Cleveland, Ohio, and the former's brother, Charles Y. Moyer, of Allentown, who was at Cleveland as a delegate to the great C. E. convention, left by auto for Pennsylvania on a touring trip. Before returning home they will visit Centre Hall where the Moyers have relatives.

The following young ladies were entertained at the home of Mrs. M. E. Strohm, on Monday afternoon, in honor of her granddaughter, Margaret E. Burkholder, of Farmington, N. J.; the Misses Mariap, Gladys and Roberta Smith, Laura and Mary Jane Bitner, and Kathryn Goodhart. The time was spent in playing games, after which supper was served.

Dr. H. G. Jones, of Kyertown, in the Phillipsburg district, accompanied by his wife and the latter's sister, Miss Clara Beam, left on Saturday on a three months' trip to California. They expect to make their headquarters at Los Angeles, where Mrs. Jones' brother, Geore Beam, and two sisters reside. The trip is being made more particularly at this time in the interest of the doctor's health.

The small log cabin, the shelter for tourists at Locust Bridge, State Forest camp, south of Potters Mills, was moved to a more suitable site on the camp by Forest Ranger McKinney and assistants. A caterpillar tractor was used in accomplishing the work. The little caterpillar walked off with its load quite easily. The camp site is being improved in various ways, and is becoming one of the most popular camps in this section.

By the end of this week nearly all of the farmers in the valley will have finished cutting wheat, and on many farms the crop will be in barns. The wheat crop is a very good one, a poor field of grain being a rare exception. The wheat stalks also stood erect on most farms, making the harvesting of the crop a delight. The weather conditions, generally speaking, for harvesting and making hay has been favorable, permitting the work to be done in a short time. Oats and barley crops, both of them most promising, are coming on at a rapid rate.

**NESTOR GENTZEL VICTIM OF HIT-AND-RUN DRIVER**

With Both Legs Broken and Crushed and Numerous Body Cuts and Bruises, Young Man Lays In Grass All Night—W. Harrison Walker, the Good Samaritan, Calls Ambulance.

With both legs broken below the knees and one of them badly crushed, a deep cut on the neck and numerous cuts and bruises over the body, Nestor Gentzel, twenty-four years old, lay in the grass all Monday night and was not discovered until about 9:00 o'clock Tuesday morning by W. Harrison Walker, Esq., while driving down Old Fort to his way to lower Penns Valley to canvass Democratic voters. The young man was found lying within ten feet of the driveway, close to the road leading to the home of his father, Moyer Gentzel, tenant on the Brockerhoff farm. All the information Mr. Walker could get from him was his name, where he lived and that he had been hit by a car the night before.

Mr. Walker drove to the Gentzel home, a fourth mile distant, and notified the parents of the condition of their son, and then to the home of John H. Runkle, from where the Centre County Hospital was notified. The hospital ambulance conveyed the injured man to the hospital, passing through town about 11:00 o'clock.

Wednesday morning the man's condition was very serious. He was unable to sleep and lay with his eyes closed.

From information at hand Gentzel had been at Centre Hall on Monday night and was taken down the State road by Charles Lingle, a friend. He left the Lingle car about 100 feet east of the road where he would enter to go to his home. From appearances and conditions at the scene of the accident it appears that the car that struck him came from the east, and dragged him fully twenty-five feet. This conclusion is reached from the fact that parts of a lens and bulb from an auto, Gentzel's match box and a little purse were found at a point and from this westward stones, earth and grass were disturbed for the distance named to near where the youth lay, during the night.

Workmen at the Kelley saw mill, at Old Fort, informed Mr. Walker that they had seen a car lying close to the junction of the State highway and the road leading by the Brockerhoff farm, and asked him to make investigation, and it was this fact that led the candidate to the scene.

**Mrs. Roland Zettle Hurt.**  
While Mrs. Roland Zettle and daughter, Miss Sarah Zettle, a telephone operator, and a son, three years old, were seated in a car to the front of what is known as the Fisher farm house, at Penn Hall, a car going east ran off the road and hit the Zettle car, pretty seriously injuring Mrs. Zettle and the little boy. Mr. Zettle had stopped there to talk to Mr. Lohr, the tenant on the farm, and had driven his car onto the green to be safe. The car which did the damage is said to belong to William Lauef, Milheim.

**Tate—Gentzel.**  
Sunday evening, at the Lutheran parsonage, Richard I. Tate and Miss Ethel Gentzel were united in marriage by Rev. S. F. Greenhoe.

**DEATHS**

**CONFER.**—Samuel Confer, for many years a resident of Lewistown, died at his home in Lewistown. He was born in Centre county, Feb. 10, 1851, his age being 76 years, 5 months and 3 days. He is survived by three daughters: Mrs. Harry (Elen) Fleisher, Mrs. Henry (Anna) Royer, both of Lewistown, and Mrs. George (Louise) Peters, Reedsville; one sister, Mrs. Mary Hoover, Pittsburgh, and one brother, David Confer, State College. His wife died January 2nd, this year.

**MCQUISION.**—Miss Mary McQuision, of Bellefonte, died on Tuesday in the Clearfield hospital, where she was under observation preparatory to an operation for the removal of a goitre. She was a daughter of S. A. McQuision and was the only remaining member of the family. She was aged about seventy years. She was a cousin of Mrs. D. A. Boozer and Mrs. C. W. Slack of Centre Hall, and frequently visited here when younger.

**TUSSEY.**—Mrs. Mary Jane Tussey, widow of J. Morrow Tussey, died at the home of her daughter, Mrs. Matthew M. Morrow, in Altoona. She is survived by four sisters, among them being Mrs. Edwin Tussey, of Boalsburg. Several brothers and sisters also survive. Funeral services were held in the Sinking Valley Presbyterian church.

**PLETCHER.**—Henry Shuman Fletcher, a native of Howard, died at his home there following a short illness with heart trouble and complications, aged 86 years and 5 months. He was born in Howard township, a son of Michael and Elizabeth Fletcher. He is survived by his widow, who was Miss Lyde Meese, and these children: Alice, at home; Eugene and George R., of Philadelphia; Emma R., of Howard; and Mrs. Eabel C. Ivins, of Langhorn. In addition the deceased is survived by four brothers, namely: David, Nathaniel, Christian and Lynn, all residing in the Howard vicinity. Deceased was employed for a number of years by the New York Central Railroad Co., being retired on pension in 1917.

**LETTERS FROM SUBSCRIBERS.**

Writes from North Dakota.  
Antler, N. D., July 18, 1927.  
Dear Editor:  
Enclosed find check for another year's subscription to the Centre Hall Reporter, as I don't want to miss an issue of the paper. It gets here in the Saturday evening mail, and I generally know what is printed there before I retire for the night.

To correct the impression of Eastern people as to how far we are living from the R. R. depot, we live just one block north and one block east of the depot and we have only one passenger train a day, but it gets here every day except Sunday, and there is plenty of travel all of the time, both by train and auto, so whoever told Mr. Alfred Krape that we were so far from the R. R. that he could not get here did not know very much about it. Also, as to bad roads; if we had such awful roads I don't think the autos would be quite as plenty as they are up here, and I don't believe the autos are any plentier in the east than they are up here. If any of you eastern people were to step in here most any day now you would see just what a busy place this is, and how much business is transacted in a day. I think it would surprise you very much. My son-in-law is so busy that he has scarcely time to eat, and he can never leave his place of business until near midnight. He has a very good helper all the time and some times he has two extra men and his wife helping in the office.

We had a Fourth of July celebration at the park and there were more than 5000 persons present. All came by auto. Today is "Old Settler's" picnic day, but I don't believe the crowd will be so large as the farmers are too busy making hay, which is a very good crop this year since we have had plenty of rain this year. All the crops are looking fine, and it is a delight to take a trip out into the country to see how nice everything looks. Harvest will be a little late as we had such a late spring, and everything got a late start, but it is wonderful how everything has grown.

We have quite a patch of berries—both strawberries and raspberries, and they are doing just fine. The stalks could be no fuller than they are, and our garden too is doing fine. We have a half acre in garden and it is some work to keep it all clean. We had our first meal of new potatoes on the 11th of July; not bad for a late spring. And we have plenty of all kinds of vegetables to use, so we have plenty to eat; therefore if any of you eastern people are thinking of taking a trip up here we sure will be glad to have you come, and if you come the car will be here for you to take all the country trips you want. The country is well worth seeing; very few hills and no mountains to climb, which makes traveling so much nicer.

President Coolidge is among the Black Hills in South Dakota, and is having a wonderful time, so why can't some of you eastern people have a good time up here on the Prairies.

I must close, wishing all a happy and prosperous year.  
Respectfully yours,  
MRS. MARY H. PRICE.
