**JOSEPH HUNTINGTON CAPTURED.**

Claims He Fought in Self Defense in Row Over Whisky Business.

Claiming that his injury to Floyd Klobe was inflicted in self-defense, and that he cannot recall attacking or injuring Herman Klobe with an axe on Tuesday evening of last week, Joseph Huntington, who was captured in White Deer valley, has stated that he came to the Klobe farm, near Carroll Sugar Valley, on their solicitation to manufacture moonshine whisky.

He states that the father and son were each to pay him \$500 and that the father had done so, but that Floyd Klobe had failed to keep his agreement, and that the altercation ensued when he demanded payment.

Huntington was forced by weakness from lack of food and because of injuries received in the fight and in the automobile accident later, to seek aid at a farm house in White Deer Valley where Sheriff Hanna and his party called the previous night and left the description of the man. Word was sent to the officers and the arrest was made by State Policeman Thomas A. Buckley and L. G. Gritman, aided by Marvin J. Peters, of Lock Haven. A blood hound from Rockyview, placed on the trail, could not take up the scent.

Huntington is suffering from a fractured rib injuries to the chest, etc. He gave himself up willingly. He was forty miles from Lock Haven when found.

Earl Knapp, one of the searching party, is being held as a material witness, as it has developed that he stated that he was at the farmhouse when the altercation occurred.

**Religious Training in I. O. O. F. Orphan's Home.**

As every child in the I. O. O. F. orphanage passes the twelfth birthday special religious instruction is given and then is taken into a church at Sunbury. At home 174 children are being taken care of and kept busy attending to chores around the buildings. A school is maintained by the home, as are a church and Sunday school. The faculty consists of eight teachers. An agricultural vocational course in elementary farming and dairy farming is conducted. The home supports a boys' band and an orchestra composed of girls.

Many improvements have been made to the building in the past year, the work costing \$10,000. A water tank has been installed on the grounds with a capacity of 90,000 gallons in reserve in case of fire. All the plugs about the buildings have standard fittings. A 276-acre farm is maintained by the home and here the boys work during the summer months. A dairy is maintained with a large herd of cattle. During the first six months of this year \$20,897.59 was expended for the operating expenses of the home.

One-half of the \$2,000 contributed by J. I. Shoemaker, of Wyoming, is to be used as an endowment fund and the other half toward a fund for a chapel.

**BELLEFONTE MAN RUN OVER BY TRAIN**

William B. Miller Died in Hospital After Both Legs Are Severed. When Eight Freight Cars Pass Over Him

With both legs cut off below the knees, apparently after eight freight cars had passed over him, William B. Miller, aged about forty-five, died in the Centre County hospital at 5:40 o'clock Tuesday morning.

It is said that Miller had been drinking the evening before, and it is believed that he had fallen or lain down upon the railroad tracks near the Pennsylvania station at Bellefonte, and that a freight train passed over the lower part of his body, severing the legs.

Discovery of the badly injured man was made about midnight, and he was at once taken to the hospital where he was operated upon. He had lost too much blood, however, and passed away in a few hours.

Mr. Miller was a native of Bellefonte, the son of George and Nancy Miller, and had been employed as a laborer about the town. He is survived by a daughter, Sarah, at home; one brother, George, of Josephine, Indiana county, and the following sisters: Mrs. Mary Johnson, Mrs. Sarah Ayres, and Mrs. Effie Brown, all of Bellefonte; and Mrs. Martha Hazel, of Greensburg.

The coroner was notified, but decided that an inquest was not necessary. Funeral arrangements have not been made.

**CLAIR STRICKLER HELD ON CHARGE OF FORGERY**

Sheriff Taylor Arrests Young Man at Lewisburg—Check Cashed by Warren Homan, Local Garageman—May Be "Hit-and-Run Driver."

Claire Strickler, of Gregg township, is in the county jail charged with having forged his father's name in endorsing a check and having it cashed at the Homan Garage, by Warren Homan, on August 4th. The check was given by Harter Brothers, Corburn, lumbermen, to George Strickler, for labor, and was perfectly good. Young Strickler in some manner obtained the check and wishing to buy gas at the garage here, endorsed the paper, forging the payee's name. The check was in the sum of \$20.10.

Strickler was brought to jail on Tuesday, where he is being held. It appears there is some evidence that it was his car that hit and seriously injured Nestor Gentzel, on the State highway, east of Old Fort.

**Rev. Gress Writes From Ohio.**  
429 37th Street, Bellare, Ohio,  
August 18th, 1927.

Dear Brother: Was glad to hear from you. Always glad to read the news in the "Reporter." We have been living in Bellare, Ohio, since Feb. 1st, 1927. Bellare is situated in southeastern Ohio, along the Ohio River, and has a population of 17,000. Its chief industries are the Carnegie Steel mills, enamel works, glass works, stove factory, pipe works, pottery works, etc. It is a very busy city when times are good. At present there is not much activity. Coal mines, which have been idle since April 1st, are slowly opening with the employment of non-union workers. We have seven banks in the city, seven funeral directors, several large department stores, and a number of small stores. It is the largest town in Belmont county. Large steamboats traverse the Ohio river from Wheeling, W. Va., to New Orleans, La. There are twelve churches in town. I am pastor of the First Reformed, just one congregation, with a membership of about three hundred, and about the same number in the Sunday school. They are a fine class of people to work with.

The fruit crop is small here this year. The farmers report grain crops good with the exception of corn.

We would like to attend the Grange Encampment at Centre Hall in Sept., but our vacation ends with the month of August. My daughters, Margaret and Elizabeth, are home now, but Margaret will go to the University of Illinois, at Urbana, Ill., about Sept. 15, where she has won a scholarship for the year. Elizabeth may attend the same institution this year.

We are all pleased with our new home. Very truly yours,  
**REV. DANIEL GRESS.**

**W. C. T. U. CONVENTION.**

Gold Medal Declamatory Contest Will Be Feature of Gathering at Port Matilda, September 15th.

One of the features of the County W. C. T. U. convention to be held at Port Matilda, on September 15th, is a gold medal declamatory contest, at the evening session, between young people from Unionville, Blanchard, Wingate, Millheim, State College and Pleasant Gap. Each of the contestants already holds a silver medal, won in competition with a class in their own community.

The county contests are under the direction of Mrs. V.C. Ridge, of Blanchard. Many young orators have been discovered through contests of this kind and encouraged to fit themselves for public speaking.

Preparations are also being made to put on a one-act play at the same session.

Mrs. Emerson Kearns, of Tyrone, has again consented to be present and conduct the music. Her lovely and cultivated voice adds a great deal to any occasion.

Supper will be served to the delegates in attendance, in the basement of the M. E. church, where the convention will be held.

If any desire to be entertained over night, arrangements may be made by notifying Mrs. Grace R. Williams, of Port Matilda.

**NORMAL SCHOOLS' FUNDS ARE ALLOCATED.**

Total of \$4,270,000 for Maintenance is Divided Among 14 Institutions.

Allocations of the lump sum appropriated to the Department of Public Instruction for maintenance of State Normal schools for the 1927-1929 biennium were announced by Superintendent of Public Instruction Keith. Of the \$4,600,000 set aside for maintenance, \$4,270,000 was distributed.

The allocations, Dr. Keith said, were made on the principle that the largest schools received the smallest amount per student, as the cost of operation is least per student in the largest schools and largest in the smaller ones. Distribution to the various schools was: Bloomsburg, \$340,000; California, \$300,000; Clarion, \$175,000; Cheyney, \$100,000; East Stroudsburg, \$340,000; Edinboro, \$315,000; Indiana, \$540,000; Kutztown, \$240,000; Lock Haven, 245,000; Mansfield, \$340,000; Millersville, \$260,000; Shippensburg, \$305,000; Slippery Rock, \$340,000, and West Chester, \$430,000.

The remainder of the appropriation for maintenance is being held as a reserve fund for use in any contingencies which may arise. Dr. Keith said that a survey of the plant facilities of the various schools was under way and that allocations for extraordinary repairs will be made in the near future. The appropriation of \$2,000,000 for new buildings and construction is expected to be allocated about October 1st.

Peter Manning, the world's champion trotter, will be at the Clearfield county fair opening, September 13th, and continuing until and including the 15th. This great horse made a mile in one minute and 56 1/2 seconds, at Lexington.
