

**REBERSBURG.**

Frederick Houser and friend from State College, were in town on Sunday. Mrs. Scott and Mrs. Percy Stover, from Bellwood, and Mrs. John Meyers were callers at the home of Mrs. Miffin Moyer on Sunday.

Mrs. Deon, who underwent an operation at the Gelsinger Memorial Hospital, is improving rapidly.

Mrs. Wm. Walker, who resides at the east end of the valley, is suffering from a nervous breakdown.

Most of the citizens of Rebersburg were to Woodward on Sunday to hear the band concert.

Mr. and Mrs. Wayne Rose and two interesting children, from Mansfield, Ohio, are visiting at the home of Mrs. Rose's parents, Mr. and Mrs. G. A. Corman.

**POTTERS MILLS.**

Lewis Foust, of Burnham, spent a few days at the home of his son, Harry Foust.

Edward Foust and family, from West Chester, visited over the week end with relatives. Mr. Foust returned to his home on Monday while Mrs. Foust and children will visit for the week at the home of her parents. Mr. and Mrs. J. M. Carson.

Harry Ishler and family, of State College, spent Sunday afternoon at the H. E. Foust home.

Rumor has it that Joseph Parker has sold his property to Forrest Bible.

**FARM CALENDAR.**

Timely Reminders from The Pennsylvania State College.

**HONEY FLOWS FREELY**—The honey flow in most parts of Pennsylvania has been unusually heavy this summer, say agriculturists of the Penna. State College in urging beekeepers to be sure that there is plenty of super room in which the surplus honey can be stored. It is expected that the heavy flow will continue if frost is postponed.

**SAVE THAT SEED CORN**—How are your seed corn prospects? Just as soon as possible begin picking seed corn from the standing stalks. Do not let it lie in a pile or stand in bags or crates. Husk the ears and hang corn in a dry, warm, well-ventilated place where the air can circulate around every part of the ear. Good seed corn always is worth good money but next spring it will be in greater demand than ever.

**MOW GRASS IN ORCHARD**—If the soil orchard needs mowing, the mower will make it much more pleasant for the apple pickers than dragging ladders and crates through tall grass and weeds.

**DRENCH VINES TO KILL APHIS**—If you are having trouble with control of the potato aphid try using five pounds of dissolved soap in the mixture of 100 gallons of water and one pint of nicotine sulphate. Ordinarily, however, one pint of nicotine sulphate added to 100 gallons of bordeaux mixture will be effective if the vines are well drenched.

LEADS THE WORLD IN MOTOR CAR VALUE

**New Price Special Six 4-DOOR SEDAN \$1335**  
F.O.B. FACTORY and a 2-door Special Six Sedan at \$1218. Ask for it.

**Many Exceptional New Luxuries and Performance Features —Yet a New Low Price**

**EXAMINE—DRIVE—COMPARE THIS GREAT NASH SEDAN—AND IT'S EASY TO SEE WHY THE COUNTRY HAS GONE NASH!**

This new Nash Special Six Four-Door Sedan calls your attention very forcibly to Nash value.  
At its new low price you will find that other manufacturers are asking from \$100 to \$150 more for cars not as fine in finish, and not nearly as fine in performance.  
Here is one of the smartest looking, smartest acting cars of the new season—built as only Nash builds motor cars, performing as only a Nash performs.  
The body is a full two inches lower in the fashionable vogue. Window and door ledges, the instrument board and its crown ledge, are all finished in walnut.  
The steering wheel is solid walnut, inlaid and crested. There are shirred door pockets wherever you look!  
And luxury in every mile and minute you drive it. It is quick on the go, always out in front at a traffic start, effortless on hills. There is increased power in its big 7-bearing Valve-in-Head motor. Yet that motor is even more quiet, even smoother. Integral balance of Nash operating parts has accomplished an astounding improvement in already fine motor performance.  
And it is the easiest steering, easiest managed car you ever handled. It turns a corner at a mere hint from its steering wheel.  
Finally, here is an easier riding motor car. New secret-process alloy-steel springs, just introduced by Nash, achieve supreme travel comfort. Drive this car before you buy your new one. Buy this car and save \$100 to \$150 of your good money.
