PLEASANT GAP

Rally Day services and the re-opening of the Sunday school room of the Methodist church on Sunday morning was a very wonderful service. At 10:45 Rev. Youm, a well known minister, and at one time pastor of the Bellefonte charge, preached the sermon. The room was most beautifully decorated with fruits, flowers and canned goods, all of which was donated to the Old Folks' Home at Tyrone, a Methodist institution. In the afternoon, Sabbath school was held in the newly decorated and furnished room. This room surely is a credit to these church people, and shows the untiring zeal of the congregation and their pastor, Rev. Metzgar.

In the evening a special service for the young was held. Mr. Hanneman, of the Bellefonte Y. M. C. A., gave a very forceful talk and the wonderful, melodious voices of the Millheim male quartette were heard in several selections, adding much to the evening's pleasure. At the Sunday school the State College quartette sang very beautifully. The day all in all was an inspiring one, and the Methodist people may well feel proud of the day. Many who were at one time members of the church were in attendance. Miss Ida Bell, of State College; Mrs. Mayme Bell Wasson, of Howard; Mrs. Emma Hoy and Will Harrison, State College, were among that number.

Mr. and Mrs. Gingrich, of Clearfield, visited at the Mowery home on Sunday.

The John Wilson family, of Osceola were Sunday visitors at the Millward home; also Mr. and Mrs. Daugherty, of Mill Hall, and Mrs. Harvey Bernard, of Lock Haven.

Mr. and Mrs. Frank D. Millward, accompanied by Mrs. Jack Noll, attended the recital held in the Bellefonte Methodist church on Wednesday evening.

Large Barn Burned.

One of the largest and best barns in the lower section of Penna Valley, was totally destroyed by fire on Saturday evening. The barn was built five years ago on the Henry Krape farm, now owned by John Brindel, and tenanted by Jay Vonada, stood north of St. Paul's church east of Aaronsburg.

The horses in the barn at the time of the fire were removed without harm, but all of the cattle, except two cows, perished in the flames. The cattle were penned in the straw shed. The loss is very heavy.

The farm stock was the property of Mr. Brindel. It is reported that Mr. Brindel was injured by a horse striking him when being removed from the barn. When apprised of the fire, Mr. Vonada was in Millheim. The cause of the fire is unknown.

It has been the experience of the Centre county taxpayers for many years that Republican boards of county commissioners have been extravagant with county funds, and Democratic boards economical in the expenditure of county funds. The records show that as does every one who annually follows the expense account of Centre county. So if you don't want more taxes to meet extravagant expenditures, you must cast your lot with Specially and Parish.

This Haag Twin, Wood Tub, Electric, for \$112

THE HAAG NUWAY WASHER HAAG TWIN, WOOD TUB, POWER, \$70. THE SINGLE TUB FOR \$85.

Dominating the low priced wood-tub field is the HAAG "NUWAY" Model 10. The HAAG "NUWAY" received its name when Haag Brothers Company pioneered in manufacturing a wood-tub washer having all of the mechanism underneath the tub. This, of course, was a great advance from the overhead drive type in which part of the driving mechanism was on the lid and had to be lifted with it when opening the tub to put in or take out clothing. Many women still demand the old wood tub washers used for so many years by their mothers and grandmothers.
