George W. Long, the Farmers Mills painter, while driving his new Dodge coupe, collided with a Dodge touring car owned and driven by Al. Alexander, of Juniata, a son of the late Christ Alexander, of Millheim. Mr. Long was driving from the Hagan gas tank when Mr. Alexander was coming down the main street from the North. The damage done was largely to the Alexander car which was hit a bit front of the "ANNIE LAURIE"-

Inez Sharer, daughter of Mr. and Mrs. Ray Sharer, living on the Keller farm east of town, continues to improve from an attack of infantile paralysis that for a time affected the whole of her body. She became ill about the middle of September and arms or legs. She now sits in a roller man desires are unchecked, and the chair throughout the day and is be- only ruler is passion! A vivid conflict hands and also moves her lower limbs ces of good and evil in setting of tropto some extent. She will become four ic beauty. years old in April. Throughout all this period of sickness Inez has been been shown at our prices.

unusually cheerful. The change of schedule recently noted in these columns for passenger train service on the L. & T. through Penns Vailey is likely to take place. It appears State College is petitioning for the change, believing that better service will be given for passengers going east. Under the proposed service, trains from the east would arrive as finished task of conquering the plague heretofore, at 8:18 A. M. and 3:52 P. of tuberculosis. Colonel Shoemaker M. The time of both east-bound trains would be changed. Instead of the first train east arriving here at 7:04 A. M. its time here would be 10:45 A. M., and the afternoon train due here at 2:17 would become an evening train, due here at 6:35. Under the proposed arrangements both trains would start was 77 per 100,000. at Sunbury and make round trips one "Notwithstanding the fine progress

Admission 10 and 25 cents. Tuberculosis Battle Only Half Finished

Col. Henry W. Shoemaker, in announcing his acceptance of the Christmas Seal Chairmanship, appealed to Pennsylvanians to rally to the halfsaid:

"A half-finished task faces Pennsylvanians in the fight to wipe out tuberculosis. In 1906 the death rate from tuberculosis in Pennsylvania was 151 per 100,000 and in 1926 the rate

in the forenoon and the other in the made in combatting the White Plague, ". Look the lives of 7391 Pennsyl-

most costly disease. Much work remains to be done against this preventable disease, which claims the majority of its victims between 20 and 45 years of age. Besides the

Tamens in 1020 and it is still our

heavy loss through death, there is a terrific drain on the welfare of the commonwealth through the continued ncapacity of sufferers for periods of from six months to six years. About 50,000 persons in Pennsylvania have active tuberculosis and about the came number have the disease in an arrested or quiescent state.

"One of the greatest weapons in the progress made in fighting tuber-culosis is the Christmas Seal."
