POWER Motor power can't be measured in cold figures. It takes a hand on the wheel and a foot on the accelerator to feel the pulsing life and thrilling flow of sustained energy and force. You'll realize this as never before when you drive the NEW STAR SIX. Because it is undoubtedly the most POWERFUL car in anything like its price class. Figures can prove it to the mechanic and the mathematician, but actual experience will demonstrate beyond question the vigor, the snap, the flexibility of this wonderful motor. TRY IT. More POWER and Superior Quality. STAR CARS. Again Improved. FETTEROLF'S GARAGE. CENTRE HALL.
