Beginning next Sunday, the radio station at the Pennsylvania State College will broadcast a series of at least four Sunday afternoon concerts by the student musical organizations.

A baby boy was born to Mr. and Mrs. Willard Smith, near Tusseyville, Tuesday night. He is credited with a weight of ten and one-half pounds. His three little sisters think he is a perfect darling.

Miss Anne Renninger, of Penn Hall, was taken to the Centre County Hospital on Saturday. Five years ago she was operated on for gall stones, and it is thought she is again suffering from a similar cause.

While on the way to town on Saturday, Guy Brooks' car became stranded astride a rock at Dan Bloom's. It required several men, three or more hours to free it. The car skidded, causing all the trouble.

Harry Igen, of Farmers Mills, has well recovered from injuries received through a collision of his auto and a railroad train at Spring Mills, on Tuesday evening of last week. He is able to perform chores about the place.

The funeral of Mrs. Mary Jane Emert, on Sunday, at Reedsville, was attended by Mrs. Sara A. Stover, Mrs. J. H. Durst, Mrs. William McClenahan, Philip McClenahan, George Stover, Mr. and Mrs. Clyde E. Bradford and son Teddy, all of Centre Hall.

Herbert Grove, living on the Grove farm near the old stone mill site, who had been seriously ill for several weeks from flu, was able to visit his wife, a patient in the Centre County Hospital during the past three weeks. Mrs. Grove is slightly improved. Mr. Grove was accompanied to the hospital by his brother, Samuel Grove.

Henry Potter was taken to the Lewistown hospital a few days ago where he will undergo an operation for the removal of cataracts. He will likely be obliged to remain at the institution for several weeks. Mr. Potter is well advanced in years, but aside from the gradual failing of his eye sight his physical condition is remarkable.

Albert Allen's condition in a general way is thought to be improving, although he is not rational at all times. He has his "good" and "bad" days. He is gaining strength and Monday was permitted to be "up" for the first time. Mr. Allen received a fractured skull in an auto accident at Milroy a few weeks ago and is in the Lewistown hospital for treatment.

Mrs. John Haugh, of State College, returned from the Kelley Hospital, Baltimore, on Tuesday afternoon, where she had gone for radium treatment. The treatment appears to have been very successful. Mrs. Haugh is the mother of Mrs. J. M. Kirkpatrick, of this place. She and her brother, Thomas Haugh, brought their mother home by auto.

Last Wednesday evening the ladies comprising the Clover Leaf Club, one of the several ladies' clubs of the town, gathered at the home of Mrs. G. O. Benner, a member, in their one meeting of the year at which husbands of the members are invited. About forty persons were present, including several guests from State College. Cards were played and a general good time enjoyed.

Local Odd Fellows harvested gross receipts of nearly \$120.00 from their dramatic entertainment given in Grange Arcadia, last Friday and Saturday nights. On Friday evening they played to a full house, while on Saturday night a somewhat smaller crowd was present. The plays were laugh provoking, keeping the audience in constant good humor. They were put on with a very fair degree of skill.

Orders for over seventeen hundred 100 pound bags of feed have been booked during the past 10 days by the Kerlin Poultry Farm. Eighty per cent of these orders from last year's customers. This feed is made RIGHT and is sold RIGHT. Kerlin has not only an enormous local trade but ships hundreds of tons into all sections of the county. A starting and growing mash with 16 ingredients, including Butter milk, with a guaranteed analysis of 15 per cent protein and only 6 per cent fibre is sure to sell. And the price is only \$2.95 per 100 lbs. and up.

Under the apportionment of the year's State appropriation to the mothers' assistance fund, Centre county will get \$7,678.34, and an equal appropriation from the county will give the Centre county board the sum of 15,256.68 for the support of mothers in this county. The board, by the way, does not handle a cent of the money. Every month a list of those receiving aid is certified to the county commissioners and the checks are sent out by them to the residents. Penns Valley is represented on this board by Dr. Frank Millheim.

Paul E. Murray, of Chicago, Illinois, was in town Sunday and Monday for the first time in ten years. He came here on a sad mission, having accompanied the body of his mother, Mrs. Rebecca Murray, from McKees Rocks, to lay her to rest in the cemetery here. Mr. Murray left Centre Hall twenty-three years ago, after having graduated from Penn State College engineering department, and has since been in Chicago and is now located at 7428 Calumet Ave. He is employed in the capacity of an engineer with the Chicago Surface Lines. "I still hold a warm place for Centre Hall; it is the nicest little town I have ever seen," were his last words dropped in the Reporter's sanctum. Mrs. Murray accompanied him here, leaving the five children, the eldest a girl of fifteen years, at home. While in Centre Hall the Murrays were entertained by Mr. and Mrs. V. A. Auman.

SERIOUS ACCIDENT

NEAR MILESBURG

Two Youths In Centre County Hospital Suffering from Injuries Received When Fast Freight Hits Coupe.

Walter Jacobs, aged twenty-one, of Central City, and Herman Fye, aged nineteen, of Yarnell, are in a serious condition in the Centre County Hospital at Bellefonte, from injuries received when the coupe in which they were riding, on Monday, was struck by a fast freight on the Pennsylvania railroad near Milesburg.

The young men drove from behind a hotel directly onto the track in front of the freight, and Fye was dragged forty feet and Jacobs twenty feet by the engine, before they were thrown into a ditch by the side of the track. Fye was bruised all over his body, his face and head lacerated and it is believed that internal injuries were suffered. Jacobs was injured about the face and head, suffered serious injuries to his chest, and is also thought to have been injured internally. The full extent of the injuries cannot be ascertained for probably forty-eight hours.

Both the young men are employed at Bellefonte, and one was taking the other, who is employed at night work, to his home when the accident happened.

G. T. V. S. Defeats State High.

The Spring Mills High school basketball team surprised by handing the strong State College High school basketball team a 21-14 defeat at Spring Mills last Saturday night, thus gaining revenge for their defeat at the hands of the State boys at State College earlier in the season.

The Spring Mills team ran up an 8-point lead early in the game by caging four pretty field goals, and the State High team was unable to cut down on that lead throughout the remainder of the game. The score at half time was 15-7 in favor of Spring Mills. Excellent guarding held the State team to three field goals for the entire game, two being made by State's center and one by Glenn, State's captain, near the close of the second half, the remainder of their points being collected by the foul route. The Spring Mills team scored eight times from the field, Jamison making four, Rishel three and Rossman one. The game was fast and well played by both teams throughout the contest.

The State College High school girls made it an even break by winning over the Spring Mills girls' team by the score of 15-3. The State girls proved to be larger and excellent shooting on their part accounted for their victory.

Y. P. B. State Encampment.

Miss Lenadell Wiggins, of Tunkhannock, State General Secretary, was in town on Monday and visited the High and Grammar schools here in the interest of W. C. T. U. work. In the evening she met a number of workers of the W. C. T. U., representatives of the Y. P. B. and L. T. L. at the home of Mrs. F. M. Fisher.

Miss Wiggins came to this section at this time principally to arrange for the holding of the Y. P. B. State Encampment at State College, June 14 to 25. Penn State authorities are giving the movement support, and as a consequence the meetings will be held, lodging provided and meals served in Penn State buildings. At least one hundred delegates—boys and girls—ranging in age from 14 to 25 years, attend these gatherings. They will come from all portions of the State having active organizations.

Miss Wiggins will have the delegates in her care. Hikes, trips to natural caverns and points of interest are being arranged.
