JUSTICE OF THE PEACE

LINDEN HALL, PA.

Legal business promptly attended to, special attention given to settling estates, Deeds, Mortgages and Wills written with care.

First at the get-away First on the straight-away

No car in the Victory price class can match the all around brilliance of Victory performance.

The Victory is first at the get-away and first on the straight-away—faster on the hills, faster in traffic—smoother on rough roads.

And accelerates as no other car at the price has EVER done: 5 to 25 miles in 7 1/4 seconds! 10 to 45 miles in 13 1/2 seconds!

The public discovered all this even as the stop watch proved it.

More power per pound of car weight made it possible. Rugged Dodge construction made it practical. And the Victory's unusual design made it SAFE.

For the Victory gravity center is lower and there is no body overhang. . . . The chassis frame is the full width of the body—and the body sills are eliminated.

Exceptional charm of line and more headroom and seat width are further vital results of this unique construction.

Drive the car today and make your own comparisons!

BE WISE

Why take risks with important documents when you can have a box in our fire- and burglar-proof vault. You may have some notes that are your only security for money loaned, and if your house or office burns, you are up against trouble, as it might be difficult to prove that the makers owed you anything.
