# Claims versus Facts

You hear all sorts of claims for tires: More Mileage, More Rubber, More Comfort.

Interesting--if true.

But a man buying a tire wants facts, not claims. There's one fact about tires which stands out so strongly it cannot be overlooked:

More People Ride on Goodyear Tires than On Any Other Kind.

GOODYEAR MAKES MORE TIRES every year than any other

GOODYEAR uses one-seventh of all the crude rubber produced annually on the earth-almost 50 per cent. more than any other manufacturer.
