Presbyterian Manse Notes and Wedding Rev. J. M. Kirkpatrick and family motored to Three Springs, Huntingdon county, on Christmas morning and spent the day with his sister, Mrs. Frank Wible.

The holiday visitors at the Manse were Miss Grace Wible, a senior at West Chester State Teachers College, and Miss Loretta Kirkpatrick, of Girard College, Philadelphia. Also, Mr. and Mrs. John Haugh and son Hubert, of State College; James Haugh, of Detroit, and Agnes McCormick, of Hamilton, Scotland.

On New Year's Day a very pretty wedding was consummated at the home of John Haugh, State College. Mr. Haugh's nephew, James Haugh, of Detroit, made a flying trip to New York and met his sweetheart who had arrived from Bonny Scotland a few months ago. On their way back to Detroit they dropped off in Central Pennsylvania to visit James' uncle, and while here decided to have the knot tied by his cousin, Rev. J. M. Kirkpatrick. They were married, using the ring ceremony. The aunt and six male cousins had the house beautifully decorated for the occasion. Mr. and Mrs. Haugh acted as attendants. Those present were Mr. and Mrs. John Haugh, Mr. and Mrs. Herbert Haugh, Mr. and Mrs. T. G. Haugh, Miss Betty Haugh, Mr. and Mrs. and John Kirkpatrick, and Mr. Harry Roland, of Spokane, Washington. The wedding was at high noon and after a dinner beautifully served by Mrs. John Haugh, the two who had been made one were rushed by auto to Tyrone and journeyed from there to Detroit by train.

Sick Children Recovering. Gloria, the youngest child of Mr. and Mrs. Stanley Brooks, suffered a severe attack of pneumonia last week, but is now somewhat improved. Mrs. Ruth Gearhart, of Linden Hall, is the nurse in charge. Dean Luse, twenty-two months old son of Mr. and Mrs. Ralph Luse, is also recovering from pneumonia under the care of Mrs. Wm. Seckinger, R. N.

Senior Class Box Social. The senior class of the Centre Hall High school will hold a box social in the High school building, Friday evening, January 11th. A one-act play, "Back to Your Knitting," will be presented by the seniors. A fish pond and cake walks will also be features of the evening. Cake and ice cream will be on sale. All girls, both in and out of school, are invited to bring boxes and enjoy the evening.

Market Quality Is Egg Show Standard. Eggs that win in shows are good market eggs. "The reason for this," says County Agent R. C. Blaney, "is that the standard for judgment is based on the consumer's demands and what the farmer and poultryman can economically produce. The consumer is the ultimate judge of market eggs and the farmer must produce the kind of eggs the consumer wants to buy." Eggs for exhibition should weigh 24 to 25 ounces per dozen. Uniform eggs are attractive and appealing to the purchaser. The uniformity applies especially to size, shape, and color. If a dozen of eggs weigh 26 ounces, each egg in the dozen should have approximately the same weight. Eggs in each dozen or five-dozen display should be similar in shape. White eggs must be free of brown tints and bluish spots. Brown eggs vary in the shade of color, but the eggs in an exhibit should have a uniform color.

THRIFT WEEK will be a good time to shop in ALTOONA BOOSTER STORES

Next week is the time that special emphasis is placed on the importance of being thrifty. Much advice will be given as to what one should do during Thrift Week.

There will be many suggestions offered as to the best means to practice thrift, and all, no doubt, will be commendable.

When considering the best means by which to practice thrift in the home, the matter of buying wisely and economically should be given careful consideration as being one method that should appeal to every home as it is just as important that the necessary expenditures for the home and personal needs be made wisely and economically, as it is for a portion of the income to be saved for investment.

When You Shop at Booster Stores

For the things your local merchants cannot supply, you have the opportunity to buy wisely and economically and thus can practice thrift in a manner that really means saving, which, after all, is the real meaning of thrift.
