FARM CALENDAR.

Timely Reminders from The Pennsylvania State College.

ORDER VEGETABLE SEEDS—The 1929 seed catalogue, are arriving in the mails. Do not lay them aside until spring, in which case you will likely mislay them. Read them, study them, and send your order early. In this way your order will be given more careful attention, there will be less chance for mistakes and the best seed will not be exhausted.

SUPPLY STALLIONS NEEDS—During the winter months exercise is as vital as the ration to the stallion. A horse kept in a darkened and unsanitary stall is subject to many ills and will never have the strength and vitality necessary to a breeding animal. Also he should have plenty of clean fresh water. Exercise, sunshine, and fresh water are the three cheapest things available.

FEED COD LIVER OIL—A moist mash, when fed regularly, furnishes a desirable means of feeding cod liver oil to poultry. One-fourth pint of cod liver oil may be added to the moist mash daily for each 100 birds. This plan of feeding cod liver oil eliminates the mixing of the oil with the dry mash and also helps to prevent deterioration of the oil after the mash is mixed.

KEEP COWS CONTENTED—In cold, stormy weather dairy cows should be outdoors only long enough to drink and if the stable is comfortable and water available they should not go out at all except on clear, warm days. It pays to keep cows warm, dry and comfortable at all times.

SILAGE IS GOOD SHEEP FEED—Good clean corn silage is one of the best roughages that the flockmaster can use. The best shepherds use this grain mixture with corn silage and clover hay: 300 pounds of oats, 100 pounds of shelled corn, 50 pounds of bran, and 25 pounds of oil meal.

DEPENDS ON TREATMENT

The wool on the sheep's back is comparatively cheap. When made into cloth and it lands on YOUR back, it costs a lot of money, yet it is the same wool.

The difference in treatment accounts for the difference in price. It's the same with dollars, for if you handle them carelessly, spend them foolishly or invest them poorly, they are worth but little to you. The dollars you handle carefully and invest safely will lay the foundation for a fortune. Their value depends on treatment, the same as wool.

DODGE BROTHERS SIX

Dodge Brothers Introduce New Six

EVER SINCE THE FIRST DODGE BROTHERS CAR made its appearance some 15 years ago, the name of DODGE BROTHERS has enjoyed a commanding prestige.

Hence, in acquiring the Dodge Brothers Corporation, and in undertaking to plan, produce and protect the future products which will bear the Dodge name, we are mindful of our profound personal obligation to the vast Dodge Brothers public and the host of Dodge Brothers dealers throughout the world.

It is our sole aim to add so consistently and conspicuously to the present acclaim of Dodge that every Dodge owner and every Dodge dealer will feel even greater pride and will have cause for even greater satisfaction.

We are utilizing every one of the elements of progressive engineering, scientific manufacturing and outstanding value which have contributed to the success of all the general progress of the Chrysler Corporation.

We have embodied such evident value, such surpassing performance, such engineering supremacy and so much of originality, beauty and luxury that by every comparison, the intrinsic value of Dodge Brothers cars will remain unchanged.

THE NEW DODGE BROTHERS SIX furnishes unsalable evidence of the unlimited capabilities of the great, organized forces of the Chrysler Corporation when marshalled to full strength in any enterprise.

From an engineering standpoint, this New Dodge Brothers Six is a supreme achievement by a group of engineers whose scientific accomplishments have revolutionized automobile design.

We believe that in performance, in new measures of comfort, in long-lived excellence, and in persistent and inherent value it surpasses every previous conception of what a car at this price could possibly be.

We are proud to be the creators and sponsors of the new Dodge Brothers Six—and present it in the sincere conviction that it offers the high value, dependability and distinction which a discriminating public expects always of DODGE BROTHERS.

(Signed),
W. P. CHRYSLER.
