LOCAL AND PERSONAL. Christ Keller, on Monday, went to Sunbury for a few days' visit with his niece, Mrs. E. R. Corman. Subscribers to the Reporter who change their address should notify us at once, giving both the old and the new address. A note from Robert J. Zerby, at West Brownsville, indicates he and Mrs. Zerby are enjoying their usual good health. Paul Stoner, on Tuesday, went to take his place as a farm hand on the farm operated by Fred Klinefelter, located west of Spring Mills. The Sunday school of the Spruce-town M. E. church will render an Easter service on Sunday evening, commencing at 7:30 o'clock. Everybody is invited. Mr. and Mrs. Samuel Shultz and Mr. and Mrs. Earnest Garner, all of Marklesburg, were week-end guests of Mr. and Mrs. C. A. Spyker, in town. The ladies are sisters of Mrs. Spyker. Mrs. Wilson I. Fleming, of Bellefonte, was taken to the Centre County Hospital last week. Her condition at that time was termed critical, but this week Mr. Fleming informed inquirers that she had materially improved. Mr. and Mrs. C. A. Bauer, of Wilkesburg, came to the home of Mrs. Bauer's parents, Mr. and Mrs. Clyde E. Bradford, the latter part of last week. Mr. Bauer returned home and left Mrs. Bauer and little son, "Clack," here. They will remain until after Easter. Mrs. Thomas Frank, of Millheim, was taken to the Centre County Hospital on Monday for treatment. It appears she is suffering from stomach trouble. Mrs. Frank is a daughter of Frank Yearick, of Millheim, and a sister of Mrs. Wm. Bartges, also of that town. Harvey H. Decker, tenant on the W. F. Colyer farm east of Old Fort for several years, moved to Nipponese Valley onto a large farm purchased by him. The location is about six miles southeast of Jersey Shore, close to Collinsville. Mr. Decker will give potato growing and trucking special attention. Mr. and Mrs. F. P. Geary, on Tuesday, attended the funeral of Harry Reeder, in Williamsport. Mr. Reeder was a cousin of Mrs. Geary. He was cashier of the Newberry bank. He was unmarried, his mother and sister, Miss Sue Reeder, who frequently visited the Geary home here, making up the family. An only brother, Charles Reeder, is located in one of the western States. Mr. and Mrs. Earnest Foster, of Westgrove, Chester county, drove by auto to State College, on Saturday, to witness the boxing matches and attend the dedication of the recreation building. They stopped at Centre Hall and took with them Miss Elizabeth Royer, the ladies having been chums when students at West Chester Teachers College. Rudolph Weuntzier accompanied the Fosters.

Runkle Residence Not Sold. The L. E. Runkle residence, located on the east side of Main street, in the south center section of the town, was bid up to \$3500 by P. V. Goodhart but no sale was made, the offer not being high enough in the mind of the owner. Samuel Bitner was a second bidder. The household goods sold prior to offering the real estate, sold readily at good prices. If you have not been on your knees in the garden "sticking" onion sets, you're late. How can we have the onion snow come in season if we don't "stick" the sets early? Somebody last year waited long and see what we got in April.

This Business of Buying TIRES. The tire buyer today is deafened by the claims of rival manufacturers. Everybody is yelling "bargains," "discount," "allowance" "guarantees" and "service"—all tricks of the trade. The car owner is surrounded by superlatives — bewildered by claims. Compared to tires of other years, doubtless many of these statements are true. Competition has made better tires. But in comparing tires today, the buyer who seeks his money's worth must consider one significant fact. It stands out alone, unchallenged and triumphant. It is this: MORE PEOPLE BUY GOODYEAR TIRES THAN ANY OTHER KIND. HAGAN'S GARAGE Centre Hall
