## GREGG TOWNSHIP COMMUNITY DAY, LAST FRIDAY, ENJOYED BY LARGE CROWD

The Twelfth Annual Community Day for Gregg township, held under the direction of the Gregg Township Vocational School at Spring Mills last Friday, was one of the most successful ever held in the community. A large crowd was present throughout the day in spite of the weather conditions which were not ideal for such an occasion. All of the various meetings, contests and other events listed for the day were exceptionally well-attended, and those present entered into all of the activities with a fine spirit. The day was successful because of the fine spirit of co-operation which existed among the citizens of the community and the students of the various schools in the township.

One of the surprises was the fine display of agricultural products which was of excellent quality in most cases, and was large considering the unfavorable season which we had. There were approximately 1600 exhibits of these products most of the products were brought in by the grade and rural schools, and the credit goes mostly to them for this excellent display of fruit, vegetables, grain, etc. The six rural schools in the township and the three grade schools at Spring Mills competed for three prizes in this class. The following points were taken into consideration by the judges in awarding these prizes: Enrollment of school, variety of exhibit, and quality. On this basis the first prize of \$5.00 which was donated by the Dairymen's League, was awarded to the 3rd school whose teacher is Mrs. Rena Wise. Second prize of \$3.00 to the grammar school at Spring Mills taught by J. Russell Condo; third prize of \$2.00 to the Penn Hall school, taught by Miss Sarah Vonada. Each of the other schools in the township received a special prize of \$1.00 for having a creditable exhibit.

### Poultry Show Large and of Excellent Quality

The poultry exhibited this year was declared by Prof. Knaedel, who had judged the poultry for several years, to be of the most excellent quality. The number of birds entered was more than double the number of any previous show. There were a total of approximately 100 pens, consisting of 250 individual birds displayed, which made a fine show. Much interest is being shown in the poultry exhibit as may be seen from year to year in the increase in the number of birds shown.

### Health Program Good

The Grange hall was crowded for the health program which was given at 9:30 A. M. The program was a most interesting one and was enjoyed by the large number of children present as well as the parents. Each school in the township had a part in this program which created considerable interest among the schools.

### Prof. E. L. Nixon Speaks

Prof. E. L. Nixon delivered an enthusiastic address at the general meeting in the afternoon. The Spring Mills band also played before this meeting and at the soccer game. This music was appreciated by all.

### Much Interest in Poultry Judging Contests

A large number of men and women entered the poultry judging contests held in the afternoon. Interest is growing each year in these contests as was shown by the number taking part Friday.

The winners: Women's contest—1st, Mrs. A. C. Mark, silver loving cup, donated by Sheffield Farms Co., Inc.; 2nd, Mrs. G. M. Long, prize, pair of blankets, donated by Smith & Corman; 3rd, Mrs. R. E. ### Junior Projects (1st, \$1.00; 2nd, 75c; 3rd, ribbon)

1st, John Zuber; 2nd, June Walker; 3rd, Stover Musser.

### High School Special Premium—A special premium of \$3.00 was given to the class having the largest and best exhibit. The premium was determined on the basis of ribbon awards: five points for first; three points for second, one point for third. On this basis the Junior class received the \$3.00 prize, having a total score of 155. Sophomore class, second, 121; freshman class, third, 116; senior class, fourth, 108.

### Games, Races, Soccer

Games and races were conducted by Mr. Sincer and Mr. Hefeman from the Bellefonte Y. M. C. A. for several hours on the athletic field, after lunch. Many pupils from the local and visiting schools entered the various games and races and as a result real competition and interest were in evidence.

### Beat Boalsburg in Soccer, 3-0

The G. T. V. S. boys kept their state clean for the year by handing Boalsburg a 3-0 setback in soccer as one of the main attractions of the afternoon. The game was interesting throughout and was one of the best games of the season.

### The G. T. V. S. girls' dodge ball team succeeded in winning the dodge ball game with the Boalsburg girls by the score of 25-5.

### Widening Road.

The widening of a stretch of road west of Loganston is again reviving the story of the improvement of another direct highway from Susquehanna river to Bellefonte and west. The project now said to be under way is the construction of a highway westward about midway between Route No. 220 and Route No. 45. The former running north to Williamsport and west to Bellefonte, and the latter leaving the river at Lewisburg, running west to Centre Hall and north to Bellefonte. The third route is to leave the river at White Deer, leading westward over Route No. 965, intersecting with Route No. 880 at Carroll over the same route to Loganston, Rose-rass, Salona, intersecting with Route No. 220.

### 4-H Member Shows Grand Champion.

In Crawford county, noted for its excellent Jerseys, Cash Courtney, a 4-H club member, exhibited the grand champion female of the open classes at the recent county dairy cattle show at Conestoga Lake. A. L. Baker, State College, club leader, reports:

Named first in the Jersey club round-up, Courtney's heifer, Rose Belle Honora, then was declared first prize junior yearling in the open classes of the dairy show. In winning the grand championship, she proved the best female of 42 shown.

## REFORMED CHURCH SYNOD MEETS

Eastern Synod, in Session in Philadelphia, Largest of the Church—Local Ministers Attending.

"Education without character is a liability." This warning is sounded in the annual statement presented to the 183rd annual session of the Eastern Synod of the Reformed Church, which convened Monday in historic Christ Church, 16th and Green Streets, Philadelphia.

The Synod is the oldest and largest in the Reformed Church. It was organized in Philadelphia in 1792 and now has 577 congregations with a total communicant membership of 147,629. Its congregations contributed \$530,112 for benevolent purposes last year, and \$2,154,235 for congregational expenses. The church property of this Synod is valued at \$18,795,400, and its personnel at \$2,734,450.

Statistical reports presented show that 5,582 members have been added during the year by confirmation, 2,166 by certificate, and 2,069 by renewal of faith. The total Sunday School enrollment of the Eastern Synod is 148,938.

Ministers from Centre county who attended the Synod sessions are Rev. Delas R. Keener, of Centre Hall; Rev. W. A. McClellan, of Rebersburg; and Rev. Harry A. Hartman, of Hublersburg; Rev. Thomas Thena, of Bellefonte; Rev. W. W. Moyer, of Boalsburg; Rev. G. A. Fred Griesing, of Aaronsburg; Rev. O. T. Moyer, of Howard; Rev. A. S. Asendorf, of State College.

### Return from Pacific Coast.

A short time ago the Reporter published a letter from S. P. Hennigh and son, Irvin Hennigh, while on their way to the Pacific Coast, traveling by auto. They returned home last week, and Mr. Hennigh gives this brief report of the remainder of the trip:

"After two weeks' stay at Los Angeles, we came East by way of the Santa Fe route through Arizona and New Mexico, up through Colorado to Denver. While in Denver it rained in the valley while the high mountain peaks were covered with snow. We went to Longmont, Loveland and Greeley, visiting friends at all these places, after which we came through Kansas, visiting the families of my three brothers; also my nephews and nieces. In New Mexico, Oklahoma and Missouri we continued our course south-east, and came to the home of my son in Birmingham, Alabama. Birmingham is one of the finest towns of the South. With its iron and steel works and having coal in the surrounding hills, makes it profitable in the manufacturing of iron and steel. Its dairy interests are also profitable and are carried on extensively.

### Corn Crop in Potter

In this issue of the Reporter a very interesting crop report covering the State appears, indicating the corn crop to be very much under normal. A number of farmers were interviewed with the idea of ascertaining an estimate of the yield of corn in Potter township and the result is not too flattering. The yield is estimated at between 40 and 50 per cent. of a normal yield of one hundred bushels ear corn per acre. On an occasional farm one of which is the L. R. Smith farm at Centre Hill, is expected a normal yield.

On most farms there are "spots" that will yield corn of very fine quality. It is a puzzle to many farmers how this was possible. These spots are on low deep soils.

### "The Best Preacher"

A local youth dubbed Jack Smith "the best and jolliest preacher he ever heard." Jack was doing his stuff at the sale of the personal property of the late Mrs. Badgro, when the boy passed by, and on reaching his home told his folks the "jolly preacher only asked for 5, 10, 15, and 20."

### Sheffield Milk Prices.

The net cash price to be paid the members of the Sheffield Producers Co-operative Association, Inc., for the milk sold by them in the month of September is \$2.74 per hundred pounds for three per cent. Grade B milk in the 201-210 mile zone, with the usual freight, grade and butterfat differentials. This is equivalent to \$2.94 net cash per hundred pounds for Grade B milk sold on a 3.5 per cent. butterfat basis. It is an increase of 18 cents per hundred pounds over the price paid for August milk.

Payment for their September milk reached members of the association beginning of this week. Dairymen are again urged to make all the milk possible in the next two months as to provide a supply that will take care of all requirements and thus avoid any extension of the present milk shed.

## FISHER REGIME PUTS 1 PER CT. TAX ON JOBBOLDERS

Club Used in Duns from Harrisburg On Men from Many Counties—Ten Days Grace.

Systematic plan of mulcting State employees of a portion of their salaries to finance campaigns of Republican candidates for offices in the various counties of the State is being carried on under the Fisher administration.

Last fall the State employees were "nicked" for \$400,000 to meet the cost of the Hoover campaign. General Edward Martin, State Treasurer and Republican State chairman, is adding the scheme by furnishing county Republican organizations with the names of State jobholders and their salaries.

Employees from several counties recently have received letters from the Republican committees in their home counties asking "voluntary campaign contributions," but the boldest and most frank of all the dunning letters came to light when indignant State employees from Perry county exposed it.

The letter, written on the stationery of the Republican county headquarters at New Bloomfield, is signed by D. C. Kell, Republican chairman of Perry county.

It gives Perry county State employees ten days in which to contribute with 1 per cent. of their salaries and informs them the decision to assess them was made "upon the advice of Judge Shull."

James W. Shull, a former Judge, is now a Deputy Attorney General under the Fisher administration.

A few paragraphs in the letter are repeated below:

"We have tried to the best of our ability to take care of you under the present administration, and it will only be a short time until a new administration will take the place of the present one, and if we are to succeed in retaining you we must have an organization that will have standing with the new administration.

"We also feel that when we solicit 1 per cent. we are only asking for one-third of what the State organization asked for last year, and, therefore, are moderate in our request.

"General Edward Martin, State chairman, has sent me a list of all persons holding positions at the Capitol, together with the amount of salaries being paid, and as your contributions come in they will be checked off and receipts will be forwarded you.

"You will make your check payable to either James W. Shull, New Bloomfield, or to J. L. L. Buckle, treasurer, New Bloomfield, and they will turn same over to the campaign fund. Please let us have your contribution not later than October 20, 1929."

### State College Borough Re-Mapped for Insurance Companies.

J. B. Havcock, who prepares maps of properties for fire insurance companies in order to classify and indicate the construction of buildings throughout the State, recently paid a visit to State College and now has re-mapped the borough for these companies.

In a summary of his work he computed and classified the following:

Dwellings north of campus	87
Dwellings south of campus	89
Total	176
Mercantile buildings	58
(containing 86 stores, 2 theatres, 2 hotels and 2 banks)	57
Total buildings other than college buildings	1071

Based upon the Government standard of computing 5 persons to a dwelling, State College should have a population of close to 5000 persons living in dwellings and apartments. To be fairly correct, 955 dwellings with 5 persons each would give 4780 persons of apartment dwellers. The student body is 4180, therefore the population of the college town is about 9660 persons.

### Three Killed in Train Wreck.

Plunging head-on into each other, Pennsylvania passenger train No. 4 and an extra freight early Thursday morning of last week carried three persons to their death and inflicted injuries upon one other. The collision occurred at Portage, between Altoona and Johnstown. One of the engines, it is believed, exploded after the impact and enveloped the crews in clouds of scalding steam. Traffic on all tracks was tied up by the debris and it was with difficulty that searchers made their way around the tangle in their search for victims.

According to unofficial reports the following were killed:

W. T. Johnson, engineer on the passenger train.  
Walter McClain, fireman on the passenger train.  
W. C. Reed, engineer on the freight train.

Officials of the company say no passengers were injured.

The world's series is over, but there's the election, the hunting season, and finally—Christmas—all of which will give the average red-blooded American plenty to think about.

The sale of personal property by Miss Thillie P. Keiser, advertised for Saturday, October 19, will be held one day earlier—Friday, October 18th.

## TOWN AND COUNTY NEWS

### HAPPENINGS OF LOCAL INTEREST FROM ALL PARTS.

Look at the label of your paper this week. If you paid on subscription, credit should be shown. If the figures indicate indebtedness to us, we would appreciate a remittance.

The home of J. A. Shaffer, near Tylerville, was recently destroyed by fire.

Of the 4056 under-graduates at Pennsylvania State at the present time, 3447 are men and 609 are women.

An enthusiastic prohibitionist from Renovo, James Stoddard, in a letter to the Philadelphia Record, refers to Susar Valley as "the Kentucky of the North."

Fred Bender the Rawlston products man is building an addition to his dwelling house, and making other improvements among which is the installation of a bath.

A stylish and moderately priced line of ladies' winter hats are now ready for your inspection at Mrs. Lucy Honner's millinery shop, Centre Hall. You are invited to come and see them.

Mrs. John Wherley, of Altoona, visited her brother, Samuel Shoon, and Mrs. Shoon here on Thursday. She was accompanied by her daughter and husband, Mr. and Mrs. Carl Hinton, and daughter, Carrie, also married.

The remaining names on the home schedule of the Penn State College team will be broadcast, play by play, over WPRC, the college station, according to announcement of the station director. WPRC operates on a frequency of 1230 kilocycles.

W. Harrison Walker was elected at the annual meeting of the trustees of Dickinson School of Law, State College, one of the incorporators of said institution. Mr. Walker graduated from the Dickinson School of Law in June, 1885, and has been practicing at the Centre county bar ever since.

Miss Mabel Hazan, a Gregg township school teacher, accompanied her brother, Ralph Hazan, and Mrs. Hazan, of town, to Williamsport, where she will remain during the school vacation period due to teachers' institute. While in that city she will be a guest of Mrs. Solomon Homan, a relative.

G. Frank Smith advises for work in the electrical line. He is a World War veteran, having done service in Company K, Second Division, and engaged in several of the major clashes, escaping injury until near the close of the conflict when he was mangled, from the effects of which he never recovered.

The bungalow home of Samuel Shoon is being made into a story and a half home by changing the roof from the ordinary one-pitch to a broken or hipped roof. This is being done too with the idea of finishing several rooms of the second floor. The carpenter work is being done by H. E. Poust and crew of workmen.

Those interested in the Yearick cemetery, along the State highway west of Madisonburg, will meet there for the purpose of erecting a fence and making other improvements, on Saturday of this week, or the following Monday if weather conditions are unfavorable on the first date. Tools and a noon lunch are two requirements.

The vigilance of the State game protectors ferrets about was felt by an innocent party in town who picked up a dead coon lying along the roadside. The dead animal was openly displayed here, as so much rubbish, but game wardens soon came on and wanted to know when, where and how. They were satisfied the game laws had not been purposely violated.

Mr. and Mrs. Fred Harvey were among others who attended the National American Legion convention and prolonged their stay at Louisville, Kentucky, and other points. While in the convention city the Harveys, who were accompanied by Mr. and Mrs. John Doty, were guests of Mr. and Mrs. A. C. Leathers, formerly of State College, also the home of the visitors.

A preliminary competitive examination will be held at Bellefonte, Clearfield and Bradford, October 23, at 9:00 A. M., for the selection of one cadet for admission to the U. S. Military Academy, July 1, 1930. Those receiving the highest grades will later take final examination by the War Department in March, and the one receiving the highest credits Congressman Chase promises to appoint.

With Miss Helen Bartholomew at the wheel of a Nash sedan, Mrs. C. E. Bartholomew and daughter, Miss Elizabeth Bartholomew, a clerk in the Penna Valley bank, and Miss Doris Moltz and Mrs. Susan Lutz, were driven to Philadelphia on Friday and remained until the middle of this week when all returned except Mrs. Lutz, who will remain a guest of Mr. and Mrs. James H. Lohr for a few weeks.

Mr. and Mrs. Jacob Meyer of Boalsburg, were guests here of friends of Friday night. Mr. Meyer has been postmaster at Boalsburg since the beginning of the Wilson administration, and has been giving the patrons of the office efficient service. Recently he was called on by Philadelphia's acting postmaster, G. W. Kemp. Mr. Kemp resigned before the primaries and was nominated a candidate for the office of city treasurer, but continues to serve as postmaster.
