

LOCAL AND PERSONAL.

Claude E. Musser, editor of the Millheim Journal, paid us a fraternal call on Monday.

A Montgomery Ward retail store is preparing to open for business in Lewistown by the last of this month.

Mrs. Andrew Immel, of Spring Mills, was taken to the Geisinger Memorial Hospital, on Wednesday, for treatment and possibly an operation.

J. S. Boozer, of town, and Charles Stitzer, of Pleasant Gap, both Crosley radio dealers, attended a radio show in Harrisburg on Friday.

Eugene M. Ralston, of the Millburg Hardware Company, was in town last week looking after the installation of Pyrofax equipment at Colderon's Koffee Shoppe, on top of Nittany Mountain. Mr. Colderon is highly pleased with the new form of gas which he is now using in his kitchen.

Samuel G. Gingsher, of town, and his nephew, Edgar Sommers, and two young daughters of Pleasant Gap, on Saturday returned from an auto trip to Niagara Falls and Toronto, Canada. The drive was greatly enjoyed by all of them, and was made in Mr. Sommers' Nash.

An additional stenographer at the Grand View Poultry Farm is Miss Dorothy Ishler, daughter of Mr. and Mrs. Frank Ishler, of Oak Hill Station. Miss Ishler is a graduate of the Boalsburg High school and later of the Potts business college, Williamsport. She is a sister of Mrs. James Seaton, and is known to many hereabouts.

Mr. and Mrs. A. B. Lee, Mrs. Hulda Meyer, and Mrs. H. F. Erdley, of Spring Mills, attended the York fair and also visited among relatives and friends Daniel Daup, Sr., Daniel Daup, Jr., R. M. Smith, Foster Frazier, and Earl Frazier, of Centre Hall, also visited the York county exhibition. The exhibits of cattle, horses, and fruits were said to be of an unusual fine quality, and larger in quantity.

When ready to return home from their Philadelphia trip, the Bartholomew family had a bit of trouble to induce the youngest member—Jean—to willingly leave the Adelphi hotel where they were stopping. Coming to Harrisburg the accommodations of the Penn-Harris were sought, and here, too, the child needed persuasion to leave for the good home awaiting at Centre Hall.

Mrs. Ada Butz spent a week with Mr. and Mrs. N. P. Grayson, at Shippenburg, and was brought back by the Graysons and Miss Nancy Grayson the latter part of last week. On their return home they were accompanied by Mrs. S. F. Greenhoe, who will remain their guest for a week. Miss Grayson is a school teacher and has the unique distinction of having taught school for a period of fifty years in the same building and room.

Phillipsburg Motorbus Company, whose application for the right to operate a bus line between Phillipsburg and Bellefonte, was approved by the public service commission, started the service on Monday over the highway route No. 53, by way of Snow Shoe and Milesburg. Two round trips are made daily. Bus leaves Phillipsburg at 5:15 a. m., arriving in Bellefonte at 9:40 a. m. Leaves Bellefonte at 10:00 a. m., arriving at Phillipsburg at 11:30 a. m. The second bus leaves Phillipsburg at 3:00 p. m., and Bellefonte at 5:10 p. m.

The dealers in Wayne feeds, feeds for both animals and poultry, met at Harrisburg, Wednesday of last week, and it proved to be one of the company's characteristic gatherings. From town the affair was attended by W. W. Kélin, Paul Lingie, W. B. Hannah, John E. Rishel, all of the Kélin poultry farm, and Thomas Delaney, a dairyman of near town. By the way, it might be stated that the McMillen Feed Company, the manufacturers of the Wayne feeds, is being taken over by the Allied Mills, whose stock is now listed on the New York curb market, and that it has made a rapid advance in price.

A group of State Highway surveyors are at work surveying the highway between Lewistown and Millroy for the laying of a concrete road in the near future. The surveyors, the latter part of last week, were working immediately north of Roadville. It appears that the latest survey will take the new road over the present highway through Millroy. A former survey located the road to the west of Millroy. On the south of Millroy, the new road will lead to the east of the present road to avoid several curves and a steep hill. It was the objection to a new road not following the old highway through Millroy that had much to do with holding up the entire project. The route adopted in the survey being completed now, appears to be satisfactory to the residents of Millroy and surrounding sections.

Mr. and Mrs. H. E. Shadle, of Beech Hill, West Virginia, are on an auto trip through Central Pennsylvania. While in town they were guests of Mr. and Mrs. W. Frank Bradford, whose friendship has been carried through a period of forty years. Mr. Shadle has been the moving spirit in extensive lumber operations until a few years ago when he turned over the business to his son, Harold Shadle, and is now giving his attention to Mt. Vernon Farm, a beautiful estate along the Ohio River. Mr. Shadle is doing diversified farming on a large scale. He is a breeder of Holstein and Swiss cattle, Belgian horses, riding and driving horses. A yearling Belgian colt carried off top prize at the West Virginia State fair. The animal was a year old in April, and at show time tipped the scales at over 1800. Milk production is a leading business on this farm. The estate is located in the most fertile section of the State. The farm gets its name from the fact that the mansion house is a close duplicate of Mt. Vernon of history, near Washington, D. C.

LOCAL AND PERSONAL.

Lester Garbrick, Potter township's "Lindy" is building a hangar for his home-made airplane, on the home farm west of town.

Miss Elizabeth Gross, eldest daughter of Mr. and Mrs. Samuel Gross, was taken to the Centre County Hospital Tuesday evening by Dr. Morrow for an appendicitis operation.

Mrs. Emma Stuart, Mrs. George Hall, of Boalsburg, and Mrs. John Stuart and Mrs. Ray D. Gilliland, of State College, were entertained at dinner by Mrs. Elizabeth Jacobs.

Mr. and Mrs. Clyde Dutrow and Mr. and Mrs. Claude Dutrow and two children, drove to Smulton on Sunday, where they visited the former's daughter, Mrs. Raymond Bair, and family.

Mr. and Mrs. Jacob Martin and family, and Mrs. Rush Meyers, all of Mercersburg, were guests over Sunday of the J. Elmer Royer family, in town. The families are cousins.

W. E. Shultz, tenant on the Allison farm north of Spring Mills, was in town on business on Tuesday. Like all up to date farmers, he is giving milk production attention and is keeping a dozen cows.

Mr. and Mrs. Albert Emery and their daughters, Isabel and Marjorie, and Mr. and Mrs. George Goodhart and daughter "Chickie," had dinner on Sunday with Mr. and Mrs. C. D. Confer, at Belleville.

Mrs. and Mrs. Cleveland Brungart and daughters, Misses Theima and Loraine, on Sunday took a 130-mile drive to Jersey Shore and from there to Lucillus, west of Hyner, and then south to Lock Haven.

On Tuesday evening Mrs. W. W. Keilin entertained a dozen boys, members of her class in the Lutheran Sunday school, at her home. The boys arrived in costumes appropriate to the Halloween season. A joyous evening was spent, a prominent feature on the program having been refreshments.

Mr. and Mrs. Lee Gearhart and two daughters; Mr. and Mrs. Lee Lingle and daughter all of Altoona; Mr. and Mrs. Paul Lingle, of Centre Hall, and Mr. and Mrs. James Bilger and daughter, Miss Sarah, of Pleasant Gap, were Sunday guests of Mr. and Mrs. George E. Heckman, on their farm east of town.

Doris Moltz, a relative of C. D. Bartholomew, and one of two sisters a member of the Bartholomew home since they were small children, was taken to the Lewistown hospital last week, and on Tuesday was operated on for the removal of one or more inward growths, by Dr. Cassidy. She is reported as getting along very well.

Two young men while returning home early Sunday morning from seeing their sweethearts, had a surprise on reaching a point near Smulton, when a five-pronged buck was hit by the car they were driving. The buck was killed and the car pretty badly damaged. The deer was dressed and taken to the Bellefonte hospital by game wardens.

Mrs. D. Milton Bradford, of town, has been a Geisinger Memorial Hospital patient since Saturday when she was taken to that institution by Dr. Morrow and her husband. On Sunday transfusion of blood from Mr. Bradford was made, and since Monday her condition is reported as very favorable. Today (Thursday) is the time set for an operation.

Misses Cherry and Isabel Jodon, of town, visited at the home of their brother and sister, Edgar Jodon and Mrs. Glenn Corman, in Millheim, during school vacation last week. Other school girls who were out of town at the same time were Miss Bette Elright, with her chum, Miss Wagner, in Lewistown, and Misses Sarah and Alberta Smith, with Mrs. Hosterman, a step-sister, in Coburn.

The sanitarium at Allenwood was visited recently by Mr. and Mrs. Harry Potter in company with Mrs. Potter's cousins, Mr. and Mrs. James Fisher, who live nearby. Additional points of interest are two farms, abandoned because of their unproductiveness, and now equipped with modern buildings and brought back to productivity by the introduction of dairying. All the stock on the farm now is pure bred.

Mrs. C. E. Flink very elegantly entertained the members of the Senior Service class in the Lutheran Sunday school here at her home on Friday evening, more than twenty of her associate members being present. The evening was spent in a most delightful manner, a few novelties having been introduced in the entertainment and educational line by her son, Harvey Flink. The refreshments, too, were in keeping with the remainder of the evening's program.

Mr. and Mrs. I. Y. Moyer and daughter, Miss Helen; the former's brother, Jacob Moyer, and Miss Moyer, all of Cleveland, Ohio, on an auto trip through the Virginias, came up through this section on Friday and were entertained by S. P. Hennigh, in town, and by Mrs. Moyer's brother, David Reardon, on the Reardon homestead in Georges Valley. Before coming here the party visited relatives in Reading and Allentown, and at Dillsburg they were at the home of Mrs. (Rev.) Samuel Moody, a sister of Mrs. Moyer.

A half grown bear visited the apple orchard on the Dutrow farm, tenanted by John Dutrow, east of town. Mr. Dutrow, in company with others, was walking through the orchard when at some distance they saw the limbs of a tree shaking violently. To ascertain who might be on the tree on a Sunday, the party moved cautiously, and soon saw the visitor was a bear, and then approach was made with yet more caution. When within fifty feet of the tree, brush spied the party and scrambled to earth and ran on toward the mountain without making apologies. He took no time to gather the apples he shook from the tree.

Laird—Rudy.

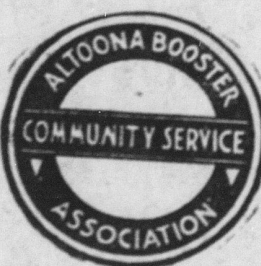

Russell L. Laird, son of Mr. and Mrs. Edward Laird, of Salona, and Miss Margaret Rudy, daughter of Mr. and Mrs. John Rudy, of near town, were married on Saturday at the Lutheran parsonage in Salona, by Rev. W. O. Libach.

DEAD STOCK REMOVED promptly, free of charge, anywhere, any time.—Vogt's Rendering Works, phone 36, Centre Hall; call at our expense.

School nurse says  
all girls should  
know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping." Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.
