**ARE YOU HAVING SALE!**  
 Permit us to remind farmers who expect to hold public sale this spring, that they should get their sale notice in the Reporter at once. By so doing it will be a matter of information for others who contemplate holding sale and will thus prevent conflict as to date. Most important, however, its advertising value. The Reporter circulates freely in the valley and your sale advertised here will repay the slight cost entailed many fold.  
 As in the past, no charge is made when sale bills are printed at this office; to others the charge is very reasonable.

**\$200.00 PAID FOR ONE COPPER CENT**

J. D. Martin, of Richmond Va., is the proud possessor of a check for \$200.00 paid him for an old copper cent. The Numismatic Company, Dept. 650, Fort Worth, Texas, who purchased this penny from Mr. Martin, says there are numerous old coins, bills, and stamps in circulation for which they will gladly pay big cash premiums. So that you will know the value of old coins and stamps and what to watch for in your change, the Numismatic Company will send for only 4c to any reader of this paper who writes them, a large illustrated coin folder describing some of these wanted articles and the big profits to be made. Better write them today for this large folder so you can post yourself and know just what to look for. Remember that Mr. Martin's knowing the value of his penny meant a difference of \$199.99 to him. Without knowing its value that penny might still be in circulation, passing through the hands of thousands until some one like Mr. Martin, who knows old coins, recognized its value. It pays to be posted. Send 4c now for the illustrated coin folder. You have nothing to lose, everything to gain.
