After all, maybe, if the Pinchot campaign is all let to former Judge Arthur Dale, the State chairman, Pinchot stock will be low for the year on May 21st. The bit of news that the former Centre county judge is the big "it" in the campaign, ought to encourage the bears to go into a big drive. Former Congressman Benjamin K. Focht, of Lewisburg, is again a candidate for the lower National House. This will be the fifth time he will be a candidate against Congressman Edward M. Beers, and it is predicted he will again be unsuccessful. For the past year Focht has been serving as secretary on the staff of Governor Fisher.

GREGG TOWNSHIP VOCATIONAL SCHOOL NOTES. Plans are complete for Athletic Banquet Friday Night—Everything is in readiness for the G. T. V. S. athletic banquet to be held in the Vocational building at Spring Mills on Friday night at 7:30. All available space at the banquet table has been taken by the thirty-two G. T. V. S. guest athletes and citizens of the community who have sponsored the first banquet of this kind to be given at the school. There will be approximately ninety persons present. The program which will be in the hands of J. C. Robinson who will serve as toastmaster, consists of talks by citizens, students, awarding of letters and an address by Coach Wm. Jeffrey who during the last season coached the Penn State soccer team to the Inter-collegiate championship. A fine dinner and a real enjoyable program is the outlook for this occasion, and the only discouraging factor has been that due to the limited space, some who have expressed a desire to attend cannot do so because all tickets have been sold. A fine interest and spirit has been exhibited by the many who have been active in promoting this new enterprise.

Senior Play Well Attended—The Grange hall was taxed to its full seating capacity last Friday night when the class of 1930 gave the play "Rose of the East Side." The class appreciates the support given them in this project and thanks all who in any way helped to make it the success which it gained. Seniors Present Banner to School—The class of 1930 recently presented a beautiful large school banner to the school. It is the wish of the class that this banner be placed in the lower hall where it may be viewed many times by all who frequent the building and it should serve as a constant reminder of the principles and standards of the school for which each student strives. The class will be remembered for this gift which will be admired by all for years to come.

Girls Organize Home Economics Club—The girls of G. T. V. S. have recently organized a home economics club which will be active in promoting the interest of the girls in the school and in the community. They are planning a program which will be given this spring, details of which will be given later. Easter Vacation—The Vocational school will be closed on Friday and Monday April 18 and 20, due to the regular Easter vacation period. The grade schools and rural schools in the district will not observe the above vacation. Entrance Examination April 25-26—Entrance examinations to the Gregg Township Vocational school will be given on Friday and Saturday, April 25 and 26 in the Grammar room at Spring Mills. Eighth grade pupils are eligible to take these examinations. The examinations will begin at 9 A. M. Friday, and will be completed Saturday morning. Andy Rockey, tenant on one of the Col. Bond farms near Linden Hall, purchased the horse from Mr. Dodds previously sold by him to Raymond Walker and later returned. Mr. Rockey is quite certain he will be able to handle the animal and finally make a family horse of him.

Isaac Fisher, aged forty-five years, who was killed at the Lock Haven paper mill when he was caught in the wheels of a rotary machine, Monday morning, was a brother of Mrs. Robert Hoy, of State College.
