

LOCAL AND PERSONAL.

The early sown oats is up well and doing fine.

Preparations are underway to oil and chip Church street.

Paul Bradford, farmer at Old Fort, is planting 5000 onion sets. The sets are of this year's growth from seeds.

Mr. and Mrs. H. A. Stover, of Yeagertown, visited Mrs. Stover's cousin, Mrs. William Rockey, and husband, at Boalsburg, recently.

Miss Elsie Bearick, daughter of Mr. and Mrs. W. O. Bearick, of Milroy, was elected one of three eighth grade teachers in the Milroy public schools.

All of the Millheim grade school teachers and the teachers in the Penn-Haines and Millheim High school have been re-elected for another year.

Hayes Zettle purchased the small house on a side street north of the P. R. R. station, erected a number of years ago by Roy White, and is living in it.

Be careful when you read the time of day these days. Note particularly whether it is or is not Daylight Saving time. If you read right you will more likely be on time.

Mr. and Mrs. A. H. Spayd entertained at their home, on Friday evening, the members of the Grange Encampment and Fair committee. A splendid dinner was served.

The heavy clouds on Monday prevented a good view of the eclipse of the sun in this section. For a very brief period the phenomenon was visible without interference from clouds.

The wife and children of the late William Biltner wish to extend their sincere thanks to all neighbors and friends who so kindly assisted them during the sickness and death of the husband and father.

Miss Mary Robb, daughter of Mr. and Mrs. N. E. Robb, of Bellefonte, has been elected a teacher in the senior High school at Philipsburg for the term 1930-31. Miss Robb will graduate from Wilson College, Chambersburg, in June.

The State highway between Pleasant Gap and State College is being oiled and chipped. The road between Old Fort and Potters Mills, Old Fort and Millheim, and Centre Hall and Rebersburg are also to be oiled and chipped in the immediate future.

A regular meeting of the Centre County Past Grands Association will be held at Centre Hall after the regular I. O. O. F. lodge session Saturday evening, May 3rd. All past grands are cordially invited. Bring one with you.—Chester A. Spayker, secretary.

A new barn is being erected on the J. C. Treaster farm on Sigler's Hill, near Milroy. This structure was burned a year ago in December. What caused the fire has never been known, but it is supposed to have been caused by tramps sleeping in the structure.

A tenant house on the W. A. Ruffer farm at Colyer, has been leased by Willie Horner, of Altoona, for a summer cottage, and week-end visits to the place will be enjoyed throughout the summer months. Besides Mr. and Mrs. Horner and family, Mr. and Mrs. William Kramer, also of Altoona, are interested parties.

The members of the men's chorus are requested to meet at the Presbyterian parsonage this (Thursday) evening at 7 o'clock, for practice preparatory to rendering music at the reception of the new pastor, at the M. E. church, the same evening. The wives of the members of the chorus are also invited to attend the reception.

Three or four fires broke out on State Forest lands, in Seven Mountains, about one mile east of the Sweetwood hunting camp. The fact that so many fires occurred in the same region indicates the firing to have been done purposefully, although no one can give a reason why any one would want the section burned over. The section where the fires occurred is along the "detour" road over Seven Mountains.

Charles H. Shingler, a Penn State student, while waiting at the diamond here for a chance to ride over Nittany Mountain, was hit by a car coming up the Brush Valley road. The student secured a hold on the fender and protected himself from being knocked to the ground. He, however, was cut and bruised some about the head and face. Dr. Morrow dressed the wounds. The driver of the car, whose name was not made known here, is said to be from Milroy. He took the student to the physician and paid for the services. Mr. Shingler is a resident of Altoona.

Three beavers were taken through town last week by Jess Hassinger, a State trapper, of Reedsville. The animals were captured in Union county, and will be held by Mr. Hassinger until ordered to be delivered at some suitable point by the State Game Commission. One of the beavers is judged to weigh forty pounds. The traps used are so constructed that no injury is done the animals when caught in them. Mr. Hassinger also had with him a pet raccoon. He had the freedom of the car and responded to every move of friendliness on the part of those who looked him over and petted him.

On Tuesday B. D. Brislin accompanied his daughter, Mrs. Roxanna Robertson, to her home in Hartford, Conn., where he will make his home for the present. The trip was made by train. Mr. Brislin has lived in Centre Hall since early in the seventies. His first venture in business here was a confection and tobacco store in the Felmelee building, on the site where the Lutheran church now stands. He later engaged in other lines, lumbering being the leading one. He was twice postmaster. He carries with him the best wishes of a large circle of friends to his new home in the New England State.

SCHOOL NEWS OF INTEREST.

C. H. H. SCHOOL NOTES.

**Will Observe School Day, May 9—**  
Centre Hall High school will observe School Day at the High school building, Friday afternoon, May 9. Not only will the High school be included in this, but the grade schools also.

The sewing class, instructed by Miss Geary, and the Manual Arts club, instructed by Mr. Wetzel, will exhibit the projects that they have made during the school term. The Manual Arts club members specialize in basketry and their exhibit will include trays, waste-paper baskets, etc., while the girls in the sewing class will exhibit patches showing different articles, and also pajamas, dresses and embroidery.

Tyrtles are being trained by the biology class for a turtle turban, which will be one of the events of the afternoon.

Baseball games between Rebersburg and Centre Hall teams, girls and boys, will entertain the patrons in the afternoon.

An entertainment on the school ground is being arranged for the early part of the evening.

Local High Defeats Hubersburg.

On Friday Centre Hall High won its first baseball game of the season, from Hubersburg, by the score of 13 to 4. Hubersburg received its second defeat for the year. Wert had 3 hits out of 5 times at bat; Bradford was second with 2 two-base hits. Spayker '32,

pitched his first High school game and did splendid work, allowing only one run during the seven innings he was on the mound. Bradford started the 8th but called on Jordan to finish the game. Jordan did not allow any runs to cross the plate. The team gave the pitchers good support.

On Friday the local team will meet the Howard boys at Howard.

The players: Centre Hall—Bradford, ss, p; Wert, c; Lutz, 1b; Breon, 2b; Luse, 3b; Spayker, p, ss; Jordan, 1f, p; Hartley, cf; McClellan, rf; Wilkinson, 2b; Colborn, rf.

Hubersburg—Lee, 2b; Armstrong, ss; Stover, 3b; Hockman, p, 1b; Cornman, cf; Fravel, 1b; Yarnell, 1f; Clevantine, rf; Crow, 2b.

Girls' Defeat Port Matilda—

On Tuesday afternoon, the Centre Hall High school girls' baseball team won over the Port Matilda girls, 25 to 11. The first inning, Polly Williams, one of "Port's" girls, had the misfortune of spraining her knee, but it did not prohibit her from finishing the game. Both teams excelled in batting, but fielding was inferior with the exception of one inning when Hazel Smith, 1f, Alta Cummings, 1b, and Agnes Cummings, cf, made spectacular catches and retired the side in a short time. Theresa Andrews, pitcher for Centre Hall, did splendid work not only in the pitcher's box but also in batting as well.

That Upkeep Matter

WHEN you have decided what size of car to buy—whether it be a four—six—or eight cylinder, and you have picked the type of body best suited to your needs—it is then time for you to make up your mind that you are going to give that car the attention it needs.

Care in breaking in a car means a lot. It may double or treble the life of your car, regardless of what make it is. Chosen with care what kind of gasoline and oil you buy. It will pay you large dividends.

I have a friend who listened to this advice and he has thanked me many times. He has had three new cars in nine years, all of the same make. And when he turns his old car in for a new one, the increased allowance pays him for his care. In all three trade-ins he has been allowed as much money as the average one or two year old car brings.

He washes his cars, or has them washed, once a week. And each time he sees that the grease cups are filled. Every 500 miles he changes the oil in the crank case and refills the transmission and the differential when the car instructions bid him do so.

Taking my advice he uses only Pennsylvania grade lubricants for, in my opinion, oil made from Pennsylvania paraffin base is more uniform in grade, has more body and is more cooling than any other oil.

This decision was arrived at only after years of racing on tracks and driving on roads. The automobile must be regarded in much the same manner as the human body. If it is to perform efficiently and economically, the motor must be put on the proper diet.

Many motorists are careless about the kind of gasoline and oil they purchase. I notice frequently that it is these motorists who complain about the "lemon" they have bought. The modern gas station is equipped to oil and grease your car in a few minutes. The expenditure of these few minutes will pay you.

HOLDING COMPANY FOR DAIRYMEN'S LEAGUE

Creation of the Dairy League Cooperative Corporation has been authorized by the Board of Directors of the Dairymen's League Cooperative Association, Inc., and papers of incorporation will be filed in Albany soon.

The Dairy League Cooperative Corporation will be a holding corporation organized under the provisions of an act passed by the State legislature last winter amending the cooperative corporation law in relation to the formation of cooperative agency corporations. This corporation will make possible a broader application of modern business and financial methods to the business of the Dairymen's League Cooperative Association.

The Dairy League Cooperative Corporation will have preferred and common stock. Only the common stock will have voting power, and all of this must be held by the Dairymen's League Cooperative Association. The law under which incorporation is made specifies that the common stock may be owned only by a cooperative organization. Preferred stock will be distributed under an arrangement whereby holders of the League's Certificate of Indebtedness may exchange them for the 7 per cent preferred shares.

NEW ADVERTISEMENTS.

For Sale—Good second-hand range, all fixed up; cheap. Also two good double heaters, cheap.—W. H. Miller, Bellefonte.

DEAD STOCK REMOVED promptly, free of charge, anywhere, any time.—Vogt's Rendering Works, phone 36, Centre Hall; call at our expense.

FOR SALE—5 shoats, weighing about 80 lbs. each.—H. R. Wolfe, Centre Hall.

A sedan belonging to E. E. Lane, Bellefonte, was stolen on Sunday by Edward L. Switzer, aged thirteen years, for a joy ride. He was accompanied by a boy from State College. Switzer was taken to jail and the State College boy was turned over to the juvenile court officer. The ride ended in the car running into a porch.

Announcement!

We have taken on a Complete Line of NIAGARA DUSTING MACHINES and MATERIALS.

BRADFORD & CO. CENTRE HALL

Improve Wool Quality by Careful Shearing.

To improve the quality of fleeces taken from sheep this spring, County Agent R. C. Blaney suggests several timely hints.

Sheep should be shorn when perfectly dry. Also, it is advisable not to drive the sheep in from a dew covered pasture in the morning. The part of the fleece which is turned inside in tying is bound to be wet under those

conditions. "Shear on a perfectly clean floor" Blaney urges. "Remove all dirty locks and foreign material from the fleece before tying. Tie each fleece separately with paper twine, using only enough string to keep the fleeces together."

The Centre County Wool Growers' Association penalizes all growers 2c per pound for wool not tied with paper twine.

Store wools where they will keep

dry. The basement or cellar never should be used for this purpose.

Growers who are not members of cooperative wool pools are urged by County Agent Blaney to get in touch with him or some neighbor who belongs, in order that the organization can be explained. Last year the cooperative groups marketed 508,000 pounds of Keystone wool, or two-thirds of the medium wools produced in the State.

Summer

--and for the MEN

--and the Graduate

Is just beyond the horizon. We are ready to show you the most interesting Dresses and Coats for early Summer wear. Not only styled nicely, but priced right.

we have prepared an elaborate group of Suits—every one the choicest value that we could find and priced—well from \$10.75 to \$22.50, and higher—mostly in 2-pants Suits.

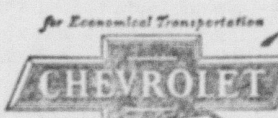

Either boy or girl can safely come here and know that the proper blue suit or white dress—and all the accessories—will be waiting—moderately priced for the proper things.

only Chevrolet Dealers sell USED CARS "with an OK that counts"

There's no greater assurance of used car value than the Chevrolet red "OK that counts" tag, found only on the used car stocks of Chevrolet dealers. This tag guarantees that the car

bearing it has been carefully checked and thoroughly reconditioned by expert mechanics. If you want reliable transportation—insist upon a used car "with an OK that counts."

2 OF THE SPECTACULAR VALUES

The great reception accorded the new Chevrolet since its introduction, January 1st, has brought unusually large numbers of fine used cars to our showrooms. To make room for further trade-ins we must clear our stocks at once. Therefore we are offering these spectacular values for 3 days only—typical selections from our used car stocks. Buy now and profit by these extraordinary savings.

LOOK AT THESE BARGAINS!

1926, 1927, 1928 Chevrolet Trucks. Your choice of any one. You cannot be disappointed in them as to economy, mechanical features and general conditions, ranging in price from \$200 to \$500. Bought on easy terms.

1927 Chevrolet Coach. If you were to go from coast to coast you could not get a buy like this; nothing to do on this car to improve it any way. \$95 down payment and \$16 per month through GMAC.

1925 Ford Truck. Truck buyers look this over. Two foot extensions; Rux-steel axle; Platform body; tires in good condition. Very reasonable at \$75.

Ford Touring, in good running condition, ready for actual service. Just the car for a beginner. You cannot buy the tires for on it for the price we ask, which is \$15.
