

LOCAL AND PERSONAL

Paul Palmer, of Potters Mills, is an apprentice with John M. Cotron, painter and decorator.

Albert Emery, mail carrier on route No. 2 from Centre Hall, is driving a new Chevrolet coach.

Robert Q. McClellan has been appointed constable of Harris township in place of William Raymond, deceased.

The men's chorus will meet for rehearsal this (Thursday) evening in the Presbyterian church. Everyone out.

The Woman's Missionary Society of the Evangelical church will hold a bake sale in the Sunday school room of that church, Saturday afternoon and evening.

George Rimmey, of town, and Miss Susie Bloom, of State College, drove to Pittsburgh on Saturday in the former's new DeSoto sedan, and returned home Sunday.

Mr. and Mrs. Frank D. Lee motored to Williamsport, on Thursday, to look after Mrs. Lee's residence property, in that city, which Mrs. Lee is offering for sale.

Mothers Day will be appropriately observed in the Penns Valley charge Methodist churches. The pastor will deliver a special message in honor of Mother.

The next meeting of the local W. C. T. U. will be held at the home of Mrs. Margaret Godshall, on Monday evening. This is a change of time from Tuesday evening.

The barn on what is known as the James Davis farm up Bald Eagle valley, was burned on Monday. The property is owned by the sons of the deceased Mr. Davis.

Roy Dutrow last week shipped two hundred leghorn roosters to the eastern market. The average weight was between one and one-fourth and one and one-half pounds.

Misses Fay Bradford, Algie Emery and Beatrice Brown are members of the two-year group to graduate from Shippensburg State Teachers' College. They are all graduates of the Centre Hall High school, class of '28.

Horton Ray, formerly landlord at the Brockhoff House, Bellefonte, is employed by the Highway Department, and carried the danger flag while oiling operations were in progress in Centre Hall.

The family of the late James H. McCool take this means to extend thanks to neighbors and friends who so kindly assisted during the last illness of husband and father, and also at time of death.

Prof. Lewis Lenhart, of the State College public schools, was named assistant county superintendent of schools for Centre county, by Supt. F. G. Rogers, on Saturday. He succeeds Prof. H. C. Rothrock.

Struck by a car, Saturday morning, Ruth Rossman, eight years old, of Millbrook, near State College, suffered a fracture of the left leg. She was taken to the Bellefonte hospital where her condition is regarded as serious.

An advertisement for Blair's Jewelry Store Bellefonte, was delayed in the mails from reaching us in time for this week's issue but will appear next week. It tells of Blair's Semi-Annual Sale, starting May 10th,—everything reduced!

F. A. Linderman, superintendent of motive power of the New York Central shops at Avis, has announced that 115 men resumed their duties at the locomotive shops on Monday morning. These men were laid off when the forces were reduced February 11.

Samuel Gephart, merchant at Rebersburg, was one of a number of gentlemen from various parts of the valley who were in town Monday evening.

Irvin Burris, of Yeagertown, was also here at the same time. They were the escorts of members of the Eastern Star who met that evening.

One of four horses hitched to a spreader, on Saturday morning, fell dead while being driven by his owner, Harry Wolfe, east of town. The animal appeared to be in perfect condition when hitched up. Nothing unusual was noticed until reaching the field, and then in an instant it was all over.

The comment on the thoroughness of oiling and chipping the State highways through this section of the valley is not very favorable. Probably it was done as the department in charge ordered it, but to those supposed to know nothing about road oiling and chipping it looks bum.

The first consignment of pipe—a car load—arrived at Centre Hall station and will be used for piping gas through the borough. It appears mains will be laid in the alleys on the east and west sides of Main street and the lines to houses brought in from the rear. This plan has been adopted to avoid digging up the front of homes and disturbing the hard surface road through town.

Blaime Lester, of town, and John Lockhart, of Lemont, last week went to Cleveland, Ohio, in a truck and brought back with them a concrete mixer for their employer, O. W. Houtz. Mr. Houtz is a contractor and builder operating at State College, who employs a number of men—laborers and mechanics—from here regularly, and finds them efficient in their special lines of work.

On the 20th Inst., Miss Lenora Foust will graduate from the school for nurses at the Cooper Hospital, Camden, New Jersey. She will, however, remain at the same hospital until about September, at which time she will enter upon a position offered her in the Maternity Hospital, Woodbury, N. J. Miss Foust has been in love with her work ever since she took up the study of it, and has been forging ahead. She is a graduate of the High school here and was active in sports and other school movements. The graduation exercises at the Cooper Hospital will be attended by her father, H. E. Foust, Potters Mills; Mrs. C. D. Bartholomew, Misses Helen, Elizabeth and Jean Bartholomew, of town; E. L. Bartholomew and daughter, Miss Mary Helen, of Altoona.

C. H. H. SCHOOL NOTES.

**Patrons' Day, Friday—**  
Patrons' Day will be observed by the Centre Hall High School and the grade schools on Friday, May 9, beginning at 1:00 o'clock P. M.

An exhibit of club work and class room projects for the year will be displayed in the school building. The sewing club, directed by Miss Geary, will display dresses and undergarments, and the manual arts club, directed by Mr. Wetzel, will display the articles they have woven.

Lath scrap books, and General Science note-books by the Freshman class; Biology note-books by the Sophomore class, and Health posters by the Sophomore Health class, will be exhibited.

The Rebersburg boys' and girls' baseball teams will meet on the local field and provide entertainment for the afternoon.

Several contests, including "Stealing

sticks race" and a "peanut scramble" will be conducted for the children.

The Athletic Association will serve refreshments during afternoon and evening. These will include hamburger and hot-dog sandwiches, soft drinks and ice cream.

The evening program will begin on the school lawn at 6:45 with a May-pole dance by twelve High school girls. The color scheme for the dance is pink and blue. An Assembly Review will follow the May-pole dance. This will consist of numbers presented in Assembly programs during the year.

Later in the evening an Arithmetic contest will be conducted for the 8th grade and a spelling contest for the 5th and 6th grades.

All patrons of the school are invited to attend the entertainments and visit the exhibits on School Day.

**PUBLIC SALE.**  
of an entire herd of 27 Head of Holstein Cattle, 3 Miles East of CENTRE HALL, along State Highway Route 45, on WEDNESDAY, MAY 28, 1930, consisting of—  
8 Registered Cows,  
6 Grade Cows,  
2 Registered Heifers, 2 years old, will be fresh by time of sale,  
3 Registered Heifers, 1 year old,  
1 Grade Heifer, 1 yr. old,  
2 Grade Heifers, born since August 1st,  
4 Registered Heifers, born since Oct. 1st,  
1 Registered Bull, 5 months old.

These cattle are above the average in type and production; the breeding is along the best and most popular lines. In type we aim to have a straight top that stand up well on hind feet, an animal good to look at, as a thing of beauty is a joy forever.

In production these 14 cows produced over ten tons of milk in March, delivered to the local milk station. The daily milk production of these 14 cows delivered to the local milk station is greater than the daily milk production of any other herd of cows whose milk is delivered to any of the five nearest milk stations. The Cow Testing Association records for the month

of April show an average daily production of 59.3 lbs. of milk per cow per day. The individual production record per day is from a 10-gallon can of milk per day, down.

Herd fully accredited for seven years. Sale starts promptly at 1 o'clock P. M. Refreshments will be served on the premises by the Ladies' Aid Society.  
JOHN SNAVELY.

# HERE ARE THE SENSATIONAL 3-POINT PRICE REDUCTIONS

Every obstacle to owning an electric range now removed!

If you've felt that current costs too much for cooking . . . this new rate materially reduces cost of range operation.

**CURRENT COST 13/4 REDUCED**

If you've hesitated at the cost of an electric range . . . you now can have your choice of three leading makes at this bargain price.

**RANGE COST \$150.00 REDUCED \$119.50**

If you've dreaded spending \$50 or more to put in an adequate meter entrance for an electric range . . . there's no charge now.

**INSTALLATION COST \$50.00 OR MORE ELIMINATED 0**

This month marks the beginning of a new era in home-making! A new era in cooking and water-heating convenience!

Now you can begin using current for cooking or water heating and the cost will compare favorably with that of the smoky, smelly fuels that have been generally used in the past.

Now you can buy a 1930, all-white electric range . . . a Hotpoint, a Westinghouse or Electrochef . . . any one of these three leading makes for a price as low as \$119.50 and up. At \$119.50 you get the advantages of electric cooking at a first cost comparable with any other type of range.

Moreover, we will install adequate meter entrances *without charge*. That's a revolutionary announcement! The sixty-ampere, three-wire entrances which are required cost, in labor and materials, \$50.00 or more. This is now a part of the Company's equipment. The price

of the range, itself, is practically your only cost. And if you rent instead of own, you can move your electric range to your new home at slight cost.

Every woman would like electric cooking. It's clean, it's safe, it saves time and labor! It produces better and tastier food! It's fast! . . . And now it's low in cost!

So every obstacle is removed to your enjoying it . . . to your having a fine, modern, electric range. Come in and see the \$119.50 electric ranges and let us show you how the current rate reduction can benefit you, personally.

**. . . AND AN ELECTRIC WATER HEATER, TOO**  
The reduced current cost makes water heating with electricity even more practical than before . . . thus you can have the full comfort of complete electrification.
