for

HARAI D. SUUL The Candidate With a Record of

Fine Service Performed

Senator Scott's record in public office stamps him as an outstanding representative of the people.

He offers his candidacy upon the basis of the service that he has given, both as a private citizen and as an elected leader in public affairs.

He has refrained from the use of abuse of any person in presenting his case before the voters. He believes in a constructive citizenship.

He believes in building up; not in trying to destroy.

He does not regard the office as a sinecure ; he believes that it is a deep obligation placed in the hands of the person who occupies the office, and that the people are entitled to the best service humanly possible.

Senator Scott asks that you calmly view his record of accomplishment in behalf of all of the people of the Thirtyfourth Senatorial District; that you weigh his modest claim for re-election against that of his opponent.

Your Good, Sound Judgment Will Say

Vote for HARRY B. SCOTT for State Senator at the PRIMARY ELECTION ON TUESDAY, MAY 20th
