Clearfield County.  
For Representative in General Assembly:  
**JOHN G. MILLER**, Ferguson Township.

**AUTO DRIVER IS HELD  
FOR MANSLAUGHTER**

William Lucas of Bellefonte said to  
Have Been Driving at Excessive  
Rate of Speed When Accident Oc-  
curred in Which Harry Ward Was  
Fatally Injured.

Following the accident on Snow  
Shoe Mountain road about 12:30 Sun-  
day morning, in which Harry Lingde  
Ward, aged 41 years, a resident of  
Bellefonte, was fatally injured, the  
driver of the car, William Lucas, also  
of that place, was arrested, on a  
charge of manslaughter.

An inquest was held Sunday after-  
noon at the F. L. Wetzler funeral  
home by County Coroner Dr. Heaton,  
and it was decided that Lucas had  
been driving at an excessive rate of  
speed and that he will be held on a  
charge of manslaughter, for court  
trial.

The accident occurred when the Lu-  
cas car sideswiped a car parked  
along the highway, and which was  
being repaired by its driver assisted  
by two State patrolmen. The Lucas  
car struck the parked machine, con-  
tinued on down the highway and up-  
set. The driver and another occupant,  
Allyrt Miller, of Bellefonte, escaped  
uninjured.

Mr. Ward was picked up unconscious  
by the patrolmen and taken to the  
Michael Furl filling station nearby,  
where he was given first aid and then  
taken to the Centre County hospital,  
being admitted at 1:45 Sunday morn-  
ing. He died at 2:45 that afternoon of  
a fracture of the skull and other in-  
juries.

Mr. Ward is survived by his wife  
and four children, Annabelle, Mary,  
Paul and Elwood, all at home. The  
following brothers and sisters also sur-  
vive: Robert, of Elmira; Grover, of  
Pittsburgh; B. Ward, of Sunbury;  
Mrs. Bella Thomas, of Johnstown;  
Mrs. Alda Gregg, of Berwick; Mrs.  
Lillian Woomer, of Boalsburg; and  
Mrs. Herbert Miller, Bellefonte.

Funeral services were held at his  
home Wednesday afternoon, in charge  
of Rev. Stuart Gast, pastor of the  
Episcopal church, and burial made in  
the Union cemetery.

At a hearing before Justice Tressel,  
Lucas was held in \$1000 bail for ap-  
pearance at court. The charge was  
involuntary manslaughter. Lucas was  
represented by Attorney W. G. Run-  
kle.

week. If you paid on subscription, cred-  
it should be shown. If the figures in-  
dicate indebtedness to us, we would ap-  
preciate a remittance.

**DEATHS**

**WHITEMAN**—After an illness ex-  
tending over a long period, during  
which time she underwent an opera-  
tion, Mrs. Anna Belle Whiteman pass-  
ed away at her home in Centre Hall  
on Tuesday morning.

Mrs. Whiteman, before her marriage  
to John Wesley Whiteman, who died  
ten or twelve years ago, was Miss  
Anna Belle Puff, a daughter of Levi  
and Catharine (Osman) Puff, and was  
reared in and about Centre Hall. She  
is survived by two children—John W.  
Whiteman, who lived with his moth-  
er, and Mary, wife of Charles W.  
Geary, of Newport; also several grand-  
children. John H. Puff, of town, and  
Lizzie, wife of W. M. Grove, of Ber-  
wick, are brother and sister, respect-  
ively, of the deceased.

The deceased was aged sixty-five  
years. She was long a member of the  
Evangelical church, and her pastor,  
Rev. W. E. Smith, will have charge of  
the funeral services which will be  
held this (Thursday) afternoon, 2:00  
o'clock, at the home.

**THOMAS**—George Thomas, eldest  
son of Clifford S. Thomas of near Pot-  
ter Mills, died very suddenly on Sun-  
day, 22nd ultimo, at his Brooklyn (N.  
Y.) home, from a heart attack. He  
was aged forty-two years, married, but  
leaves no children. For some years  
past he conducted a pecan farm in  
Albany, Georgia, and it had been his  
custom to spend his summers in  
Brooklyn, his native city. On a num-  
ber of occasions he visited his father  
here. Besides his father, who attend-  
ed the funeral in Brooklyn, on Thurs-  
day, he is survived by his mother and  
two brothers, Richard and Ash-  
bridge, all of whom at present are lo-  
cated in California.

**MILLER**—William F. Miller, aged  
67 years, of Lamar, was found dead  
in bed at his home Thursday morning.  
He was in his usual health when he  
retired.

The county coroner, Dr. W. J. Shoemaker,  
of Lock Haven, made an investiga-  
tion and found that the man had  
suffered a cerebral hemorrhage. He  
was born at Tylersville, Sugar Valley,  
Clinton county, and resided there un-  
til seventeen years ago, when he moved  
to Lamar.

He was the caretaker of the land  
owned by Charles Steele, of Northum-  
berland. He had for many years been  
an active member of the Evangelical  
church, near Clintondale.

Mr. Miller is survived by two sons  
and three daughters; Albert D., of  
Sidmann; Glenn A., at home; Mrs.  
Frank Heltman, of Mill Hall; Mrs.  
Wm. C. Griev, of Salona; Mrs. Charles  
Nihart, at home. One brother, George  
D., of Ebensburg, also survives.

Funeral services were held at his  
home Sunday afternoon in charge of  
Rev. Jacob Zang, of Williamsport, a  
former pastor of the church of which  
Mr. Miller was a member. Interment  
was made in St. Luke's cemetery near  
Clintondale.

**GARRICK**—Joseph J. Garrick,  
aged 83 years, a native of Centre  
county, died at the Centre County  
hospital Saturday morning of a com-  
plication of diseases incident to ad-  
vanced age.

He is survived by three sons and a  
daughter: Charles and John Garrick,  
Mrs. J. Clyde Jodon and Harry, of  
Bellefonte. Two sisters, Mrs. Mary  
Showers, of Bellefonte, and Mrs. Ches-  
tie Rote, of Coleville, also survive.

Funeral services were held at the  
home of his daughter, Mrs. Jodon, on  
Tuesday afternoon. Interment in the  
Zion cemetery.

**LOCALS WIN TWO.**

**Centre Hall, 2; Bellefonte, 1.**  
Centre Hall got back into their win-  
ning ways again, at the expense of the  
Bellefonte Independents on their  
own field last Saturday afternoon.  
When the curtain fell the final score  
was 2 to 1 in the locals' favor.

The game was fast and interesting  
throughout. There was no scoring  
until the seventh when Bellefonte  
made their lone score on a sacrifice  
and error. Centre Hall came back in  
the eighth with two scores due to  
Bradford's hit and Bellefonte's over-  
throw. The locals had 11 hits to 3 for  
Bellefonte. The pitching of Paul Martz  
was the best demonstration seen this  
year. His control was good and he  
was unusually cool and strong in the  
pinches.

**Centre Hall, 4; Whitetock, 6.**  
Rain broke up the ball game be-  
tween Centre Hall and Whitetock, at  
Pleasant Gap, Tuesday evening, but  
not until the legal five innings had  
been played. Centre Hall won easily,  
4 to 0, hammering both "Gap" pitch-  
ers, while Gross held the opposition  
helpless, striking out the first four  
batters up, and eight during the game.

**Sure Death on Insect Life.**

H. C. Robison, of Milesburg, a former  
Centre Hall resident, has placed a  
remarkable spray outfit on the mar-  
ket which is intended to kill flies and  
all kinds of insect life in house or  
barn. The cost of this equipment is  
low and it is easily handled. Mr. Rob-  
ison manufactures the outfit himself  
and guarantees the material absolute-  
ly and says if you try it once you  
will be more than pleased with the re-  
sults.

Address Mr. Robison at Milesburg  
for prices, etc. adv.

**Transfers of Real Estate.**

ternity, to R. J. Gilligan, Rec., tract  
in State College; \$1.  
Annie M. Guisewite, et al, to Clay-  
ton E. Boob, tract in Haines twp.;  
\$5,300.

**GRANGE ENCAMPMENT  
AND FAIR NOTES**

Work on Grange Park goes steadily  
onward and the various improvements  
which have been undertaken for this  
year are being pushed forward so that  
when the opening day for the Fair  
arrives everything will be in readiness  
for the great event. And there is  
every indication at this date that in  
a number of features it will surpass  
what has been done in the past. The  
committee, comprising the board of  
management, are working earnestly  
and energetically to that purpose.

No new buildings will be erected but  
in other ways important work  
is being done, which, there is no  
doubt, will meet with general approv-  
al. Work which will be of perma-  
nent value in the development of the  
grounds and are the result of intelli-  
gent planning toward greater beauty  
and increased efficiency.

First in view is the new and sub-  
stantial fence in process of erection  
along Hoffer street from which the  
main entrance opens. This undoubt-  
edly when completed will make a fa-  
vorable impression on visitors as it is  
a fence designed for this particular  
purpose. The landscaping in plots on  
each side of the main entrance add  
much to its appearance and gives  
promise of increased beauty as years  
pass. Additional shrubbery was plant-  
ed about the Horticultural building,  
Educational building, auditorium and  
headquarters. Varieties suitable for  
the purpose were selected and the  
plantings were arranged by an experi-  
enced landscape architect with the  
assurance of continued beauty during  
the entire season. And while planted  
in the spring a splendid percentage  
of growth is apparent.

The poles have been placed for the  
rebuilding of the electric lines and  
when this needed improvement is  
completed at an outlay of several thou-  
sand dollars better and more satis-  
fying electric service will be furn-  
ished. Provision will also be made so  
that it will be possible to have cur-  
rent during the entire season.

Additional tree planting was made  
in the early spring largely to take  
the place of trees not making proper  
growth. Also several thousand ever-  
greens were planted on the hillside  
which, added to those already grow-  
ing there, will be of lasting value and  
beauty.

There will be further changes in the  
arrangement of the camp this year  
which, following the system adopted  
last year will be a step toward the  
permanent streets and avenues which  
it is hoped finally to have laid out and  
preserve from year to year. This sys-  
tem will permit development without  
confusion. The number of tents pur-  
chased this year (50) added to those  
already owned by the Association as-  
sures a much greater camp for the  
coming Fair. And there is a greater  
demand for tents than the committee  
can supply—a matter of regret.

There has been much discussion of  
the water supply on Grange Park and  
the means for securing same and  
while no definite conclusion in the  
matter has been reached at present it  
is certain in the near future, that by  
some method the management plan to  
procure an adequate supply for all  
purposes—even to a swimming pool  
which would add materially to the ad-

vantages and beauties of the park.  
The premium book is about com-  
pleted and will be issued the coming  
week. It shows progress along many  
lines and is of real value to the ex-  
hibitor. The program for the week  
contained therein will be found inter-  
esting and entertaining. Speakers of  
State-wide prominence in the present  
political campaign will be here and,  
from an educational standpoint the  
committee are sparing no efforts to  
make the week a success.  
There will be a committee meeting  
on Grange Park Friday evening, July  
11th, at which time all members are  
urged to be present.

With cheaper gas today we can drive  
more for the same money. But let  
us drive carefully.

Does it  
tire your eyes to  
read at night?

GAS RANGES

The World's CLEANEST  
GAS RANGE.

Insulated and  
Ventilated

Patented  
Even-Heat  
Burners

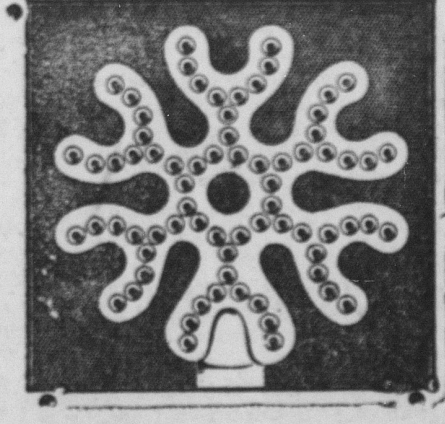

Full Floating  
Grates

No exposed bolts, nuts or screws.  
Porcelain Fused on Armco Iron.

Our  
Even-Heat  
Burner

Scientifically constructed, em-  
bodies a radial feature of 14 cir-  
cle principles. The heat is the  
same at all points; intensive  
heat, evenly distributed, saves  
time and gas. Porcelain finish  
makes them easy to keep clean.

The MOST BEAUTIFUL  
GAS RANGE MADE

"E-Z Kleen"  
Burner Box

No overhanging ledges. When  
grates are removed there isn't  
a single obstruction. Can be  
cleaned with a few strokes of a  
cloth.

This is the gas range suggest-  
ed by women.

Many of its wonderful fea-  
tures are the result of recom-  
mendations from thousands of housewives.

The modern kitchen demanded a modern range, and the WHITE  
STAR was designed to fill this demand. It has actually brought a  
new standard of beauty and cleanliness into the kitchen.

MANY PATENTED and major improvements. Exclusive features  
found only on the WHITE STAR Range. Everything the latest, beau-  
tiful stream line design. Pemco rotar-fused porcelain, scientifically fus-  
ed in electrically heated rotary furnaces, gives that marble-like finish.
