**LOCAL AND PERSONAL**  
A son was born to Mr. and Mrs. Al-  
bert Smith, in town, on June 28th. He  
has been named Gerald Leroy.  
Mrs. Verna Rowe, a Bell Telephone  
operator here, is at Atlantic City and  
will remain for a week or more.  
Miss Helen Meyer, clerk in County  
Treasurer L. J. Smith's office, was a  
hospital patient last week. Her place  
was filled by Miss Verna Chambers.  
Ralph Neff, son of Mrs. C. R. Neff,  
of near town, and a Penn State gradu-  
ate, has accepted a position with the  
American Chain and Wire company,  
and will be located at Wooster, Mass.

Mr. and Mrs. J. S. Booser and chil-  
dren and Mr. and Mrs. J. W. Brad-  
ford and daughter, on Wednesday  
morning went to Crawford county  
where they will spend a few days at  
Conneaut Lake.

The family of the late Mrs. Anna  
Belle Whitman take this means of  
expressing appreciation for kindnesses  
shown, on the part of neighbors and  
friends during the sickness and sub-  
sequent death of Mrs. Whitman.

Miss Corbellie Emerick returned to  
the Centre County Hospital on Monday  
for further treatment and probably an  
operation. Her condition, while at her  
home here, was not improving, con-  
sequently the second hospital atten-  
tion.

The last reports from Mrs. A. E.  
Kerlin, who underwent an operation in  
the Clearfield hospital the last day  
of June, indicate much improvement.  
Mr. and Mrs. W. W. Kerlin and son  
William have been at Clearfield for a  
week.

**Wheat Crop Fine.**  
The farmers in Penna Valley are  
harvesting one of the finest wheat  
crops grown in this section of the State  
in many years. The stand of wheat  
is good all over the county, and the  
heads are said to be well filled with  
fine kernels, making the yield a good  
one.  
The wheat crop has been for a long  
term of years one of the farmer's main  
supports, but the low price of this  
product today cuts deeply into his in-  
come. As the price of wheat governs  
that of all other grains produced on  
the farms, there will be little money  
left for some of them to spend after  
their taxes are paid.

**CRIPPLED CHILDREN'S CLINIC  
HAS LARGE ATTENDANCE**

The Crippled Children's Clinic held  
under the direction of the State Wel-  
fare Department and sponsored by the  
Centre-Clearfield Crippled Children's  
Society was very well attended. Dur-  
ing the forenoon four operative correc-  
tions were made. Following the five  
casts were applied and during the af-  
ternoon sixty cases were examined. Dr.  
Gabraith, the orthopedic surgeon from  
Altoona, arrived at the hospital at  
7:30 A. M. and did not leave until 7:30  
P. M. It was a long busy day for the  
doctors, nurses, the parents of the chil-  
dren and the kind people who gave  
their care to bring to those children  
who were unable to get transportation  
otherwise.  
May 31st marked the end of another  
year of the Centre-Clearfield Crippled  
Children's work. During this period  
nine regular clinics were held and nine  
follow-up clinics. There were thirty-  
five operative corrections made, seven-  
ty-five casts applied, fifty-seven new  
casts examined, four hundred forty  
nine cases re-examined and thirteen  
braces applied.  
In spite of the economic depression  
which has had the effect of lessening  
the giving for philanthropic purposes,  
there has been a good support for this  
work. The contributions for the year  
were \$1189. The expenses for braces,  
and for examining clinics, orthopedists'  
fees, \$1652.34.

With the balance carried over from  
the preceding year and with the \$476-  
60 paid toward the examining clinic  
fee by the State Welfare Department,  
the expenditures were not quite cov-  
ered but with an early contribution of  
\$50.00 from the parents of one child  
and with a check of \$150.00 contrib-  
uted by the Rotary Club of Philipsburg,  
the expenditures outside of the hospital  
expenses were met. The hospital  
contributed \$7,155.40 worth of free  
treatment for crippled children.  
The society finds that in view of  
present conditions the record for con-  
tributions is very good. It wishes  
earnestly to thank the clubs and in-  
dividuals who have contributed so gen-  
erously toward the work.

**Colored Campmeeting at Old Fort.**

Black Billy Sunday, discuss the sub-  
ject from Job 21:30—"A Damn Hot  
Day." It was a masterly sermon and  
was enjoyed by all. The singing, led  
by Mrs. Mary Blackwell of Buffalo, N.  
Y., was very good.  
The public is cordially invited to at-  
tend these meetings and hear this  
gifted divine preach some peculiar ser-  
mons. Rev. W. Blackwell, of Buffalo,
