John Geary and family, of Sunbury, did not fail to spend last week on Grange Park as has been their custom since removing from this place a number of years ago.

J. Corwin Johnston, of Mt. Union, who is an inspector of honey bees in the employ of the State, was a visitor last week at the home of his cousin, Rev. J. M. Kirkpatrick.

A full attendance is desired at the men's chorus practice on Thursday evening of this week at the Presbyterian manse. It is hoped to elect officers on that date—Sept. 4th, at 7:30.

The Altoona auto races on Labor Day were witnessed by a number of persons from town and others, guests of friends here. Among them were John H. Knarr, Wilbur McClellan, Leroy Kasby, W. W. Kerlin, O. E. Bailey, Peter Turner, Mr. Hollis and Mr. Coy.

W. A. Odenkirk, on Monday, accompanied Robert Roland, George Camp and Miss Dorothy Fleming to Glenn Olden, in the Darby district, Philadelphia. The parties had been guests of the Odenkirk family. Mr. Odenkirk is expected to return home in two weeks.

Mr. and Mrs. George H. Long, of Newark, Ohio, on their way to Spring Mills brought with them the former's sister, Miss Ida Long, who was at Uniontown, this state. The Longs visited their brother, C. P. Long, and other relatives and friends, and, of course, spent some time at the Grange fair.

Mr. and Mrs. W. H. Lingle, of near Cente Hall, accompanied by Mr. and Mrs. H. H. Eisenhuth and son Guy, returned on Friday from a ten days' motor trip to points in Ohio, Indiana, and Michigan. Mr. Lingle stated that he found the crops in the midwest suffering from the effects of the drought about the same as here.

What is known as the cut-off between Phillipsburg and Sandy Ridge, a stretch of 20-foot concrete pavement seven miles in length, is completed. It lessens the distance between the two points by about two miles, and also to eliminate bad curves, and avoids all railroad crossings. The new section is a portion of the Lakes-to-Sea highway.

One of the purposes of the car inspection during the period from September 15 to October 31 is to rule off the road worn out cars. Garage owners and mechanics from garages designated as official testing stations are assembled at each county and are given instructions in the work they are to do.

Dr. W. E. Fischer, D. Gearhart, the former's granddaughter, Miss Margaret Keen, and a driver, of Shamokin, stopped for a brief time with friends in town on Saturday. The party was returning home from a trip to Berlin—Dr. Fischer's boyhood home section. Dr. Fischer is in fine spirit and Sunday held his first service after his summer vacation.

Mr. and Mrs. P. L. Worrel, of Cleveland, Missouri, have been guests of Mr. and Mrs. Marcellus A. Sankey, at Hollidaysburg, for more than a week. This week they go to New York City and later will return to Centre county expecting to visit Mr. and Mrs. John S. Dale at State College before returning to their western home. Mrs. Worrel will be remembered as Miss Mabel Sankey, of Potter township.

Mr. and Mrs. J. H. McWilliams were guests of the former's sisters, Mrs. F. V. Goodhart and Mrs. W. H. Potter, in town, for a few days, leaving Tuesday morning. Up to within a month the McWilliams family lived in Kentucky, where Mr. McWilliams was interested in a company developing a rock asphalt mine, which project was not successful. He is now employed by the Sun Oil Company, in Pittsburg.

Mrs. T. L. Moore, of town, Mr. and Mrs. Guy Crowe, Mrs. Christine, of Elysburg, and Mrs. Charles Hull, of Shamokin, formed an auto party who left for Illinois on Friday, their objective point being Macomb, where a son, Calvin Christine, of Mrs. Christine and a brother of the ladies lives. Mr. Christine, who when a boy lived here with his parents, is now engaged in farming. The party is expected back by Sunday.

Miss Fay Bradford is teaching school in Juniata county, and will have charge of a one-room school house known as Bethlehem, four or five miles north of Millerstown, and near Seven Stars. She went to the school community on Friday with a view of coming in contact with the patrons of the school before the term opened. By the way, to properly locate the school in question, it is stated that there are at least two points known as Seven Stars, and a third is a town whose post office is Seven Stars, in Pennsylvania. The town by that name is in Adams county, and then there is the parting of the highways of Route Nos. 45 and 450, in Huntingdon county, and the one previously referred to in Juniata county.

School nurse says all girls should know this

TALKING to a roomful of high school girls on personal hygiene, an experienced district nurse said: "One of the basic rules of health for girls is to keep the system functioning naturally at all times. Normal exercise and diet habits should be encouraged. But when necessary there's no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when nujol should always be taken. Take a spoonful every night for a few days. It's a thoroughly safe and harmless method. It won't cause distress or gas pains or griping." Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so pure and harmless, and works so easily. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine.
