GREGG TOWNSHIP VOCATIONAL SCHOOL NOTES

Community Fair, Friday and Saturday, October 10 and 11—

An attractive program has been arranged for the Gregg Twp. Community Fair to be held at Spring Mills on Friday and Saturday of this week. The exhibits will be on display in the Vocational building and gymnasium. They will be open for inspection on Friday from 9 A. M. until 11 P. M., and on Saturday from 11 A. M. until 11 P. M. Exhibits may be removed after 9 P. M. on Saturday. All exhibits are entered free. The privilege of exhibiting is not limited to members of the various schools in the township. Everyone in the community is invited to display products of the farm and garden as well as home products, such as canning, baking and fancy work. Premium lists have been distributed throughout the schools and may be obtained at any of the township or schools at Spring Mills.

Children's Health Program—

The children's Health Program will be given on Friday in the Grange hall at 9:30 A. M.

Games and Races on Friday—

Games and races have been arranged for both boys and girls in all grade from one, including eighth.

Chicken Supper, Friday—

One of the worth-while events will be the chicken supper served by the Home Economics Dept. in the Vocational building on Friday from 5:30 to 7:30 P. M.

Two Poultry Judging Contests—

Poultry judging contests for both men and women will be conducted at the gym. Friday at 2 P. M. Six prizes will be awarded in each contest.

Friday Evening Program—

At this meeting Dean Watts of the School of Agriculture at Penn State will give an illustrated lecture on his Round-the-World Trip. Music will be furnished by the Spring Mills band, and other entertainment features will be given by students.

Soccer, Band, and Dodge Ball—

Saturday afternoon at 2 o'clock the Spring Mills Band will play at the athletic field during the girls' dodge ball contest and the boys' soccer game. The Harris Twp. Vocational school boys and girls will be the opponents of the Gregg Twp. school teams.

Saturday Evening Program—

Saturday evening students of the Vocational school will present a comedy: "Squaring It With the Boss" in the Grange hall at 8:00. Music will be furnished by the girls' chorus and orchestra. This program promises to furnish real entertainment and fun. Prizes will be awarded at the close of the program.

Horse Shoe Pitching Contest—

A new feature this year will be a horse-shoe pitching contest to be held at the gym. on Friday at 3:15 p. m. A special premium will be awarded the winner. This contest will be run off immediately after the men's poultry judging contest.

C. H. H. SCHOOL NOTES.

Defeat State College at Soccer— Centre Hall High school opened its league season Friday, October 3, at

State College in good fashion. The final score was 4-0 in favor of the locals. The game was fast and interesting throughout with State College showing a stubborn defense, but the locals were large and fast for them. John Spyster, acting captain, was the "big gun" on the offense, scoring three goals; while Bruce Hartley and Luse were the defensive stars. The next league game will be played on the home grounds this Friday, when Port Matilda will be here.

Howard and Hubersburg to Have School-Community Fairs—

The dates for the school-community fairs at Howard and Hubersburg have been set for October 16 and 17 respectively.

The program of events for these two fairs are completed and final arrangements are now under way. The Howard fair is to be held Thursday, October 16 and will be of the usual high standard. Already the grade and rural school teachers have signified their intentions of coming in with exhibits from their schools. In addition to these the high school classes will compete for honors. All persons concerned are doing everything possible to make the fair a real success.

The Hubersburg fair, which is to be held on the following day, Friday, October 17, promises to be the best fair ever held in that place. The teachers, principal, school board, pupils and parents have taken hold in a way that insures success.

In both fairs the judging of all exhibits will be in the hands of specially selected judges. The judging has been divided into three divisions, namely: Agriculture, Home Economics and Academic. The first named will be handled by R. C. Blaney, county extension representative; the Home Economics will be handled by Miss Alexon, county Home Economics extension representative, who has just taken over the work of Miss Mamie Lovelace. The Academic work will be judged by Mr. Lenhart, newly appointed assistant county superintendent.

Athletics will be a prominent feature in both fairs. At Howard the local High school football team will meet a worthy opponent on the gridiron at 2:30. A soccer game will be the leading sports event of the Hubersburg fair. In both cases the girls will meet teams in volley ball and doge ball from other schools. Present plans call for sports in the morning for the youngsters. These games will most likely be led by Mr. Heineman or Mr. Stager of the Bellefonte "Y."

The exhibits at Howard this fall will be left until 9:30 P. M. in order to give those who are unable to get in during the afternoon a chance to come in the evening.

An added feature of the Hubersburg fair will be the afternoon program. Mr. Haney has arranged for a very fine entertainment. The pupils of the school will render a short play and the orchestra will play several numbers. An attempt will be made to have some real group singing.

The school-community fairs are held for the people of the above named communities and it is hoped that they will do their part by attending. To all persons out of these communities we take this means of inviting you to come in to see what the pupils are doing.

Mr. and Mrs. Red Wagner of Williamsport, spent Sunday at the home of the former's parents, Mr. and Mrs. J. A. Wagner.

Miss Phyllis Wagner has been appointed by J. Russell Condo of St. Mark's Sunday school as a representative to the State Sunday School convention to be held at Scranton.

A FARMER near Ithaca, N. Y., wanted to have his straw baled, provided he could find a place to sell it. He drove here and there in his car, making inquiries. No one wanted to buy. Then he thought of a man some distance away who used straw in considerable quantities. He stepped to the telephone and called him up. He sold him 15 tons, then and there.
