## SIX COUNTY OFFICES DRAW THIRTY-SEVEN CANDIDATES

### Twenty-Six Republicans and Eleven Democrats Already in Field for Primary Up to This Time

Thirty-seven candidates are in the field for six offices in Centre county, and according to reports, many others are expected to enter before the primary fight gets under way.

The list includes 26 Republicans and 11 Democrats. The prevailing reason for so many aspirants is given as no available lucrative employment and, as the majority of the candidates are past middle age, it is believed they are seeking office as a means of livelihood, and not because they are anxious for political preference.

The following list shows the number of willing ones:

For Sheriff—L. Frank Mayes, of Leontine; Nathan R. Lamoreaux, of Philipsburg; James Letzel and Harry Keeler, of Bellefonte, Republicans; John H. Boob, Millheim; Elmer Breen, W. C. Auman, and Sime H. Hoy, all of Bellefonte, Democrats.

For County Treasurer—Harry F. Jones, C. C. Shuey and O. G. Morgan, Bellefonte; Philip E. Womelsdorf, of Philipsburg; and R. G. Burnett, Rush township, Republicans; Robert F. Hunter, Bellefonte Democrat.

For Recorder—Lloyd A. Stover, Bellefonte, and Mack H. Hall, Millersburg, Republicans; D. A. McDowell, Axe Mann, Democrat.

For Register—W. Frank Sasserman, Thomas Morgan and Harold Cowher, Bellefonte; N. R. Stiver, Julian; Clark N. Alkey, Millersburg; and S. S. Osman, Port Matilda, Republicans; E. R. Taylor, Bellefonte, Democrat.

For Prothonotary—E. R. Hancock, Philipsburg; and Leland J. Walker, of Boalsburg, Republicans; S. Claude Herr, Democrat.

For County Commissioner—H. H. Miles, Unionville; Newton I. Wilson, Warriorsburg; Howard E. Holtzworth, Fleming; James M. Deitrick, Zion; Harry W. Franz, Centre Hall, and Mahlon R. Hasey, Rush township, all Republicans; T. M. Huey, Benner township; J. Wilson Wright, Bellefonte; and O. S. Woerner, Rush township, Democrats.

## PINCHOT TAKES WHACK AT S-O-TT

Governor Pinchot returned without his signature to the Senate bill by Senator H. B. Scott, making an appropriation to trustees of the Philipsburg State hospital to pay notes executed by trustees in 1927 for construction in excess of the hospital appropriation.

The Governor held the trustees had no authority to contract for greater work than the appropriation authorized and that they were personally responsible for notes and that money did not constitute a deficiency.

Had Senator Scott gone along with Pinchot on all his wild political schemes the governor might have come to a different conclusion. A governor who withholds an appropriation from an institution like Penn State for no apparent reason other than its faculty failed to support him; at a primary, would not need change his methods to sign a bill like that offered by Mr. Scott.

## PINCHOT PLEDGES USHER FIRE

An effort is being made through the State courts to restrain Governor Pinchot from adding a clause to the constitutional pledge now required of all applicants for State positions. The pledge demands that office holders support the Pinchot policies for governor.

The suits specifically ask that Governor Pinchot be enjoined from insisting upon the inclusion of the clause, which is termed a pledge.

The motivating factor in filing the suits, it is set forth, was the refusal of Mabel M. Hamilton, Philadelphia, to subscribe to the pledge and the consequent rejection of her application for notary public. She had been commissioned for 24 years.

The bill, in attempting to interpret the pledge, sets forth that the policies referred to "are campaign policies of the defendant, Gifford Pinchot, and the purpose of obtaining said pledge relates to the advancement of his own personal political ambitions and not to the qualifications of the applicants for office."

## Homan Motor, Co. Auto Sales

The following parties purchased Chevrolet cars recently from the Homan Motor Company, Centre Hall:

Wm. Osman, Spring Mills 1½ ton truck;  
Charles L. Edwards, Bethlehem, 5-window coupe;  
Carrie M. Benn, Lewistown, special sedan.

## Potters Mills Hotel Register

The most recent guests at the Potters Mills hotel were these:  
Andy O'Donel, Wagner; Steri Goss, McClure; W. E. Raker, Shamokin; James H. Snyder, Shamokin; Mr. and Mrs. R. W. Markle, Bellefonte; Mr. and Mrs. Samuel McCoy, Philadelphia; J. A. Johnson, Clearfield; Mrs. Kate E. Walk, Millroy; O. M. Copelin, Harrisburg.

The Logan House, long a prominent hotel in Central Pennsylvania, will be razed to make room for a new Federal building in Altoona. This history became noted during the Civil War, as it was the place of meeting of the eleven war governors in the north called together by Governor Andrew G. Curtin and there commended the course and pledged their support to President Abraham Lincoln.

## STATE COLLEGE HIGH SCHOOL STUDENT TAKES LIFE

### Jack Sauer, Aged 18, Home from School at Noon, Shoots Self—Had Difficulty at School

Grim tragedy stalked into the home of Mr. and Mrs. Harry Sauer, of State College, Thursday last week, when their son Jack, 18 years of age and a senior in the State College High school, shot himself for reasons unknown.

Although not a morbid sort of lad, the young fellow had come home from school at noon following difficulties there. He did not seem to be different than usual, yet refused to eat his lunch. A few minutes later the family were startled from their dinner table by the sound of a shot in a front room.

The fatal accident occurred about 12:30 o'clock, but he did not die until more than an hour later. All that the boy uttered after being picked up by his father were the words, "It's getting dark."

He is survived by his father and mother, and one brother, Kenneth. He was a member of St. Paul's Methodist Episcopal church and Sunday school and well liked by his many friends in the community.

## INJUNCTION SOUGHT AGAINST ERECTION OF POORHOUSE

Former Judge Ellis L. Orvis, of Bellefonte, has been engaged by the Clinton County Voters League to assist Abraham Lipez, of Lock Haven, in preparing and presenting a bill in equity at the April term of court at Lock Haven, this week, requesting the court to grant an injunction restraining Clinton County commissioners from carrying out their plans to erect a poorhouse at Hyner.

Petitions have been circulated through the county and more than 6,000 names secured.

The petitions were originally circulated to ask Senator R. S. Quigley and Assemblyman J. A. Simps to have the Act of 1925, making Clinton county a poor unit county, abolished and to return to the old manner of borough and township care of the poor, but that plan has been abandoned because it is too late to introduce new legislation at the present session in Harrisburg. Hence the present move is to prevent the commissioners from proceeding further with the election of the county home.

## STUDENTS WIN PRIZES FOR VOCATIONAL EXHIBITS

The cash awards for the Vocational exhibits entered in the Farm Products Show at Harrisburg have just been received. Three Centre county boys entered in the agricultural classes of the county Vocational Supervisors are among those receiving these awards.

John Miller, of Hubersburg, won first prize of \$5.00 in the Russett class, and second prize of \$2.00 in the potato sweepstakes. Clarence Hoy, of Pleasant Gap, won second prize in the Russett class, while Kenneth Breen of Hubersburg, won fourth prize in the same class. Clarence in winning section gets \$2.00 while Kenneth Breen's fourth place carries \$2.00 prize money.

The quality of the exhibits entered by these boys was very good. Each boy grew and selected his exhibits, a part of the work of the vocational classes.

These winnings should serve as a stimulant for the other boys in the agricultural classes. They, too, can show their products and stand equal chances of winning.

## Crushed Arm Amputated

Vera Gearhart, son of Mr. and Mrs. Fred Gearhart, of Pine Grove Mills, on Saturday forenoon met with an accident that made the amputation of the right arm necessary. He was assisting a group of men at State College to load one of a number of very large drain tiles onto a truck and in some manner the tile slipped, striking the young man and knocking him to the ground. His arm was caught under the tile and so badly crushed it that amputation was immediately resorted to. A number of serious bruises were also inflicted on the body.

Scholarship Day at the Pennsylvania State College will be observed in conjunction with the annual college celebration of Mothers' Day, on May 9, The Mothers' Day celebration starts May 8 and continues over May 10.

Most of the men employed from town are working for contractor Houtz, while the college proper also has some employees from here. Among others regularly engaged by the college or some firm, are Messrs. Irvin Zettle, W. C. Booser, Samuel Gross, Sheridan Garis, Isiah Emory, Blaine Leister, Lester Garbrick, Charles Coldron, Andrew Mark, Albert Meyer, Guy Shunk, Edward Ritter, Curtis Reber, Milford Luse, Elwood Smith, Elmer Runkle, Clyde Walker, Joseph Smith, Bruce Smith, Emory Floray.

## Control Disease by Feeding Milk Mash

A 40 per cent. milk mash mixture has been found valuable in treating coccidiosis, County Agent R. C. Blaney reports.

In making up the mixture, 40 pounds of powdered milk, 20 pounds of yellow cornmeal, 20 pounds of ground rolled oats and 10 pounds of bran are used. This mixture has a protein content of approximately 25 per cent.

As soon as the first symptoms of the disease appear, take all feed away from the birds and give them access to only the 40 per cent. milk mash and water. Usually a 5-day treatment will be enough. Nothing but condensed milk to eat and water to drink for a 2-day period also has given beneficial results. Milk sugar products have also given good results.

## Bill Warner Class Numbers 18

(Received too late for last week.)  
Two hundred and two members of the I. O. O. F. of Centre county lodges were present Monday night for the installation of the officers of State College lodge No. 1032, and to witness the conferring of the first degree on nineteen candidates from five lodges of the county, these being designated the Bill Warner Class in memory of the late William P. Warner, Past Grand of Lodge No. 1032 and at the time of his death, District Deputy Grand Master Elect.

The installation was the last of the spring installations by District Deputy Grand Master J. E. Klinger, of Leontine, who ends his most successful term at this time. Mr. Klinger set out to get a good turnout of members at his installations, both last fall and this spring, and was most successful. The total attendance, of members of host lodges and the October installations was 464 and at the spring installations 749 which certainly is a record.

The initiatory degree was conferred on the Bill Warner class at Millheim before a total attendance of 174 members.

The second degree was conferred at Centre Hall at which meeting there were 192 Odd Fellows present.

The third degree was conferred by the Centre Lodge No. 153 in their hall at Bellefonte, last Thursday evening, and a record attendance was present.

The class and the fine attendance of Odd Fellows from all over the county is a fine tribute not only to the excellent organization built up by District Deputy Grand Master Klinger, but is also, perhaps even more so, a loving memorial to that fine member of the State College lodge, after whom the class is affectionately named—Bill Warner.

## ANNUAL MEMBERSHIP DRIVE CENTRE COUNTY HOSPITAL

The annual membership drive of the Centre County Hospital, under the direction of John S. Sommerville, of Bellefonte, chairman, with a corps of captains and collectors, which is organizing now, will start on National Hospital Day, May 12th, 1931. Our hospital has the distinction of being one of a very few hospitals with small endowments, which has been able to operate without a deficit for the past two years in spite of the great increase in charity work.

This has been made possible through the unique plan of membership in the corporation and the generous annual contributions.

By the generous contributions of the county, corporations, business firms, churches, lodges, civic organizations, individuals, etc., and 2300 members of our corporation, some who do not reside in the county, which have enabled the management to supplement the State appropriation for the charity work, maintain repairs and improvements and add new equipment.

A special effort will be necessary during 1931, to take care of the increased charity work due to the business depression, and we bespeak your combined interest and generous support.

With a successful membership drive the management will be able to carry out their plans for new equipment and improvements, which will help to relieve some of the suffering, take better care of patients and make things more pleasant for those who require hospital care.

There are seven characters in the play: Solomon Hankski, second-hand dealer; Carrington Racket, crook, and the antics of the Trimm twins are well worth going to enjoy.

The Junior Workers class of the local Lutheran Sunday school is sponsoring it and tickets may be secured from any member of the class.

The time is Friday, May 1st; the place, Grange Arena.

A large crowd attended the play when it was given in Bellefonte two weeks ago. By request the play was repeated Tuesday evening.

The Sunday school orchestra will furnish music between the acts.

Barnum and Bailey and Ringling Brothers circus, scheduled for Altoona some time in June, cancelled the engagement, due, no doubt, to the depression and its consequent money shortage. Altoona is a good circus town when business is booming.
