

LOCAL AND PERSONAL

Charles Eungard and daughter Irene, of the Penns Cave district were in town Saturday and called on the Reporter.

Rev. and Mrs. D. R. Keener, during last week, visited their respective homes at Myerstown and Fleetwood.

A liberal fall of rain, last week, was followed by several lovely April days. The nights, however, were cool and frosty.

The double house being built here by Clement Luse will be cased with red brick. The brick are now being delivered.

Charles Shultz, in Upper Brush Valley, who had an attack of pneumonia, has recovered and is about his place doing chores.

Mr. and Mrs. Thomas Grove, of Centre Hall, R. D. #2, spent Sunday at the home of Mr. and Mrs. D. C. Rossman near Mifflinburg.

William Kleckner, son of the late Dr. Kleckner, of Mifflinburg, was a guest of his cousin, Mrs. Lizzie Jacobs, over Sunday, and on Monday departed for Pittsburgh.

W. F. Keller, rural mail carrier from Centre Hall, is driving a new Chevrolet coupe purchased from the Homan Motor company. Mr. Keller changes cars frequently, having driven the last one but for a year.

The play put on by one of the classes of the Lutheran Sunday school of Bellefonte in Grange hall last Friday, was very well patronized. The class in the Lutheran S. S. here taught by Mrs. Harold Durst, sponsored the play and shared in the profits.

Miss Sarah Odenkirk, a C. H. H. S. freshman, is confined to bed with a rather bad case of quinsy. She was out of school for several days before she was obliged to take her bed. Her father, W. A. Odenkirk, who has been ill for several weeks, is not improving.

An opening for a cress pool on the Mrs. Lucy Henney property was found at a depth of more than seventy feet by the Koll Brothers, drillers. From here the drillers went to the Harold Durst property, south of the borough line, where an opening for the same purpose is being drilled.

Miss Margaret Alexander, R. N., of Centre Hall, now practicing her profession in Philadelphia, underwent an appendicitis operation on Friday. Her condition was reported as very favorable during the beginning of this week. Her mother, Mrs. A. W. Alexander, planned to be with the daughter at this time.

Dr. H. H. Longwell, Williamsport, reports the latest addition to the Longwell family—a girl from the east—as doing fine. Rev. Pruyne Spring Mills, who adopted a girl baby from the same section, is also proving a good foster father. Of course, Mrs. Longwell and Mrs. Pruyne have something to do with the care of the babies in question.

Mr. and Mrs. Floyd E. Snyder visited the former's sister, Mrs. Burns, wife of County Detective Robert Burns, of Montgomery, who underwent an appendicitis operation in the Williamsport hospital. She has been a patient at the hospital for five weeks, due to complications arising after the operation but she expects to be discharged this week.

The early sown oats is up and growing. Much of the crop was sown this week, and by the time this notice is read, the greater part of the crop hereabouts will have been sown. As a rule, the fields have been nicely prepared to receive the seed, the weather conditions having been favorable to that end. Early planters will be in the corn fields by the end of this week.

Miss Martha Goodhart, eldest daughter of Mr. and Mrs. Samuel Goodhart, of Johnstown, is recovering from a serious illness due to an obstruction of the bowels. She had been ill for more than two weeks. Last July she underwent an operation for appendicitis and never fully regained her former good physical condition. W. F. Keller, her uncle of town, visited her on Sunday.

The Eastern Synod of the Reformed Church of the United States will meet in annual session in Salem Reformed church, Harrisburg, Monday of next week. The pastor of the church is Rev. J. N. Levan. The synod covers the Eastern part of Pennsylvania, Southeastern New York, and part of New Jersey, and is the largest as well as the oldest of the Reformed synods in the East.

F. V. Goodhart, J. L. Tressler and the writer were motor guests on Saturday afternoon of W. W. Kerlin on a trip to Williamsport where a Williamsport baseball team defeated the House of David team by a score of 3 to 2. The bewhiskered Benton Harbor, Michiganans, played a splendid game, but their opponents got a "break" that let them win. The game got through with but one error.

The brick-cased dwelling house belonging to and occupied by Harry Weaver and family, on Pugh street, State College, was partially destroyed by fire Friday night. A portion of the roof and a part of the upper floor were burned. The fire appears to have been caused by defective wiring. Mr. and Mrs. Weaver, the latter a sister of Harvey and Andrew Mark, Centre Hall, were not at home when the fire occurred, roomers being the only occupants.

A district meeting of the Dairymen's League, held in Mifflinburg, over which D. C. Rossman presided, was attended by four hundred members. Union-Snyder Centre, Mifflin, Lycoming and Northumberland counties were represented. During the business session it was decided to form another local organization in Mifflin county upon the petition of forty members for a chapter at that place, who were present at the meeting. A petition to organize a body at Bellefonte was also acted upon and will be investigated by a committee.

SCHOOL NEWS OF INTEREST

Festival, May 30—

The Juniors are making preparations for the festival which will be held May 30, on the school ground. Music will be furnished by the Spring Mills band.

Patrons' Day Date Changed—

Patrons' Day has been changed to the 26th. Exhibits will be displayed which have been made by the four clubs and classes during the year. The morning will be taken up in arranging the exhibits for display for the afternoon and evening. The pupils will also be engaged in sports in the afternoon. There will be scheduled a tennis tournament, girls' and boys' baseball games.

Operetta, May 29—

The operetta "Windmills of Holland," given by the High school under the supervision of Mrs. Marguerite Smith, will be held in the Grange hall, May 29th.

Two Baseball Victories—

Mifflinburg met defeat at the hands of the local High school team by the score of 10-9. It was a well played game. Several good hits were made by both sides. Lynn Bronn made a home run, due to a lost ball.

It took the local boys 11 innings to defeat the boys from Snow Shoe, on Friday. The game was interesting throughout, with John Spzyker serving 'em up for the locals, and Bodenahok doing a nice job for Snow Shoe. Lohr relieved Spzyker in the 8th after the score was tied, and held Snow Shoe scoreless. The tie was broken in the 11th when Snyder came through with a clean single, scoring Bronn from 3rd. Bronn and Snyder were the main cogs in the offense while Hartley and Spzyker did well on the defense. Lewis and Kays starred for Snow Shoe.

A meeting of the solicitors for the 1931 annual membership drive for the Centre County Hospital will be held at the hospital Saturday, 2:30 P. M. At this time there will be an inspection of the hospital and a distribution of supplies for the drive. Light refreshments will be served.

A birthday party in honor of Miss Mary Garver, a local High school girl, was given by Mr. and Mrs. W. H. Potter, with whom Miss Garver makes

her home, at Sunset Club house, Seven Mountains, on Friday evening. Members of Mary's class (the seniors) were the invited guests. Refreshments were served.

Dr. H. S. Braucht, of Spring Mills, has been ill for a week from a general breaking down. On Tuesday he was put under the care of Mrs. H. H. Wenrich, R. N., of Sunbury, formerly Miss Laura Sigal, of Spring Mills, a graduate of Bloomsburg hospital, with Dr. P. H. Dale in attendance. The physician's condition is said to be rather serious.

Hugh Smith, whose serious illness was noted last week, is holding his own fairly well. He first suffered from scarlet fever, which has now disappeared, and this was followed by a severe case of erysipelas which broke out on both sides of his face. Two nurses—Miss Bertha Rimmey and Miss Beatrice Noll, the latter a graduate of Jefferson hospital—are on the case.

H. M. Allison, former postmaster at Spring Mills, on Saturday expects to open the Allison Chain Grocery. The postoffice room in the Allison building has been fitted with counters, shelving, etc., and the whole repainted, presenting a tidy appearance. A week later an ice cream parlor will be opened in the room adjoining the new grocery.

Samuel Hubler, assistant cashier of the Farmers National Bank and Trust Co., Millheim, is leaving a part of the Winegardner residence and in a few days will be found "at home" with his family at the A. B. Detrick residence on the hill between Millheim and Aaronsburg. The plumbing in the new residence is being repaired, following a complete freeze-up during last winter.

DOUBLE WEDDINGS.

An apparently well founded rumor has it that a double wedding took place Saturday night, the couples being Musser Irvin, of Pleasant Gap, and Miss Ellen Allen, Centre Hill; and James Royer, Pleasant Gap, and Miss Zella Ripka, Centre Hill.

Miss Allen taught one of the grade schools at Potters Mills during the 1930-1931 term and was re-elected for a second term, but resigned on Friday.

Miss Ripka is a daughter of Mr. and Mrs. Bruce W. Ripka, and on finishing her school work in Centre Hall High engaged in one of the mills in Millheim where she has been for several years.

All of the young people concerned are popular among their acquaintances and altogether capable of taking their respective places in building up a home. The Reporter extends congratulations.

It is intimated in some quarters that the marriages have taken place some months ago, but that the public was only acquainted with the fact a few days ago.

Lock Haven Child Seriously Injured.

Lois Reeder, ten-year-old daughter of Mr. and Mrs. Charles E. Reeder, of Lock Haven, was seriously injured Saturday afternoon while playing on the street in front of the home of her uncle, Reuben Kissel, in Bellefonte, when she ran directly in front of a sedan driven by Mrs. Sara Watson, of Milesburg.

The child was taken to the Centre County hospital where it was found that the left leg had been fractured below the knee and the right one above the knee. The left leg was set but the other one was so badly crushed that it was impossible to reduce the fracture at that time. She was subsequently taken to the Lock Haven hospital and an X-ray made.

No action was brought against Mrs. Watson, as the accident was unavoidable.
