PENITENTIARY TERM

# MCENTRE HALL, PA., THURSDAY, MAY 21, 1931.

OLD AGE PENSION PROPOSAL

VOL. CV.

IS GIVEN SENATE APPROVAL

Resolution for Constitutional Amend-Harry Rhule Draws Costs and Three ment Passed by Unanimous Vote-Wheek'r Road Measures Recommitted to Roads Committee.

The State Senate passed finally by arson for being implicated in the burnunanimous vote the Harris resolution ing of his shoe store at Spring Mills for a constitutional amendment to permit the payment of old age pensions.

The old age pensions resolution now goes to the House. It must be approved by two legislatures and then by the electorate before becoming effective. The amendment includes payment of mothers' assistance and its passage

would remove doubt as to the legality of present appropriations by the legislature for that purpose. The senate judiciary general commit- C. Dale, made a brief but eloquent plea

tee postponed indefinitely action on the for jeniency, emphasizing the fact that Frazier garnishee bill sponsored by the his client had just turned 70 years of Commonwealth Protective association. This action is tantamount to "killing" the bill for the remainder of the ses-

sion. The measure was attacked by labor and business representatives at a hear. He also stated that whatever his pering and members of the committee said there was considerable opposition of arson is one of the few on the statto the bill.

Such a measure has failed of passage at nearly every session of the leg- in the matter. He also expressed the islature since 1905.

The two Wheeler road measures passed on second reading were recommitted to the roads committee. They appropriate \$18,000.000 for improve ment of State highway routes; \$6,500, 000 for township road improvement; \$1.500.000 for maintenance of Philadelphia streets forming part of State routes, and \$2,500,000 for township reward roads construction.

The Hagmaier bill provided for the in which Richard Matthews, of Altoo State taking over and maintaining streets in boroughs and incorporated pay a fine of \$500.00, all costs and towns forming portions of the State highways was passed finally.

The administration advance emergency bill for construction at State institutions was reported for passage. carrying \$10.778,310, most of which is for permanent construction at the various welfare institutions.

Among other appropriation bills re- stopped in town for a few minutes, ported out were the Steedle measure during which time he made purchases appropriating \$7,765.525 to the various at the drug store. State-aided hospitals, and \$782,500 to It may be surmised that he had one State-aided homes.

The house passed and sent to the sentative Wilson C. Sarig. Democratic Senate the administration motor code floor leader, in a recent speech, in three months in the county jail. retaining the existing fees on motor which he said: vehicle and drivers' licenses, Inspec- "Every evil and every wrong is berequisite to title transfer.
